

Peninsula local wins Clarence Citizen of the Year 2019

Kerry Scambler was named as Citizen of the Year for her work with the South Arm Peninsula Residents Association (SAPRA) over a long period.

Kerry joined SAPRA in January 1995 as Secretary and, apart from a 3 ½ year break, has spent over 20 years as Secretary, Treasurer and President. Those years have seen the building and various iterations of the Community Centre (including the recent rejuvenation with the Library, History Room and Op Shop), the Community Bus, Convict Trail, the Labyrinth, public seating, boat ramp and jetty improvements and innumerable meetings both locally and further afield.

These projects were driven by many people with Kerry providing valuable support, advice and connections as well as applying for grants to bring projects to fruition.

When accepting her award, Kerry paid tribute to the wonderful community of South Arm and the work done by so many smaller groups and individuals. Described as a community connector in the nomination, Kerry said she "always aims to support good people, help them get what they need and get out of the way while they get on with it."

Summer in South Arm – with RAFT!

Thanks to Terry Hill's project management and team, a grant from Clarence City Council via SAPRA and generous donations from the South Arm RSL & Community Club and South Arm Dive Club, kids young and old are enjoying having our lovely lemon raft in the water! Thank you as well to all who have donated through the jar at the South Arm Shop.

– Kerry Scambler

Changes to Bus Services

On January 20th 2019, Department of State Growth implemented changes to the public bus service contracted to Metro and servicing the Peninsula region. These changes came without warning and without consultation with any current bus users or citizens of the Peninsula region. Individual letters from locals to State Growth have been responded to with a generic reply. Whilst we are pleased with the introduction of 3 bus services on weekends, it appears to have come at the expense of the following:

- Halving the number of weekday services;
- Cancellation of all bus servicing to Gellibrand and Rifle Range roads in Sandford, excepting one school run, on school days;
- Cancellation of express bus services to Cremorne and Clifton Beach and the inclusion of stops at Rosny park, resulting in very long bus trip to South Arm and Opossum bay
- Cancellation of a number of day-time weekday services, may prevent our elderly, unemployed & those without cars to get to & from appointments, job interviews or shopping, during the day.
- Removal of an evening bus service on weekdays, impacting work overtime or evening socialisation
- 9-5 commuters from Opossum Bay and South Arm are faced with a 12 hour day during school holidays and an 11.5 hour day on school days, if opting to use the bus to and from work.

Public backlash to timetable changes was swift and loud. As a result, a petition was established to run for 9 days. At the time of writing (5 days in) over 100 people have put their names to the petition, indicating displeasure with the changes. By the end of January, a meeting will have been arranged with a State Government Minister to table this petition and seek community consultation and urgent review of the changes.

We regular bus users would encourage Government to ask the Peninsula community how to increase user numbers rather than cutting services. If State Growth looks at user data in 12 months time, it may see a large reduction due to timetable changes, which could jeopardise the continued viability of a Peninsula bus service.

Arm End - R.I.T.E.

Arm End was reserved for the public to engage with its unique location and environment. RITE was formed to protect, enhance and recognise the cultural and natural values of Arm End reserve.

It is 6 years since the first Arm End golf course proposal was approved by Clarence City Council in March 2013. The lease was issued by Parks and Wildlife Service Dec 2014. A revised proposal submitted to Council late 2015 was approved in April 2016, adding a 30m long maintenance shed and plant nursery, relocating the cafe and change rooms to a prominent hill - visually intrusive. In April 2018 Council extended the planning permit for 2 years.

In November 2018 the proponent applied to Council for approval for a pipeline to take treated effluent from the Blackmans Bay sewerage treatment plant across the Derwent River, then along South Arm Road to Arm End to irrigate the fairways and greens. RITE is concerned about the possibility of health risks and loss of public access if the application is approved.

RITE (Re-Imagine The End) has been set up to seek community ideas about an alternative vision for Arm End Reserve and to campaign to stop the golf course.

In April 2020 the proponent can seek a third and final two year permit from Council. RITE wants to convince Council to not approve this extension to allow progress on its alternative vision for Arm End.

For information about RITE and to provide your own ideas, visit the website: www.rite.org.au

— Robyn McNicol | RITE | www.rite.org.au

Arm End - Project

The Blackmans Bay to South Arm Irrigation Water Project will harness a wasted water resource being dumped into the Derwent River at Blackmans Bay.

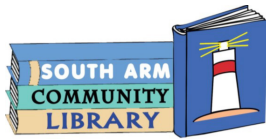

Already, eight South Arm farmers have expressed their interest in the irrigation uquality water, which will be available to all, as well as the Arm End project. *Arm End* believes using recycled water reflects environmental, economic & social sustainability.

The approvals process for the pipeline has taken quite some time and we thank you for your ongoing patience and support. If pipeline approvals and permits are obtained, we will rapidly work towards commencement for the *Arm End Multi Use Reserve* as well as the pipeline construction project.

— Craig Ferguson | *Arm End Project Director*
craig@armend.com.au

At time of printing, it is understood the water re-use pipeline application was to go before Council on Monday 4 Feb. — Ed

Community Library, History Room and Op Shop

The Community Centre is really buzzing! Judy and Lesley in the Library, Maurice in the History Room, Lyn in the Op Shop, Anna, Andrea and Steve in the Iron Plot and Karen directing it all! And then there are all their wonderful helpers as well.

Please call in & check out our fun, inviting, community space - you'll find much more than a book to enjoy!

All open Mondays & Thursdays, 10.30am to 12.30pm (JP in attendance on Mondays). Op Shop also open on Market Days AND keep your eyes peeled for the Op Shop opening on Saturdays soon!

Sandford Cricket Club back at home ground

The Demons had their first home game back on Sandford Oval in January - on grass not thistles!

Sandford is one of the oldest cricket clubs in the State and its future without access to the home ground was in doubt. Back at its true home ground, the Club has been rejuvenated and invites everyone on the Peninsula to call in on game days.

Thanks to Sharyn Von Bertouch and SAPRA for their support to get the grass growing again.

Local volunteer acknowledged at the Potters Hill Reserve Labyrinth

A small group gathered on Potters Hill in early January to unveil The Gratitude Seat and thank Richard (Dick) Vaughan for his work on establishing the Labyrinth and his other projects. Richard and Noeline (pictured) were joined by family from interstate and friends on what was a glorious morning.

The engraving on the seat is as follows:

The Gratitude Seat

Absorb this glorious view and please join us in being thankful,
not just for this peaceful place
but for Richard (Dick) Vaughan.

His vision and hard work brought this Labyrinth into being
and gave this reserve new life.

Thanks to all his willing volunteers on this and his many other
projects as well.

Seat placed by the South Arm Peninsula Residents Association
Inc (SAPRA) on behalf of residents and visitors.

On the agenda with SAPRA

A full agenda welcomed the SAPRA Committee at our January meeting and we're all looking forward to a huge mix of projects to keep us busy this year.

The heart of our **Community Centre** is beating loudly largely thanks to Karen Kelly's enthusiasm and Maurice Potter's quiet dedication to our history. To see the Community Library, History Room and Pot Luck Op Shop all buzzing on Mondays and Thursdays is heart-warming to all. (See page 5)

The Market too has taken on a new life under the stewardship of Kirstie Judd and is welcoming new visitors and stallholders every month (see p5).

Our new Newsletter Editor, Wendy Polzin, has been working very hard directly with various areas of Australia Post to get our delivery issues resolved – fingers crossed for this issue!

There are **other issues** members of our committee are working on, including the severe cutting back/ cutting out of Metro bus services to the Peninsula.

Kirstie has been gathering petition signatures and lobbying at every opportunity.

We look forward to providing refreshments & a BBQ at the **Jazz night** in South Arm on the 20th February. Let's hope for some great weather for lazing around the oval listening to some tunes! (See p1)

SAPRA is developing its website www.southarm.tas.au with the assistance of Wendy Polzin and we welcome contributions and suggestions for what to include.

There's more on our agenda but not enough space to share it all! Please contact any committee member or myself with ideas, issues, suggestions etc (see p2).

Cheers!

– *Kerry Scambler* | *President, SAPRA*

St Barnabus News

Carols Success

Our Carol Service in December was well supported despite the thunder storm and torrents of rain which happened just before and during the service. Rivers of water running down roads didn't prevent 60 people enjoying a happy evening. Our Christmas service was also well supported.

Save our Church & Cemetery Update

We are still awaiting contact from the Diocese to hear what needs to be done to secure our church for our community.

Services

In the meantime services are continuing as usual on the **2nd and 4th Sundays, at 4pm**, followed by a meal.

Everyone is welcome, and we wish a happy, healthy and fruitful 2019 to all in our community.

Opossum Bay South Arm & Coastcare

Throughout 2018, Coastcare continued to remove Boxthorn and Boneseed, our target weeds - we have eradicated it from the Arm End reserve. The removal of a large Boneseed infestation on private properties in Opossum Bay should be completed in 2019.

We received a grant from Landcare Tasmania for Boxthorn removal in Opossum Bay last year and this year we received a \$5,000 grant from Clarence City Council to remove boxthorn plants along Bezzants Track in South Arm. Both these projects include re-vegetation with endemic species.

Our current project to remove Boxthorn at Glenvar, (historical property in Opossum Bay) has progressed about halfway. Coastcare have removed a tremendous amount of Boxthorn patches - piles upon piles, which can be seen from South Arm Road. This project would not be possible without dedicated Coastcare volunteers and the Landcare Tasmania grant which funded professional contractors to chainsaw boxthorn plants.

OBSAC aims to alternate working bees on the second Sunday 10-12pm of every month between Opossum Bay and South Arm areas. Stay tuned for the 2019 schedule which will be posted at the South Arm Store and Opossum Bay & South Arm Facebook page.

– Robyn McNicol | robynmcnicol@hotmail.com

Bible discussion group

We are a very informal bunch of people who just want to understand what the Bible is actually saying to us today. We go about this in a loosely structured way, where everyone has an opportunity to express an opinion.

We've been meeting on Friday mornings since 1994. The faces have changed, people have come and gone, and we've made some really good friends.

One of our original members didn't even own a Bible - in other words, you don't have to be an expert!

We will be starting this year by having lunch together on Friday 8th Feb, and following on every Friday at 10.30 a.m. It doesn't matter if you can't come every week. We usually finish by midday.

Anyone who may be interested is very welcome to join us. Just come along, or ring 6239 9244.
