

Care Quilts - Charity Quilts Coming to South Arm

Do you have a small amount of time to help create a quilt for charity?

In the last ten years, Care Quilts in Hobart has made more than 500 quilts for Ronald MacDonald, Women's Shelters, City Mission, Small Steps, The Whittle Ward, Roy Fagan House, bushfire victims in Tasmania and Victoria. Now we're setting up a group in South Arm.

This is a great opportunity for some fun and worthwhile volunteering! We understand most people don't have enough spare time to make a complete quilt alone, but many people can spare a little time - even just an hour - to work together to make a whole quilt fairly quickly and without stress

Sewing skills, whilst useful are not necessary. Ironing is very helpful, or trimming, or pinning. What's important is that we just do the tasks we enjoy!

When/where:

Wednesdays at South Arm Community Centre, 9.30am - 12.30pm.

You don't have to come every week, just when you can spare the time.

Whate to bring: If you like to use your own machine and it's not too heavy, you could sew pieces which are already pinned. Everything else will be there - materials, ready to sew, iron and cutting tools. Tea and coffee supplied but small contributions to morning tea welcome.

Show you care, come and have a look or contact Andrea - 0400 564 987.

2019 ANZAC Day

As in previous years, the South Arm RSL Sub-Branch conducted two services on ANZAC Day - a Dawn Service at Lone Pine, Fort Direction and an 11 am Service, for the first time, at the Sub-Branch Memorial Wall of Honour.

The Dawn Service was well patronised with well over 800 people arriving in over 350 cars. The morning was fine but very cool with a light but cold wind blowing off the Derwent River. In some ways similar to the conditions the first ANZAC'S encountered in rowing to shore. Following the Dawn Service a number of patrons returned to the South Arm RSL and Community Club for breakfast and toddies. Well done to all the breakfast workers.

The 11am Service at the Memorial Wall of Honour was a first for the Sub-Branch and the well patronised Service ran smoothly. The safety of attendees was paramount in deciding to move the Service from the Cenotaph. With ample parking and other facilities, the move to the Memorial Wall of Honour proved a success. Retired Squadron Leader Tony Lea's ANZAC Day address was outstanding. Tony's recounting of his own real-life experiences in Vietnam and what followed afterwards, providing a solemn reminder of how cruel and unforgiving war can be.

Following the 11am Service, a significant number adjured to the RSL and Community Club for refreshments and a delicious meal where many stories were embellished. Licensee Tony Sproule and staff are to be commended for their efforts.

The South Arm RSL Sub-Branch Committee especially thank the Venerable Helen Phillips, Tony Lea, the Clarence City Band, 29 Squadron RAAF, 502 SQN Australian Air Force Cadets and Sandford Scouts for their valuable support and contributions.

St Barnabas Stall at South Arm Community Market

Whilst we wait for the Diocese's advice on the transfer of ownership to the community and a timeline, we have to continue to fundraise in earnest, ready to take on the huge task of maintenance, repair, upkeep and operational costs we know will come with the title transfer.

We'd like to thank the South Arm Market organisers for allowing us to have a fund-raising stall each month, the wonderful people who so kindly donate items for sale, and of course those who buy them!

Donations of good quality items that are aligned with each market's theme along with flowers which are always popular are welcomed.

Please contact Rachel on 6239 9706 if you would like to donate prior to the next market.

We look forward to the day our historic church is run independently by the community as an interdenominational church, welcoming all Christians to worship, and offering all members of the community a place of spiritual support and comfort.

– Linda Roe | St Barnabas Market Stall

Community Library

Come join us Mondays at the library for morning tea. Meet some locals and read about our local history in our history room. Opening hours are

Mondays	10.30 - 12.30 (a JP is in attendance on Mondays)
Thursdays	10:00 - 12:00
Fridays	2:00 - 4:00
Saturdays	1:00 - 3:00

Our little op-shop is also open on the same days, so pop in and pick up a bargain and support your local community center.

– Karen

South Arm Community Market

Managed and supported by the South Arm
Peninsula Residents Association Inc. (SAPRA)

Mornington/Warrane | Risdon Vale | South Arm

Community Bus - Tuesdays in South Arm

What's your destination?

Retail therapy, lunch, coffee catchup, medical appointment, Salamanca, TMAG, Theatre Royal, golf, MONA, Movies, Botanical Gardens, Walking Tracks...

Organising a day trip to the valleys - Huon, Derwent or Coal River - or a bushland garden?

Just get your group together and go somewhere!

The bus is allocated to South Arm on Tuesdays. You may also be able to book other days if it's available.

Did you know?

This 10 seater Community Bus is a partnership between Risdon Vale Neighbourhood Centre, Warrane/Mornington Neighbourhood Centre, South Arm Peninsula Residents Association Inc (SAPRA), Risdon Vale Christian Family Centre and Clarence City Council for the respective communities.

The Community Bus gives people the opportunity to get out and about with others and see and do things they wouldn't otherwise have had the chance to do. Locally, we're lucky to have wonderful volunteer drivers - Richard and Bob - without them, the bus wouldn't be going anywhere!

For further information, costs and bookings please contact Don - 0418 562 759.

Book by the Friday prior to Tuesday.

Social Tennis Anyone?

Come join our fun, social tennis, with no membership fees, just court hire payable by the participants of each game. Please contact Tony to join the fun and meet new people.

Opossum Bay & South Arm Coastcare

Coastcare and Fire brigade volunteers combine efforts to remove of Boxthorn Patch at Arm End Nature Recreation Reserve

Our Coastcare group is focusing on the removal of two weed species, Boneseed and African Boxthorn. OBSAC has developed management maps for both weeds and this gives our eradication of these weeds focus and sensible strategic targets.

Towards the end of last year Coastcare successfully removed a large patch of boxthorn at Arm End Nature Recreation Reserve near Shelley Beach.

The Boxthorn plants in the patch had regrown from an older Boxthorn plant which had not been correctly removed, subsequently it was very difficult to remove. Boxthorn seeds are spread by birds and this patch was growing under a large *Viminalis* (white gum) stump, making removal very difficult - slow, prickly and tough going. Coastcare piled the removed Boxthorn material into large stacks. Volunteers from South Arm Fire Brigade and the Tasmanian Fire Service were responsible for burning the boxthorn. Thankyou to Fire Brigade Captain Mark Smith and Val Ansett from the Tasmania Fire service. We currently have stacked large piles of mainly historic Boxthorn at the Glenvar property in Opossum Bay and will be burning them sometime in the next few months.

Coastcare meets every second Sunday of the month, from 10am-12pm. Our schedule is on the Opossum Bay & South Arm Coastcare Facebook page - www.facebook.com/opossumbayandsoutharmcoastcare

RITE Win for Spotted Handfish at Planning Tribunal

The Tasmanian Conservation Trust (TCT) and Re Imagine The End (RITE) appealed to the Resource Management and Planning Appeal Tribunal (RMPAT) against Clarence City Council's pipeline approval of the proposed pipeline to supply treated water for the Arm End golf course. During the mediation we negotiated numerous very important conditions which save the Spotted Handfish population at Halfmoon Bay - the pipeline is to be installed:

- at a distance of more than 500m from shore instead of 200m as approved by Council;
- at least 3.5m under the sea bed and into bed rock instead of 1.5m (where the drilling equipment could damage habitat and handfishes);
- all works must be done outside the breeding season of the spotted handfish.

The TCT and I expended significant financial and personal resources to protect one of only ten known populations of the spotted handfish in the world. Most disappointing was that the original approval would have allowed the pipeline to penetrate the seabed in the middle of the handfish population.

Spotted handfish is a rare species due to ecological fragmentation. The population at Halfmoon Bay is now a lot safer.

While the pipeline has received Council approval the State Government has not yet approved the use of the treated water at Arm End Reserve. RITE opposes the use of treated effluent in this public reserve because, in our view, it would mean severe restrictions on public access.

To get involved contact RITE via www.rite.org.au or Facebook - www.facebook.com/reimaginetheend

– Robyn McNicol | RITE | 0400 119 519

When travelling at over 60km/h & passing a bike rider, always leave at least 1.5 metres between your car & the bike, or 1 metre if you're travelling under 60 km/h.

Pipeline Fully Approved

Arm End is pleased to announce that the ten year approval process for the recycled water pipeline from Blackmans Bay to South Arm has concluded and the water pipeline is now fully approved. Construction for the pipeline and the Arm End site should now begin within 3 to 4 months.

The appeal to the Clarence City Council planning permit has been resolved by mediation and Parks & Wildlife has issued their approvals. Arm End Project Manager Craig Ferguson acknowledged appellants Robyn McNicol and Peter McGlone (Tas Conservation Trust) - "Both Robyn & Peter are passionate about the environment at Arm End, as are we."

"This consent agreement gives further clarity as to the depth at which horizontal directional drilling (HDD) will take place within the Handfish habitat areas. Our original pipeline alignment has not changed, rather we have provided expert evidence to support the HDD methodology. Put more simply, the habitat of the Spotted Handfish will, as we have always stated, be 100% protected."

Mr Ferguson said Arm End is continuing to negotiate for a solution to upgrade the water coming via the pipeline from Class B to Class A. "We think the social environmental and economic benefits the shared use water scheme will provide is worthy of support."

"We have a permit to manage the known Aboriginal heritage sites. As we move towards a construction start, we would also like to work with the Aboriginal community to celebrate the site's cultural heritage and landscape ... we are hoping everyone can benefit from the Arm End sites' rehabilitation."

— Craig Ferguson | Arm End Project Director

SAPRA Updates

It's a really exciting time to be part of SAPRA and the revitalisation of the Community Centre. It's also a moment to appreciate the amazing people in our community who get things done –grabbing a spade or a paintbrush, mobilising volunteers, sewing seeds for great ideas, sharing a book and cuppa, securing grants or showcasing our local history.

The scope and value of this was on show recently when I met with Sarah Lovell MLC, David O'Byrne MP and Alison Standen MP and presented a four page summary of our activities along with issues of concern. All were impressed with our achievements and proactive approach.

Community Centre thriving!

The Centre now houses a community library and garden, history room and op shop as well as being home to the market and a number of groups. We've always loved bees so it's great to see the Centre buzzing!

History Room refurb

A couple of walls have gone along with the loo from the middle of the room (yes, it truly was!). With the yellow wall gone and new flooring, we can't wait to see the *Maurice Potter History Room* in a whole new light. A huge thank you Kirstie in particular and to Maurice for making this happen.

Community Library:

Karen and her volunteers continue to refresh the book selection and welcome new visitors.

Pot Luck Op Shop:

Going gangbusters and bursting at the seams! Thanks to Karen, Lyn and other volunteers, it's been a great addition to the Centre so we're working hard to expand their space very soon.

Donations for the op shop and library are paused while we renovate, but will be welcome again soon.

Iron Plot Community Garden

It's autumn but the garden is blooming and thanks to our Op Shop, a new shed is about to be installed! It's looking great so come down and potter or just sit and relax.

South Arm Community Market

Thanks to Kirstie for initiating the themed markets, designed to bring something different to the community each month along with some regulars (yay! for farm fresh veggies every month!).

SAPRA's 30th Birthday

Call-out for photos, history and memories

On the 28th August, SAPRA will celebrate 30 years since incorporation. It's a great tribute to past and present committees that it has survived the inevitable ups and downs of community organisations.

Something special is being planned to mark this milestone and we'd love to hear from anyone with old photos or documents we can scan or tales and memories to share (I'm sure there's a few from the Australia Day events!). Please contact myself or our Committee Members.

On the agenda:

SAPRA is following up on issues raised recently including the Neck, speed limits in the village, bike path maintenance, bus services and various others as well as supporting the St Barnabas group and discussing the potential of a local community bus. We just don't stop

Stay warm! Cheers, Kerry

500!

500 – that's the number of plants given away at our recent BIG Plant Give Away Working Bee funded by a Clarence Council Coastcare grant. These natives are destined for local gardens but also many along Pipe Clay Lagoon, Cremorne beach dunes and nature strips. Thanks for everyone's efforts, especially the hardworking Cremorne Kids and Wildseed Nursery, Sorell.

One of our top enemies is Marram Grass (*Ammophila arenaria*) - a perennial grass that was introduced into Tasmania from Europe to stabilise coastal dunes.

Why is it a problem? Coastal processes are radically and permanently altered by its presence. Marram grass produces coastal landforms which have completely different shapes to dunes produced by native plants. Large steep faced dunes are characteristic of invaded areas. These steep faced dunes are susceptible to wave erosion which leads to coastal recession. The build up of dunes by marram grass removes sand from the beach, surf and near shore zone and so has serious consequences for the natural dynamics of the coastal environment.

What can we do? Plant local species such as Coastal Wattle, Bower Spinach, Saltbush and Dune Spinifex. These plants, over time, will reduce Marram Grass by smothering it out. Come talk to us at Pipe Clay Coastcare and we can help you out.

For more information: <https://www.parks.tas.gov.au/file.aspx?id=6737>

– Pipe Clay Coastcare Group

St Barnabas Services

Services are held on the second (2nd) and fourth (4th) Sunday each month at 4pm.

Mj's Hair Design has expanded

Laura is delighted to have welcomed Ebony Taylor to the salon earlier in the year. Ebony has been putting smiles on the faces of locals as she transforms their locks and makes them feel special again!

Having a second fully qualified hairdresser in the salon means the Mj's team can now offer more appointments each week so get in touch now for your hairdressing needs. Open Wed - Sat or by appointment. Ph 6239 9612 or 0421 859 408 and find us on Facebook
