MEMBERSHIP REPORT

A strong membership base will play an important part when it comes to our Tas Community Fund (TCF) funding application, due by the end of September.

Our membership continues to grow and currently sits at over 50 members. If you know of anyone who may be interested in joining us as a Founding Member, please pass on a membership form and encourage them to join us. Founding membership is only \$10 and covers you until June 2021.

Membership forms can be [downloaded here](#) or picked up from the South Arm Shop or Community Centre.

FINANCE

Another critical component of our Tas Community Fund application is showing we can raise funds and are able to contribute a minimum of 10% of the requested funding ourselves.

With much-appreciated help from our political representatives we have progressed well. The Hon. Jacquie Petrusma MP and David O'Byrne MP successfully applied on our behalf to the Premier's Discretionary Fund to jointly achieve \$4000 toward our cause.

Add to this donations from Sarah Lovell MLC, Alison Standen MP, Rosalie Woodruff MP, Julie Collins MP, Senator Hon. Jonathan Dunian, David O'Byrne MP, Arm End, the local Melbourne Cup Ladies and Member donations.

A great big thank you to all our supporters.

We now have \$7000 with our raffle proceeds still to come in.

It's a great effort but momentum has to continue as we need to cover design and planning costs before we get to the funding application.

PIZZAS POPULAR!

Thanks to Jacky Harvey for providing some tasty wood-fired pizzas (well tended by John Harvey and Andrew Eaton) and other delicious food.

Our gathering at the Community Centre was a great success with around 30 Members and guests enjoying delicious food and beverages and meeting new friends.

Shed designs were on display and President Robin Barnes provided an update.

Looking forward to our next gathering with much warmer weather!
