SOUTH ARM PENINSULA RESIDENTS ASSOCIATION NEWSLETTER

PRESIDENT'S NOTE

Residents, it is very pleasing to know that we now have a strong voice to represent our area in matters of community concern. This has only been possible by your unanimous support for the Residents' Association at the meeting on 29th March. I thank you for this.

Our Residents' Association has now been formed and the first committee meeting was held on 20th April. Much internal, inaugural business was carried out and we have already submitted to the Council a list of matters which need urgent attention in our area. Fund raising moves are also under consideration.

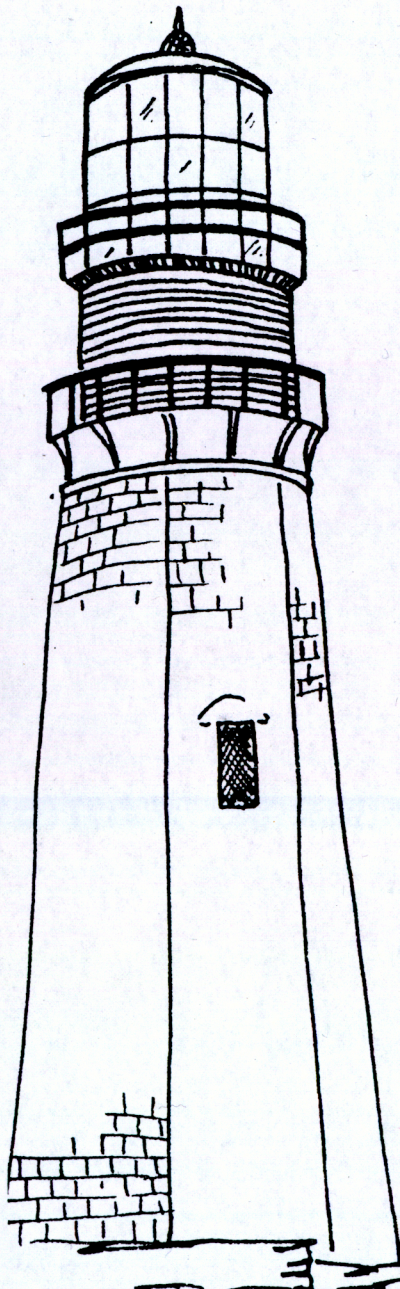

There is not a great deal to report at this stage but we will be keeping you informed through the Newsletter.

Thank you for your interest and we look forward to your continued support.
