

2021 South Arm RSL & Community Club Scholarship awarded

First year carpentry apprentice, Ben Steinbouer, was awarded the 2021 South Arm RSL Community Club Scholarship. Ben is the second apprentice to be awarded the scholarship in seven years,

The \$2,000 scholarship is intended to help young locals purchase text books, tools and other aids to kickstart their further education.

The scholarship has recently been renamed, and now extends beyond first year students. The next round of applications open in November and closes early March 2022. To be eligible, a student's parent / guardian must have been a Club member for a minimum of 12 months.

- Ron Clegg

Pictured - Ben Steinbouer being awarded his scholarship by Club President Terry Roe

Ben's dad Greg is rightly proud of him "Ben has taken to his apprenticeship with enthusiasm and is doing really well; learning lots of new skills and the responsibilities that go along with it. This scholarship from the Club is so generous and we are very grateful for the boost it has given Ben. He will be able to use it to build up his collection of tools and the associated skills, which would have been difficult on a first year apprentice's wage. "

"The application and interview process was also really valuable in expanding Ben's skill-set. We can't thank the committee enough for offering this opportunity." said Ben's mum Maree.

ABC Community Spirit award - Karen Kelly and Jacqui Stevens

There are many quiet achievers on the South Arm Peninsula; people who are constantly working away for the benefit of all and volunteering their time.

There are the First Responders, the Volunteer Fire Brigades, SAPRA committee, Surf Life Savers, Piggery participants, Hall Committee, School Association members, and the ladies who put on your Anzac day breakfast and Melbourne Cup luncheon year after year. The gardeners who look after the parks, coastlines, the Community Garden and the Church gardens. The people who open the History Room, Library and Op-Shop every week. The local business owners who time and time again provide raffle prizes and donations. Then there is the gentleman who spent much of COVID picking up the rubbish along the road - LEGEND!

All of these people deserve to be recognised, but when it came to the ABC Community Spirit Award Nominations there was one clear option.

Pictured - Karen Kelly & Jacqui Stevens (courtesy ABC)

When the COVID-19 global pandemic was declared it became obvious to Karen Kelly and Jacqui Stevens that many people in our community were at risk of slipping through the cracks. People who had lost jobs, people who live alone and people too scared to venture beyond their front gate.

Karen and Jacqui hit upon a simple idea to help and got straight to work. In their own time and at their own expense they started preparing food parcels. Delivering the parcels fortnightly also enabled them to conduct a simple, but invaluable, welfare check.

LiL program for all children from birth to school age

South Arm Primary School has a fantastic LiL program for your birth to school age children. What better way to get to know the Kinder classroom environment than coming along with your parent or carer and familiarising yourself with the space.

You don't need to live inside the South Arm school area to attend our LiL program!

LiL runs on a Friday morning from 9.30 – 11am starting in the school library and progressing into our Early Learning Space.

Men's Shed update

State Government funds: leading up to the election, local MP, Hon. Jacquie Petrusma, secured a commitment from the Liberal Party for \$53,000 towards our Shed project if they won majority Government. The Premier advised in writing this will be in the next State budget.

This pledge was also matched by the Labor Party, through the work of our local MLC, Sarah Lovell.

A big thank you to Jacquie and all Franklin elected members who have shown strong support and continued interest from the beginning of this project, confirming its value to our community.

Grant applications have been lodged with the Stronger Communities and Building Better Regions Federal programs with results hopefully coming through in the next few months.

Council voted 6/5 to approve our Development Application (DA). Whilst all Aldermen expressed support for a Men's Shed, some voiced apprehension about the site and some local residents also raised concerns.

Therefore, whilst we await the final grant funding results, we'll be exploring other potential sites not previously identified or offered. The DA does still provide a good locatoin if this is unsuccessful.

A BIG thank you to Gai Bath, Joe Pasanen and Touch of the Mo for their fantastic contribution of \$2,000 after the Open Mic night. A wonderful community event AND a great fundraiser! (Check out the April Eastern Shore Sun article featuring our own South Arm Songsters!) Another thank you to the always supportive Laura Aylett and her team at MJ's Hair Design for hosting a fund-raising day.

Harmony support. The Shed continues to receive great financial (and moral) support from Harmony Market as we organise their car park. Thanks to our volunteers, funds are paid to the Shed each month!

Swimrun Wild at Arm End made another thank-you contribution for marshalling their competitors in their second event.

What a busy and productive couple of months!

South Arm Market

Even though the organisers and volunteers have it running like a well oiled machine, the South Arm Community Market has certainly not lost its soul. With around 55 regular stalls, the market still brings its magic through its caring friendly stall holders and happy patrons. A big thanks to all, especially our volunteers!

You will be pleased to know that the market is set to continue through the winter months. The variety available in food alone, plus some mooted newbies such as Vietnamese and Spanish cuisines, make the market the perfect place to venture on a winters morn. Grab that hot coffee, pasta, seafood or something delish from Jacky's indoor corner...which is going to make you bamboozled for choice. All of them good! Better make it early if you want to grab that yummy sourdough loaf though!

The diversity in wares continues to expand, ranging from liquor filled chocolates to mini macrame crystal jewellery to pet treats. There are greeting cards, plants, artworks, natural body and home products, flowers, hand knitted or crocheted woollen items, sock monkeys, wood work, childrens clothing, books and coin collectibles, candles, too many to list but available to view on our Facebook page!

There are yummy fresh vegetables, even figs at the last market, but we're still in search of more stalls with produce like lemons, jams, relishes, spices etc, please contact Karen (**0409 029 664**) if this is you.

There is a good amount of outdoor seating for those that need to pace themselves or want to enjoy a chat in the fresh outdoors. Or....music anyone? Live music is in the pipeline for future markets! So kick back in your woollen beanie and scarf, and come along and enjoy the experience. Support the ever reliable South Arm RSL Sub Branch sausage sizzle, St Barnabas Church and don't forget, the Op Shop is open on market days too.

Remember, government COVID tracing requirements require all market patrons to check in using the QR Code or manual sign. Thank you in advance for your cooperation.

See you on the first Sunday of the month 9:30am - 1pm!

Community Spirit award cont'd

Well in typical Tassie-style, the program became bigger and bigger. Jacqui and Karen sourced food donations from other groups in Clarendon Vale and the Abundant Life Church at Lauderdale, expanding their generosity to more people in need. Then more community members joined them to pack the food parcels and help deliver them, reducing the burden on Karen and Jacqui and giving these community members a sense of purpose and that good feeling from helping others.

This continued until December, and many people would have been unaware of the time, effort, generosity and sacrifice that was going on, providing much needed support during what was a very difficult period for us all.

It is very pleasing that the ABC Community Spirit Awards judging panel could see the enormity and significance of their efforts, awarding Karen and Jacqui the top gong from an amazing group of nominees.

Congratulations to Karen and Jacqui on this award - your kindness and generosity truly deserves this public recognition.

St Barnabas Church

We are now getting closer to the time when our church takes responsibility for the care and administration of the church building and graveyard. See below for meeting details. There are plenty of possibilities for the future. We want to hear your ideas.

The church will be known as *The Community Church of St Barnabas South Arm Inc.* Being incorporated means that people need to 'belong' to the organisation (just like SAPRA membership) - for an annual donation of \$2 people can join and have their say at meetings.

Meanwhile we continue with weekly 10:00am services, and have been very happy to welcome some new people this year.

Our Friday discussion group, now 28 years old, is still a lively fellowship to which anyone is welcome, (and as you can see above, dogs included!) sometimes they have quite a lot to say!

Good wishes and blessings to all in our special community.

SAPRA update

And yet another season is upon us – anyone figured out where the first six months of the year have disappeared to?!

As always our Committee has been busy on a number of fronts and frankly it's awesome when work pays off – like the great news of a Peninsula-based Community Bus and other local projects.

Local Heroes. Congratulations to Jacquie Stevens and Karen Kelly on the Community Spirit award for their work through last year's challenging times. Thanks to you and all your volunteers – we know it was beneficial for more than the delivery recipients.

Volunteers – thank you. Volunteers Week was 17-34 May so I'd like to do a big thank you to all the volunteer who work in our Library, Op Shop, History Room and Market, as well as those who work behind the scenes on the Committee or just helping out around the place. You're the heart and soul of our Centre and community .

Cenotaph corner road safety. Over the years many residents have raised concerns and we've tried in the past to get some action. Following a productive on-site meeting with State Growth, it was recommended we liaise with Council. A meeting is now scheduled with Council engineers, this time talking potential solutions. We'll report on progress via our Facebook page and the next newsletter.

SAPRA Committee: if you're community-minded and would like to help us, please get in touch – more minds and hands are always welcome!

Get on board the Community Bus!

We love our Iron Plot Community Garden but this time it's produced big time – it's pollinated \$67,000 for a **local** bus!

Last July, Franklin MP Nic Street met with SAPRA and the Men's Shed to get an update on all our activities. As Nic and I sat chatting in the garden, the topic of a local community bus was discussed.

Whilst work has been done behind the scenes for many months by bus and SAPRA volunteers, it was looking impossible with no community transport funding avenues readily available.

Fast forward to April 2021 and Nic confirmed that if the Liberals were returned to government, \$67,000 would be provided in the State Government's next budget, with no impediment to Men's Shed funding secured by Jacquie Petrusma MP (see page 3).

This is fantastic news for our community. We'll be working on a business model that could involve partnerships with other local groups. There's already discussion across the Peninsula about how a bus could be used by even more groups initially envisaged – which is inspiring to hear.

If you or your group (casual or formal) would like to know more, please get in touch now!

Garage Trail - save the date, & your treasures!

Cremorne will again be hosting multiple garage sales in October / November.

In 2019, approximately 20 households in the village held garage sales which were well received. The date is yet to be confirmed but we will try to align the garage sale trail with the annual Council hard waste collection.

A recent expression of interest has seen many indicating they are keen. Listen out for the date, look through your stuff for treasures to sell and anticipate the bargains that will be up for grabs as Cremorne hosts its 2nd annual multi-household garage sale!

South Arm Fire Brigade Update

The Fire Station at South Arm has gone through some renovations over the last year with all members chipping in to help. We've been lucky enough to update some operational equipment. Our members have been training regularly, participating in local hazard reductions and exercises.

We are lucky to have two new members, and our recent training has focused on skilling them up. This includes a thorough induction into the TFS, basic training on all our equipment, radios, rural navigation, fire behavior plus local risks and hazards. We now have 7 fresh faced highly skilled volunteers to compliment our full crew. Its worth noting that most of our volunteers have seperate full time jobs and it's impressive how much time they also give up to assist the fire service as volunteers.

As we head back into the colder months, its time to think about your home fire safety plan. This may mean changing batteries and testing/vacuuuming smoke alarms. Checking electric blankets for any damage before use. Getting chimneys cleaned. Ensuring power-points aren't overloaded. Cleaning filters in dryers and heaters. Basic safety around candles and cigarettes. Perhaps it is as simple as thinking about your escape plan. Can you easily reach your exit in the dark/smoke? Do you have a second exit? Do you have easy access to keys for any window/door that is deadlocked? Have you checked that your home insurance is up to date?

Rather than being fearful of house fires, it is far more useful to be prepared. A working smoke alarm will save your life in a fire. The TFS website has plenty of info on where to install your alarm, as well as simple tips to reduce fire risks in and around your home. Visit <http://www.fire.tas.gov.au> and their home fire safety page.

Remember to call **1800 000 699** before lighting any outside fire. They will advise if a permit is needed, if the weather forecast is unfavorable, and register the burn to ensure we don't get called out by mistake.

2021 Flu Vaccines – Don't forget!

With all of the focus being placed on COVID vaccines this year, it can be easy to let the annual flu vaccine slip our minds.

Milli and Kim are both Authorised Immunisers and can give you your flu vaccination. No appointment necessary on weekdays between 9am-2pm. Available outside these times by appointment.

This flu vaccine is people aged 10-64 years ONLY.

If you are aged over 65 years, have diabetes, are pregnant, have cardiovascular disease or identify as Aboriginal or Torres Strait Islander, you are entitled to a free, Federally funded flu vaccine. This can ONLY be supplied by your GP.

The only other thing to remember is that your flu vaccine must be spaced at least two weeks away from your COVID vaccines. As always, if you have any questions please come in and speak to us.

Planning application to extend an 'Urban Growth Boundary'

Clarence City Council has asked the Minister for Planning to approve an application to extend the Urban Growth Boundary at Lauderdale / Sandford.

If granted, this will enable the residential development of the land between the top of Bayview Road and Richardsons Road, raising questions about what effect this will have on traffic volumes in the area and at the major South Arm Highway intersection. There are also likely impacts on capacity of local infrastructure and services such as education.
