

# Anglican Diocese recants intention to sell St Barnabas Church to South Arm community

A group of around 25 community members attended the Annual General Meeting for St Barnabas Community Church South Arm (inc) on August 27th. The Board shared with the group the progress made so far in actioning the clear community wish to purchase and manage the church so that the spiritual life of the community grows and is ongoing.

It was with disappointment and frustration that the Board advised the group that the Anglican Diocese had reneged on their intention to sell the church and withdrew St Barnabas Church from sale on the 19th of August. This was in contrast to the stated intention to sell, being confirmed in early August.

From 2018 SAPRA, the St Barnabas Working Group and the incorporated Board that evolved to manage the sale process and beyond, have worked tirelessly to raise sufficient funds to complete the sale of the church and manage the sale process. From August 2020 the incorporated Board have focused on -

- satisfying government cemetery management requirements
- improving the church and cemetery grounds
- conducting audits of cemetery plots
- identifying requirements to ensure that there is access for all to the church
- regularly liaising with the Anglican Diocese to meet their needs and
- ensuring building and fire safety compliance.

At the meeting it was agreed that a strongly worded letter will be sent to the Bishop expressing the community's frustration and disappointment at the outcome.

It has been proved that the church is viable and prospering, with regular Sunday morning services, and a spiritual team that ensures community needs are respected. As the Anglican Diocese plans for the church evolve, weekly 10:00am services will continue for the whole community, catering for all denominations. Special family and children ministry will begin shortly. Information about these services can be obtained from Jane Beavan (6239 9244).

The Anglican Diocese is well aware they need to rebuild trust and faith with the community to overcome anger and frustration. Rebuilding this will only occur through a strong community presence.

The Management Board's ongoing role is to ensure that all pledges are returned to community members and the processes for dissolving the board are abided by.

Should you wish for further clarification or would like to express your feelings and thoughts please make contact with the Diocese through the links below:

# South Arm Market

We have just had a wonderful Fathers day, September market, which welcomes us into our spring markets.

This included, lovely live music from Trudi and Karai, and a delightful selection of food to feast on while enjoying the atmosphere of the market. From Churros, Fresh Cooked Pasta, Dumplings to Snags, Cakes and Pies, so much to tempt the taste buds and plenty of seating is provided so you can sit and enjoy.

Gifts for dad, yourself, the family or even the family pet were readily available consisting of Gin, woodworks, jewellery, pet treats, knitted items, collectables and the list goes on. Sally-Anne had her beautiful spring flowers, but you sure need to get in early for these – always a sell out! We see many regulars return, but we also see many new stallholders joining our market, always something fresh to see!

You will find stalls in the Community Centre, Calverton Hall and on the Oval.

A massive thank you to all for making this a wonderful day.

## Men's Shed update

**PLANNING.** Clarence City Council has now issued a Planning Permit. Next will be negotiations on lease terms and conditions. Things are moving folks!

**AGM.** This important milestone is/was held on the 26th September. Stay tuned for our next membership newsletter and keep up to date with Facebook.

**FUNDING/FUNDRAISING.** At the time of writing we are still waiting to hear from Building Better Regions Fund. Sadly Council was not able to allocate any funding to the Shed in their 2021/2022 budget but we have the \$53,000 from the Tasmanian Government in hand. An Expression of Interest was lodged with the Tasmanian Community in mid-September

Support from Harmony Garden Centre continues with our regular carpark marshalling at the Market and a Bunnings BBQ is scheduled for 1 October.

Garden stakes for sale - \$1.00 or \$1.50 with a point. See the ad on page 8.

**QUIZ NIGHT in November.** Due to the success of our last event, Calverton Hall will again ring out with Quiz Master Andy Quinn's dulcet tones as he guides the competitive teams to possible glory. Keep your eyes peeled for posters and on Facebook for full details coming after the AGM.

**MENTAL HEALTH FIRST AID.** The Shed and SAPRA hosted an introductory session on this important training. We're looking to work with SAPRA, and other local organisations to make the full training available to the community.

**MEMBERSHIP:** It's renewal time for our 100+ current members and there's always room for more in our Shed. If you want to join, know more or support us in any way, please get in touch. New member forms available from the South Arm Store, Community Centre or on the website.

The benefits of a small school go well beyond academic achievements and test scores. Small schools present unique opportunities for social emotional growth, relationship building, and high expectations in and out of the classroom. When class sizes are small, teachers are better able to know the academic strengths and weaknesses of each student and tailor their instruction accordingly.

## Interested in being a volunteer firefighter?

### Sandford brigade has 2 vacancies!

If you live in the Sandford, Clifton Beach or Cremorne areas, and are interested in being part of a team dedicated to protecting life and property, we'd love to hear from you. Give me a call to discuss the role and the training you receive as a new recruit.

- *Paul Lawler* | Brigade Chief, Sandford Fire Brigade  
0409 305 808

## South Arm Brigade

South Arm Brigade has been busy over the last month training and refreshing new skills, culminating in a trip to Hobart to train on the Road Crash Rescue and HAZMAT truck. Whilst these specialist skills are undertaken by career firefighters in town, the reality is that volunteers will often be the first on scene and need to know how to deal with such emergencies.

We have also completed first aid training, familiarisation with key local hazards and a full-scale exercise at the school (fire, search, rescue, first aid and extinguishment).

The entire Brigade has now completed the level one qualification, which is a significant undertaking.

### Fire safety in spring

As the days start warming up, the Fire Service has been called to a number of escaped burns around the State, mainly as a result of strong winds.

If you're planning to conduct a burn, remember to:

- Check fire restrictions with your local council and register your burn with TFS on 1800 000 699.
- Apply for a fire permit if required.
- Check and monitor weather conditions - particularly wind.
- To avoid unnecessary calls to emergency services, notify your neighbours beforehand.
- Leave a three-metre, bare earth fire break around the burn, free from flammable materials.
- Have sufficient equipment & water to stop the fire spreading.

Never leave a burn unattended - stay for its entire duration.

**If it gets out of control, call triple zero (000) immediately.**

# SAPRA update

**THANKS** to all our hard working volunteers, our regular user groups and the Op Shop and Market income, SAPRA has been able to finance this significant investment in our community's building.

Welcome to Spring! It's good for the heart and soul to feel the warming welcome of the sun and hear the birds busy with their nest building. We are so very lucky to live where we do!

**Centre refresh.** New carpet in the entrance hallway and Buchanan Hall has been laid and it looks great! Lifts the space, makes cleaning easier and, we've heard it's made the area warmer too!

**Mental Health First Aid.** From the introductory session held in August, SAPRA is keen to partner with the Men's Shed on delivering this training for our community. Partnerships are productive!

**AGM.** The AGM has been set for Tuesday 9th November at 6pm. More details will be circulated closer to the time.

Thanks to Kirstie Judd for co-ordinating the project and Rick from Carpet Choices Hobart for looking after us. Next stage, replacing the lino in the Buchanan Hall!

**South Arm Newsletter** - volunteer appreciation time! Editor Wendy Polzin puts this fantastic community publication together and it's always a great read. Thanks also to Rae Calvert who is stepping down from her long-held task of co-ordinating the folding and distribution of the 1800+ newsletters each edition. It's a bigger job than we ever understood Rae so thank you. To those that are helping with these tasks now, thank you, and to all our volunteer folders who enjoy the social occasion at the Centre.

**Hope you enjoy the seasons ahead (even if they're all in one day!).**

## Let's keep the Peninsula safe

Following reports of recent dog attacks on animals living on property bordering popular walking tracks, one resulting in a person requiring stitches, it is timely to consider safe dog walking practices.

Unfortunately, even good natured, well-trained doggos are slaves to their natural instincts and, as has recently happened, cannot always resist their instinct to hunt.

So, to avoid possible embarrassment, injury, trauma or even fines or worse, please remember that the *Dog Control Act 2000* requires that all dogs be under effective control on a road, in a built-up area or any other public space where a dog must be on a lead. Effective control means secured and restrained by a lead (no more than 2 metres long) held by a person able to control the dog.

It doesn't take much to keep all creatures great and small safe and avoid hurt and heartache, so please do the right thing by keeping your dogs on their leads - simple, secure and safe!
