

SURF CLUB WELCOMES BACK ONE OF ITS OWN

Local clubs just love to welcome back their own, and recently the Clifton Beach Surf Club threw its doors wide open for Matt Bevilacqua. Matt just happens to be an Ironman (currently 3rd in the Nutri Grain Ironman Ocean6) and a role model for many in the club and much further afield. At 25 it wasn't that long ago since he spent Sunday mornings at Nippers.

These days Matt may have swapped the cool southern waters for something more tropical but that didn't stop him lining up for 6am board training with the troops.

Matt was very generous with his time (think selfies) and joined in the water session but not before he spoke to around 40 eager Nippers about moving to the Gold Coast when he was 17, what it takes to be top of his field, and about his recent adventure where he surfed the Tassie big waves at Shipstern Bluff on a custom designed paddleboard - an Australian first. To top off a great visit Matt donated the paddleboard to the club for safekeeping...but really to inspire those that will follow.

Surf patrol still operates until Easter at Clifton. Visit the website for all information about the club, venue hire, and the training and events calendars and more at www.cliftonbeachslsc.com.au

RAINFALL FROM AROUND THE PENINSULA

The December reading for Opossum Bay is Karen’s last and in her own words “here ends 52 years of Wheeler rainfall observation for Opossum Bay.” Karen has been keeping the rainfall readings since 2006 having taken over the role from her late mother-in-law Joan Wheeler who had kept the measurements since 1965. Luckily the new residents have agreed to continue the role.

Local volunteers...many hands

Did you know there are steady little bands of volunteers pottering about your community making South Arm the lovely area that it is?

In Opossum Bay we have a group who take pride in our public park. We weed, chat, prune and sometimes plant. An hour flies by and sometimes we finish with a coffee and cake.

In South Arm we have a group who get together once a month and work in the Community Garden. There are a couple of Wicking Beds there (the kind that suck moisture up through the bed from a well at the bottom) that enable veggies to be grown all year using minimal water. This garden is not just about veggies however, with the new pizza oven as centrepiece, we need your help to turn it into an inviting outdoor community space where groups can gather or have functions and entertainment. South Arm also has a small native garden and the group that care for that garden also keep an eye on the local verges.

Coastcare are preserving natural vegetation and making sure that weed plants do not take over our coastal reserves. We learn about native vegetation, rehabilitate through plantings and learn about managing weeds.

Can you help? Helping, learning and meeting people, we always welcome an extra pair of hands.

- **Coastcare** – 10am-midday on 2nd Sunday of the month – Robyn 0400 119 519
- **Opossum Bay Park** – 9am-10am every Wednesday – Richard 6239 9739
- **South Arm Community Garden** – 10am-midday on the last Sunday of the month - Jo 6239 9893
- **South Arm Garden** – 9am -10am every Wednesday – Andrea 6239 9158

Wow, what a generous community we have! Thank you for all the books, DVDs and magazines donated over the last few months – we're now looking for extra bookshelves to put them all on. Please hold off on any further donations until for now, otherwise we'll disappear under the "to sort" piles!

ST BARNABAS

Once there was a cross above the front door of the Church. At some stage it vanished and hasn't been seen for many years. Now, thanks to the Men's Shed, who made it, and Todd Dennison, who put it up, the cross is once again in place proclaiming the Christian message to the community.

Our community Carol Service, and the Christmas Day service were both well supported and enjoyed.

We are now back in the usual routine with a 4.00pm service, followed by a shared meal on the 2nd and 4th Sundays. Our Connect Discussion group starts again on 9th February, when we will have lunch together and no doubt talk about all that's been happening, as well as our plans for the year ahead. This will be at 3218 Main Rd at 11.00am. Anyone who would like to join us or know more, please ring Jane Beavan 6239 9244.

HIRE A SMALL ROOM, A BIG ROOM OR THE ENTIRE COMMUNITY CENTRE!

The South Arm Community Centre is the ideal venue for a training weekend, seminar or workshop, kids birthday party, business meeting, demonstration, special interest groups and is well experienced in hosting an exhibition!

Real Advice in Real Estate

ON THE AGENDA ...

Your community organisation

The New Year is off to a flying start with preparations for our Bee Market and BBQ and Bar at the local Jazz event well underway at the time of printing as well as following a number of other projects and issues.

Last year it was our own Bee Market that prompted the formation of the Tasmanian Junior Beekeepers and they're joining us this year to encourage local kids to learn about bees and get involved with hands-on experiences.

The Jazz Festival is off to Sandford Hall this year and is sure to be another great night of music. SAPRA is manning the BBQ and Bar with funds from the Bar going directly to South Arm raft replacement project (see page 9)

We were very excited to help the Iron Plot Community Garden funding, thanks to a grant from the Clarence Council, for the wood-fired oven and look forward to many a community gathering with some ingredients plucked from the nearby garden beds!

Thanks to Karen Kelly, the new Community Library has been a wonderful addition to the Centre and thanks to Maurice Potter, stories of the area's history are being told in the history room ((see page 4).

So much great work going on, it's inspiring and thanks all round. Please remember that SAPRA is the South Arm Peninsula Residents Association Inc and we are keen to

support projects and assist with issues across this area. Please contact me or any of our Committee (see p.2).

That's all for now folks, it's time to get buzzing for another Bee Market and tuning up the BBQ tongs!

COMMUNITY BUSHFIRE PROTECTION

Tasmania Fire Service's community education program, Bushfire-Ready Neighbourhoods (BRN), has been in the South Arm Peninsula area for almost 2 years and the time is near for BRN to move onto another high bushfire risk area of southern Tasmania.

The next few months is your last chance to invite Community Development Officer Lesley King of BRN to come along and chat with your group or neighbourhood about bushfire risk and your survival planning. You may be thinking of starting an emergency phone tree network for your street or need further detail about how to manage the bushfire risk around your home, this is something Lesley can come and assist with and of course your local TFS volunteer brigade continue to support local community safety.

You can call Lesley on 6225 8504 or email Lesley.king@fire.tas.gov.au. Useful bushfire planning resources and an online planning tool as well as factsheets, information about BRN community events and the link to the '67 Bushfires Storymap can be found at www.fire.tas.gov.au/brn.

SOUTH ARM & OPOSSUM BAY AND SANDFORD PLANS NOW AVAILABLE

If you haven't obtained your copy of the local Community Bushfire Protection Plan that identifies places of last resort known as 'Nearby Safer Places' then visit fire.tas.gov.au or free call 1800 699 000 for your copy. Hard copies also available at the South Arm Community Centre. See <http://www.fire.tas.gov.au> and follow the link to the community protection plans.

CELEBRATING THE NEW WOOD FIRED OVEN

PHOTO: Rae, Noelene, Bob, Andrea, Dick and Virginia

CALZONE - For our community oven

This is a pizza dough that freezes beautifully and is perfect for the new wood fired oven. Gather your favourite pizza ingredients - you might even be able to pinch something from the Iron Plot.

Ingredients:

- 2 tsp dried yeast
- 2 tsp sugar
- ½ cup warm skim milk
- 200 gms of thick natural yoghurt
- ¾ tsp salt
- 3 ½ cups plain flour
- ½ cup of Polenta

Method:

- Combine all dry ingredients in the processor or mix by hand
- Combine warm milk and yoghurt and add to the dry mix
- Knead dough by hand or with a processor
- Roll out and cut with a pastry cutter, mug or large cup
- Fill with the leftover pizza ingredients or make up your own

NOTES: Makes 12. You can fill calzone with anything you wish but always use cooked meat, as cooking time is fast and ingredients are only being warmed while the outside is cooking.

NEW BEACH RAFT FOR SOUTH ARM

As you may have noticed the raft on South Arm Beach does have a mind of its own on some days so a decision has been made to get a new one that is more obedient!

Designs are being drawn up and fund-raising has already begun through the donation jar in the South Arm Store. The Bar at the upcoming Jazz night at Sandford Hall (6-8pm, 21st Feb) will also be raising funds for this hugely popular community asset.

SAPRA supports the team behind the new raft and will be helping wherever possible. Donations can be taken at the South Arm Store or made via EFT – contact SAPRA Treasurer Gillian (see page 2). For further details on the raft project, contact Terry Hill on 0407 399 181.
