

## THINGS SWEET AT THE BEE & HONEY MARKET

The second South Arm Bee & Honey Market in February was another sweet success story thanks to organisation by Jenni McLeod and the support of the Southern Tasmanian Beekeeping Association and Junior Beekeepers.

Kids (and adults!) had fun extracting honey, watching the golden goodness drip from the honeycomb whilst outside tastings were giving everyone an insight into the wonderfully varied flavours of honey. As a result honey sales were very lively with many jars no doubt bought for the next day's crumpets!

Inside the Centre Jacqui's delicious honey-themed morning tea treats were being savoured and through the various displays, many found a new understanding of the importance of bees to our very existence.

Prospective beekeepers gathered information and chatted to local and visiting apiarists about what it takes to care for a hive of happy bees. The Junior Beekeepers Association (initiated as a result of last year's Bee & Honey Market) was also on hand to show that it's a great activity and interest for kids too.

We also raised \$200 towards the Bee Literate Tasmania project – a beautiful bee book written and illustrated by Tassie kids, for all kids. Thanks to all our ticket buyer and donors for this amazing result.

Plus of course, we had a range of other interesting stalls and food on hand, including artworks, plants of all kinds, jewellery, bargains, nick nacks and the new (and very tasty) hotdogs from Underdogs food truck.

With our Bee Market over, it's time to get ready for our May Harvest Market (see page 2). See you there with your big pumpkins and excess produce!

Maurice Potter has rejuvenated the meeting room at the Community Centre, with local history now adorning the walls. From the early settlers to more recent times, the stories and photographs of the Arm are now on display.

There are also some old papers from around 1940 (WWII time) which make interesting reading. Thanks to the generous donation of a beautiful cabinet, we're also looking for some small treasures to display – memorabilia like an old photo or an item used in the past. Maurice would love to talk to you about any you could share.

**Viewing hours:** currently Monday 10am to 12.30pm and Thursday 10am to 12, the same hours of the new Community Library.

So come and spend some leisure time with the hard working people who have made this available while looking for your favourite book or just come and chat with us.

## SOUTH ARM RAFT UPDATE

Plans for the new raft have been drawn up and SAPRA has applied for a grant from Clarence City Council for part funding. The local dive club has also confirmed it will be providing a significant financial contribution to the project along with expertise and considerable labour.

So, all in all, things are looking good for a new raft on our beach come summer, restoring a much loved and valued community asset.

At the moment there is a shortfall of funds so any donations will be most welcome. Donations can be left at the South Arm Store or made electronically – contact SAPRA Treasurer Gillian (see pg 2) for bank details. For further information on the raft project, call Terry Hill on 0407 399 181.

## ON THE AGENDA WITH SAPRA

### Your community organisation

Welcome to autumn, a lovely time of year on our Peninsula when the days still hold some warmth and the water is often mirror calm.

The Bee Market in February was wonderful (see report page 1) and preparations are underway for May's Harvest Market – hope you've been talking to your pumpkins in preparation! Thanks to Rae Calvert for organising this now traditional market that not only celebrates big pumpkins but can inspire you to use your excess produce in new and tasty ways.

For a variety of reasons, SAPRA did not take on the catering at the Jazz event at Sandford Hall in February but we believe the music was great. Hopefully we can welcome the event back to South Arm next year – perhaps we should pre-empt it with a bean-bag making workshop so we can all laze around Calverton Oval in comfort whilst taking in the tunes!

The wood-fired oven in the Iron Plot Community Garden now has signage with instructions. Please note that it's BYO wood and follow the advice on the signs. Please also consider others, including our neighbours, when using this facility.

The ever-active Maurice Potter has done even more work in our new History Room covering not just the early settlers, but more recent events as well (think cats and Blackjack Rock!). Well worth calling in – see page 2 for more information.

SAPRA has applied to Clarence City Council for grant funding towards a new raft at South Arm Beach – we all know how the old one had developed a little proclivity for wandering! Thanks to the local dive club and members Terry Hill and Ray Williams in particular, for their work on getting this new raft underway. (see update on page 3)

Our Community Centre has been going through much change over the last year or so and it's heart-warming for the Committee to see so many different groups now using it and bringing life and atmosphere to the place. It's also available for hire – see page 6.

Please remember that we are always keen to assist with issues and support projects which can include auspicing grants for non-incorporated groups. Please contact me or any of our Committee (see page 2).

Hoping you had a happy and safe Easter.

**ARM END UPDATE**  
**March 2018**

Work is continuing at Arm End. Following local weed works, onsite weed management works at the Southern end of the 121ha site.

The Weed Management Plan and Site Rehabilitation Plans have been approved by both DPIPW and the Clarence City Council. We have been conducting regular maintenance onsite, including rubbish clean ups and mowing and slashing the regular fire breaks and access ways.

We are progressing well with the approvals process for the reuse water pipeline from Blackmans Bay to South Arm Peninsula. We are currently in consultation phase with regulators and will soon hold a community meeting to outline the water pipeline concept.

The valuable irrigation-quality water will be available for the Arm End Public Recreation Reserve, as well as others who want irrigation water, including potentially farmers, the community oval and public garden spaces, as well as the Iron Pot Golf Club.

Arm End expects to gain final approvals in the next few months, which will trigger significant works on site at Arm End.

The complex planning process associated with the pipeline has taken considerable time, however, we are confident it is coming to a close now.

The social, economic and environmental aspects associated with the pipeline all stack up and the irrigation water will provide widespread benefits across the region.

When complete, the Arm End Public Recreation Reserve will provide the local and broader Tasmanian community, as well as interstate and international visitors, with a site that can be enjoyed for future generations, by all walks of life.

Arm End will provide long-term employment opportunities and be a public-private land rehabilitation that transforms Arm End into one of Hobart’s most valued recreation, environmental and tourism resources.

**RECIPE**

**Mexican meatballs with guacamole**

- ◆ In a little vegetable oil combine and cook: 1 medium brown onion finely chopped, 1 clove garlic crushed, 1 tsp ground cumin, 1 tsp ground coriander, 1/2 tsp chilli powder until soft.
- ◆ Combine onion mix with 750g beef mince and use hands to roll small meatballs—cook in batches.
- ◆ Combine a mix of crushed tomatoes (800g can) and Mexican-style beans (425g can) and bring to the boil before reducing the mixture to thicken. Return the meatballs to the sauce and simmer uncovered for about 10mins to ensure meatballs are cooked.
- ◆ Serve with warm tortilla wraps, sour cream, a little rice and a large dollop of guacamole (home made or your favourite brand). A really easy weekend dinner, and one to warm you up as winter approaches.
