### Three young apiarists share their inspiring story.

Hello my name is Elizabeth and I am writing on behalf of *A Bees Buzz*. *A Bees Buzz* is a business made of myself Elizabeth (10), my best friend Holly (11) and my little sister Olivia (8). We started our business because during our Junior Bee Keeping sessions we were learning about the problems of pesticide and plastic use while I was also studying the environment at school. I became inspired to do something to help in whatever way I could.

Then our Junior Bee Keeper mentor, Anita Long and other adult bee keepers taught us how to make wax wraps and lip balms. Because we loved making the products so much and because they help the environment we decided to start a business. We make sure all of our products are environmentally friendly. Our Wax Wraps and Produce Bags are 100% cotton and help reduce plastic pollution. It's not *A Bees Buzz* that reduces plastic, it is our customers who buy our products that help reduce plastic. Less plastic pollution results in happy bees.

## Men's Shed on the Peninsula

A meeting held in late June to discuss a local Men's Shed being established had a great response. John Bastick from the Howrah Men's Shed gave some insight into the set up and running process, answered questions and offered his help where possible. John also explained how positive the Shed has been for local men and the interaction and services they provide around their community. Wendy Kennedy, CEO of Men's Shed Tas Association, has also offered her full support and assistance.

## Talk to a doctor without leaving South Arm

Telehealth enables patients to interact with a doctor via a video linked conference call and it's long been used in rural/remote mainland areas. It's now available at the South Arm Community Centre thanks to local health professional, Kirstie Judd.

GP telehealth provides any medical service that doesn't need the doctor to physically examine the patient (noting there is a Registered Nurse on hand). Medicare doesn't subsidise this service currently, but this may change in future.

Practice Manger & RN Kirstie Judd has completed a Diploma of Applied Science (Nursing), and a Bachelor of Nursing (Monash). She has over 27 years experience in varied areas of health and in volunteer roles with Red Cross and Lifeline.

Dr Sharon Maja (MBchB, FRACGP, Executive MBA), has been practising medicine for 20 years. She is currently doing rural and remote locum services around Australia and is looking forward to caring for patients on our Peninsula.

# South Arm bands together for Speak up! Stay ChatTY

Thanks to all who came to the South Arm RSL & Community Club's inaugural Day on the Arm in late March and enjoyed music all day plus food and beverage vans.

It also raised funds for Speak up! Stay ChatTY & through door sales, donations from bar sales and patrons, just over \$1200 was raised.

Club President Craig Knibbs said "This event was about giving back to the community – it provided an enjoyable family-friendly day and also supported a cause everyone embraced."

South Arm RSL & Community Club Treasurer, Steve Hinton with James Rice from Speak UP! Stay ChatTY.

We had our first stall at the Bee Keepers Field Day in November last year. It was a very successful day for us and we nearly sold out of everything. We had our second stall in February at the South Arm Bee Market. We not only sold Wax Wraps and Lip Balms, but we also added Reusable Produce Bags, Multi Use Bee Design Zip Up Bags, Honey Joys and bunches of flowers.

We also had a donation jar on our stall for the Tasmanian Junior Bee Keepers. With the generous donations from the South Arm Community and the 10% profit A Bees Buzz donate from every stall we raised \$25 for the Tasmanian Junior Bee Keepers who have taught us everything. This money is helping to send three Junior Bee Keepers to Slovakia to meet with other Junior Bee Keepers across the world. If you would like to donate please visit [www.gofundme.com/tasmanian-junior-beekeepers](http://www.gofundme.com/tasmanian-junior-beekeepers). A Bees Buzz also has a YouTube channel where you can learn how to make our products to make at home.

We would like to thank Anita Long for all her helpful tips and advice. Louise Ims (Mum) for her help with all the sewing. Stewart Ims (Dad) and our Grandmothers for always being at our stalls, Jenni McLoud for all of her great ideas and everyone else for their support and donations.

# FAQs – South Arm Oval Landscaping

With the removal of the pine trees, Council has started the landscaping project so if you're curious about it, here's some basics:

**What plants are going in?**

Australian native species suitable to this location and landscape & selected for low water requirements with many for bird attracting and screening properties.

**Why are they small plants?**

Cost restrictions (large trees can cost \$100s/\$1000s) plus larger plants may fail because of poor moisture content in the soil and the heavy water use required to establish and sustain mature species. The watering regime of large established plants/trees simply isn't viable.

**Who's looking after them?**

For the first 12 months Council will be maintaining them then an assessment will be made on whether another 12 months is needed.

**Where's the water coming from?**

A separate water tank specifically for watering has gone in next to the Community Centre's existing tank. This will be filled by Council.

**Is the community involved?**

Everyone is welcome to help in watering the plants to help them establish and maintain moisture in the soil. The odd bucket of recycled waste water is most appreciated! Please observe the plant growth and let Council know of any major losses due to grazing animals or other causes.

# SAPRA Updates

**Welcome to winter!** Here's hoping the mix of wild, stormy weather and those crisp, still days has made you feel invigorated (albeit more appreciative of a roaring fire!). Speaking of the seasons - who's missed the raft at South Arm Beach? Don't worry, unlike the old one that sometimes took to wandering, our new raft is safely holidaying ashore and will be re-launched ready for summer (thanks Terry!).

It continues to be a busy time for SAPRA and our bustling Centre which has seen more renos and a brand new community health service set up.

**Expanding the Pot Luck Op Shop:** Thanks to funds from the Premier's discretionary fund, a new storage lockup was built (thanks Greg!) for large items. The Op Shop has moved into the former storage area and even makes use of the showers as changerooms! Come in, check out the range and grab an absolute bargain! Thanks to Lyn, Karen and the team.

**Telehealth service:** Talk to a doctor without leaving South Arm! We warmly welcome a new health service, see page 3.

**Defib:** Given the increased use of the Centre, SAPRA purchased a defib unit which our First Responders (CERT) have generously funded. Thanks CERT

**Maurice Potter History Room:** Have you seen this fantastic display yet? Maurice is always busy adding fascinating snippets (and whole chapters!) to our local history. Check out the Cat on the Rock photos!

**Iron Plot Community Garden:** It's blooming in more ways than just the plants. It's a place to dig, plant, harvest, weed, be social or just relax by yourself. Check the blackboard(s) for activities.

**South Arm Community Library:** thanks to Karen, Lesley and the team there's always fresh books and great reads.

**Connect on Facebook:** Did you know that SAPRA, the Community Centre and the Market all have pages? See our handy list of local FB pages below and get connected!

**Labyrinth:** Don't know what a labyrinth is or how to use it? Head up to Potters Hill and check out the new signage!

**Pizza oven table:** Andrew Eaton (AJ's Landscaping & Maintenance) kindly added a handy table beside the wood-fired oven in the community garden. Remember, the oven is for anyone in the community to use at anytime. Instructions are located on the oven so please enjoy!

**On the agenda:** We're still working a number of local issues and will be responding to the Premier's recent letter to SAPRA which discussed some of these. Our beloved Neck is still very much high on this agenda.

**South Arm website:** After some delays, work has begun on a new website for the Peninsula. Photos, local tips & information are most welcome – email [webeditor@southam.tas.au](mailto:webeditor@southam.tas.au).

Stay warm! Cheers, Kerry

## St Barnabas News

**Regular services** are still being held on the 2nd and 4th Sundays at 4pm with a small but faithful congregation. We also enjoy sharing a meal to follow, and would love to welcome more people.

On 6th Sept we will once again be packing **shoe boxes** which we do each year.

These are gratefully received by children who have absolutely nothing of their own. They may be in Refugee camps, Orphanages, or schools in deprived and needy areas. Last year we met a 16 yr old girl who had spent her childhood in a refugee camp; she told a moving story of how, when she received a shoe box it literally changed her life when she realised there were people she didn't even know, who cared about her and the other children.

If you would like to help, or would like to know more about it, please ring 6239 9244. Each box costs \$10 to process and send, so cash donations are also very welcome.

We have a **"Save St Barnabas" stall** at each South Arm Community Market. Donations of good quality items that link to the theme of the market each month (see page 3) and flowers, are always very welcome. If you would like to make donations prior to market day, please contact Rachel on 6239 9706 or Linda on 6239 9067.

Every 1st Saturday, starting approx 10 am a **working bee** is held to keep the grave yard tidy and other jobs. Helpers urgently needed there too! Even an hour or half an hour would help.

After 25 years our **Friday morning discussion group** is still meeting regularly, please ring 62399244 if you would like to know more.

Our **Rector Helen is due to retire** in November, after which there will probably be some changes. After nearly 130 years we hope this church will remain a well used, well maintained and much loved and needed part of this community for many years to come.

– Jane Beavan
