

Preparing for Summer Bushfires

As the warmer weather approaches all property owners should be making sure they have cleared away any fire hazards that exist on their properties. With the recent early season fire events interstate and the protracted fire season that occurred here in Tasmania last summer we all need no reminder of the high risk associated with summer wildfires and everyone should take all steps necessary to reduce the risk of fire in the landscape.

What steps can you take to prepare your place?

- Slashing and removing any long grass;
- Trimming and removal of overhanging trees;
- Clearing roofing gutters of leaf build up;
- Relocate wood piles so they are not stacked against the walls of your house;
- Remove rubbish or debris that may have accumulated near structures; and
- Clear any vegetation that may catch alight if burning embers or sparks land on your property.

Every property owner has this responsibility to make sure their assets are safe from fire and that any fire on their land does not escape to adjoining properties.

Men's Shed Update

Since last newsletter's update, there's plenty going on in the Shed department!

A bus trip to the Howrah Men's Shed on 27th July was a great insight into how they work, who uses them and what goes into them, literally! Then meetings held on the 21st August and 11 September drew good responses and prompted much discussion around the shed style and site.

Backing for a local Shed has been fantastic, with 50+ completed survey forms and there have also been strong letters of support received reinforcing the need.

If you haven't filled in a survey form yet, please email us or check local shops. (Regardless of your gender!)

What next? Discussions around design and location have begun, meetings with other Sheds have started to find out what worked for them and of course, a steering committee and working groups have to be formed. If you're keen on working on a specific aspect or have talents in a particular area, please let us know. Creating a Men's Shed is a team effort so all hands appreciated!

Bus trip to Channel Mens' Shed - Karen's bus is on the road to Margate on the 10th October. If you would like to join the research team, phone Robin below to book a seat.

Men's Shed enquiries: Robin 0408 446 249 or John 0418 670 857, or email : mensshed@southarm.tas.au

New Play Gear!

We would like to say thank you to Piggery Productions and our School Association for their contributions to our great new Play Equipment at South Arm Primary School.

The students have been loving the new climbing frame and our old swings were in great need of replacement.

Please support Piggery Productions again in 2020, they do a wonderful job and donate all of the shows' profits to South Arm Primary School.

Enrolments for 2020

"South Arm Primary provides an intimate school experience in a caring community setting. Set in a peaceful, semi-rural setting, the school provides a supportive environment in which students create positive futures for lifelong learning. Engaging STEM activities, inquiry based learning and the school's recent strong record of academic success are balanced by music, sports and a strong emphasis on values."

Please call the Acting Principal Sarah Hoban for an appointment or for any further information you may require.

SAVE THE DATE

SAPRA AGM + General Meeting

7pm THURSDAY 14th November

Find out just what SAPRA has been up to over the last year plus we hope to have updates from our First Responders, Tas Fire Service and other active groups. All welcome.

If you are interested in joining the SAPRA Committee, please email SAPRASec@southarm.tas.au or phone 0407 875 460 for details and a nomination form. It's rewarding, challenging, fun and a great way to connect with others in our wonderful community. Open to those who live and/or work on the South Arm Peninsula and are keen to be part of, and contribute to, an active community organisation.

Arm End Public Recreational Area + Golf Course Set to Open Mid-2022

We are now ready to move on to site after 10 years of approvals and appeals and confident that work will begin within three months.

This development was first proposed in 2009 with the first iteration approved by Clarence City Council in 2012.

The proposal has been slowed down by lengthy approvals and bureaucratic processes as well as appeals to the planning tribunal. Perhaps the biggest hurdle was finding the best solution to get water to the site. Earlier this year, a 6.8km pipeline to pump recycled water from Blackmans Bay (where it currently is being piped into the river) to the South Arm Peninsula was approved. That process itself took over two years.

This will provide high quality recycled water from TasWater's Blackmans Bay treatment plant across the River Derwent to irrigate the Arm End Public Recreation Reserve as well as local farms and properties should they wish.

We're glad to have successfully negotiated our way through the 10-year approvals process and are excited to start work on providing a site for all Tasmanians.

A touch of cricketing history too

The former Channel 9 commentary box from Bellerive Oval has been repurposed into the site's construction office and will also double as an information hub for site visitors. Suitable recognition to Richie, Bill, Tony, Ian and the team will be made!

What now?

The first stage of work on the Arm End site will involve environmental rehabilitation and quarry works, followed by construction of walking and cycling paths, the cafe and maintenance centre and delivering water to the site.

It's anticipated the construction of the pipeline across the river will take about six months, coming after six months of planning.

The final eight months of the two year project will be the construction of the 18-hole, public golf course.

Once the site is operational, it will initially create 25 jobs. There could also be training opportunities for TasTAFE students in areas such as horticulture and we hope to work with students of the local primary school as well.

Clarence Mayor Alderman Doug Chipman, said he was keen to see the project go ahead as soon as possible. "It's going to improve the amenity for people wishing to use Arm End in terms of walking trails and hopefully it will even open up the prospect of a ferry service for that region," he said.

This journey is all going to be worth it with the end result being a significant project that will benefit many. **Our vision was always, and remains, to deliver a place rather than just a golf course.**

— A.Mark Thomas | Director, M&M Communications

Did You Know?

That a time capsule was buried at the Community Centre when it was officially opened in 1996.

When should we open it and discover artifacts from times past?

Preparing for Summer Bushfires cont'd

What about burn offs?

In the past many people have turned to their local fire brigade to undertake burn offs of the grass and bush on their property as a way of reducing the fire hazard on their own land. In some cases this was seen as a training opportunity for the brigade, but the objective of a burn off is elimination of the fuel by burning and the objective of fire training is extinguishing the fire, so there is little training benefit to be gained. This is not something that the South Arm Brigade undertakes these days.

Alternatives to burning off are preferable, but property owners that are physically capable, can burn small areas at a time on their own land that should be fully extinguished before lighting any further areas. You should have adequate personnel, sufficient water supplies at the ready and only burn when weather conditions are suitable. It is also advisable to notify your neighbours that you are about to conduct a burn as there are Environmental Regulations regarding smoke generation and restrictions on backyard burning on lots less than 2000m² including what you can and cannot burn.

At all times you should always contact the Tasmania Fire Service on 1800 000 699 for advice and to register your burn with a start and expected finish time to avoid false call outs.

About Fire Permits

The Tasmania Fire Service will declare a Fire Permit Period when fire danger ratings are sufficient to cause risk if a fire occurs in the environment and restrictions are placed on the lighting of fires in the open.

Always contact the Tasmania Fire Service on 1800 000 699 and check the TFS website at www.fire.tas.gov.au for information and advice about safe burning and whether Fire Permits are required before planning any burn.

If a TOTAL FIRE BAN is declared then burning off is not permitted and all Fire Permits are revoked.

REMEMBER - PREPARE EARLY!

REMOVE YOUR FIRE HAZARDS NOW TO PROTECT YOUR COMMUNITY.

— Mark Smith | Brigade Chief, South Arm Fire Brigade

PipeClay Coastcare Working Bee Success

Team Cremorne was all action on the superb day of Sunday 15th September. The working bee organised by Pipe Clay Coastcare brought 45 people of all ages to start on The Spit Path 2.0.

It was an amazing effort with the local kids once again leading the way. A huge thank you to all the individuals and families – we're sorry we don't have space to name you here. Local businesses Jenkins Hire Quarry, Harmony, & Veronica Smith Catering were fantastic support along with Chris Johns from Council & John Easton our on ground works specialist and foreman.

Watch out on Cremorne news sites. We'll aim for a quick afternoon park and path tidy up before summer.

Free Defib Training

Sunday 27th October 11am – free 20 minute demo

See how this life-saving device works

There are at least 5 defibrillators in the South Arm/Opossum Bay area:

- Opossum Bay general store
- South Arm RSL and Community Club
- South Arm Wellness Hub (next to the Pharmacy)
- South Arm Fire Brigade
- South Arm Community Centre

These life saving devices are easy to use and should be accessed within 90 seconds of someone collapsing to preserve life.

Kirstie (Registered Nurse and qualified trainer) will deliver a free 20 minute demonstration of the defibrillator at the South Arm Community Centre on Sunday 27th October at 11am. If you want to attend, please text your name to 0426 821 530.

If you can't make it this time but are interested in another date / time, please text a request.

– Kristie Judd | 0426 821 530

End of an Era

The South Arm Community Market will cease to operate beyond 2019. The market has been a lovely community event for the past 15+ years. Markets are becoming more challenging to arrange - the rise of social media & online sales platforms, bypassing the need for small business operators to attend markets.

The SAPRA committee and others in the community have some exciting plans for events in 2020. Stay connected to the 'South Arm Community Market' Facebook page as it morphs into the 'South Arm Community Events' page. We plan to stage some wonderful culinary gatherings, entertainment events and themed festivals on around the Community Centre and Calverton Oval precinct and will promoting other fabulous Peninsula events on this page too.

BUT - there are still 3 more markets to go! October is Children's Market, November is Car Boot and December is Christmas - please support them as we farewell the market & evolve our community events.

We thank stall holders, visitors & residents for their support of the Market over many years, & we hope you'll be pleased with the changes in store for you.

Happy 30th and a Big Thank You

We'd like to pay tribute to those who have worked so hard over for our community over the last 30 years.

SAPRA's inaugural Committee was held on 18th April 1989 with these brave souls being elected: Neil Buchanan, Jill Calvert, Rick Cuthbertson, Michelle de Quincey, Barry Duncan, Noela Foxcroft, Richard HamIn-Harris, Bryce Harvey, Ray Leonard, Annette Potter, Phillip Read, Dawson Smith, Trish Smith and Bob Verrier.

To you, and to all those who have followed, contributing their time, expertise, sweat and laughter, we thank you.

Together we have all achieved so much for the place we love.

Over coming months at the Community Centre, on our Facebook page and in the next newsletter, we'll be bringing you more of our history because it's your history too.

— Kerry Scambler | President, SAPRA | 0407 875 460 | SAPRAPres@southarm.tas.au

SAPRA Updates

Welcome to Spring and those wonderful days of sun, wind and hail followed by some warming sunshine. We're wondering where the year has gone but when we review the next meeting agenda we know just what has kept us busy!

Maurice Potter's History Room:

At the time of writing we're planning the official opening by Mayor Doug Chipman on the 3rd October. It will be a great opportunity to honour the hard work of Maurice Potter and celebrate the history he's preserved and displayed.

Wood-fired oven

With the sun in the sky for longer in the evenings, why not try out the oven in the Community Garden? It's for anyone in the community to use at anytime. Instructions are located on the oven so please enjoy!

The Pot Luck Op Shop

Wow, it's had a makeover is looking in great shape with everything so organised. Bargains are even easier to spot and it's open extra hours now as well.

Iron Plot Community Garden

Looking fantastic thanks to a small band of folks enjoying the chance to dig, plant, harvest, weed and be social.

Why not join them or just relax in the greenery by yourself. Check the blackboard(s) for current activities.

On the agenda:

We're supporting the proposed Men's Shed and think it's a great opportunity to expand the social engagement opportunities in our community.

We love the ethos of providing a safe and welcoming place for men to work shoulder to shoulder or just enjoy a coffee and a chat.

As always, if you have a project or issue you'd like to discuss with the Committee, please get in touch. Enjoy that fragranced spring air! Cheers, Kerry

— Kerry Scambler | President, SAPRA | 0407 875 460 | SAPRAPres@southarm.tas.au

SAPRA Memberships Now Due

For just \$2 you can show your support for our active community association. Our volunteers spend countless hours on building a more vibrant and connected community through activities & services.

By joining SAPRA you'll be backing not just the work the Committee does behind the scenes on a myriad of things, but supporting the volunteers who run the

Library, Op Shop, Market, History Room, Community Garden, Community Bus etc.

Membership forms at South Arm & Opossum Bay Stores or email saprased@southarm.tas.au.

For just \$2 a person, surely it's a bargain as good as you'll get the Pot Luck Op Shop?

Never the time to get things done?

St Barnabas News

There have been no further developments regarding the proposed sale of our church. All we do know is that there is still a need to be raising money so that we are prepared.

A busy day happened on 6th Sept when several people packed 84 shoe boxes, ready to be distributed to some of the world's most under privileged children.

A big thank you to all who provided the necessary items, and money (\$10 per box), for the processing. (we are still short of some of the \$810 needed)

Our Rector, Helen Philips, will be retiring in November. We thank her for her services and hope she will enjoy many happy years of retirement.

Rev Neil Vearing will be our locum for a while.

The usual pattern of services - 4p.m - on 2nd and 4th Sundays continues. Everyone is welcome to the services and to the meals that follow.
