

South Arm Peninsula News

Vol. 10, Issue 6 | December 2020 - January 2021

Bumper issue!

Thriving South Arm Market!

Picture a warm sunny day, the lazy lilt of a busker singing tunes and strumming his guitar. Stalls and gazebos as far as the eye can see. Happy patrons wandering around munching on various culinary delights or waking up with a hot coffee. Watch faces light up in recognition of friends long not seen, stopping for a well overdue chat. Feel the community. Hear the laughter. Check out all the goodies you can purchase! !

Not only is the South Arm market back, it is thriving. Both in the vast number of outdoor stalls and with the magical feeling of connection and community it provides. The latter valued more than ever in these covid times. Seriously, how lucky are we?

Of course all of the above magic doesn't just happen. The market team put in what can only be described as herculian efforts both in preparations and hands-on muscle/elbow grease on the day. We thank them for their time and commitment.

What is available at the market?

The November market saw stalls from as far as Margate and Glenlusk. Wares included stunning handcrafted wooden items, the beautiful "flamingo"

brand greeting cards, all variety of plants including succulents and natives, loads of handcrafted goodies be they sewn, knitted or crocheted, hand made jewellery, Hmong vegies and more!

Mongrel Sox are rumoured to be coming to the December market, along with garden art and of course we must not forget the Lego man. Plus a few bric-a-brac stalls for that second-hand bargain.

If food is more your thing, the market has you covered. Inside you'll find Jacky's corner - yummy cakes, pies, pulled pork rolls and a revitalising cuppa. Fresh and cooked seafood will be available. Outside we have a coffee van, a pasta van with a yummy variety of sauces, and of course the ever reliable RSL folk on the BBQ so you can grab a snag.

If you haven't already, mark the South Arm Community Market in your diary - first Sunday of the month. The December market presents an excellent chance to choose that unique Xmas gift.

For updates and photos from our photographer Sammy-Jo, follow us on Facebook. PENINSULA!

– Lisa Apted

Opossum Bay park

Have you visited this lovely little park recently? Lawns, BBQ with shelter, a good childrens play area and a nice garden bordering it. The garden itself is maintained by volunteers and Council cares for the lawn, BBQ and play area. It's a great combination that has produced such a pleasant park.

We would love a few more volunteers! We meet 9am every Wednesday morning for an hour's light work. Come and join us anytime you can - no comitment, just turn up, or contact Rae.

The mauve bottle brushes are flowering magnificently this year.

- Rae 0417 555 175

Rainfall on the Peninsula

	Cremorne	Opossum Bay	Sandford	South Arm
Sep	23.3mm	26.2mm	29.0mm	20.0mm
Oct	87.8mm	96.6mm	95.1mm	65.2mm
2020 Year to Date	524.75mm	535.3mm	562.0mm	402.2mm
2019 Year to Date	283.0mm	294.6mm	304.8mm	235.4mm

In Cremorne, Geir notes this was the wettest October he had recorded since 2009.

Men's Shed Update

AGM & Shed design

Our very first AGM was a great success with 30+ members (socially distanced!) of course! all eager for an update and the all-important shed designs.

Two options for the Shed were presented by local Marc Walther, our Building Designer (and Shed Member). Members then voted to progress plans for a timber shed, agreeing this was the best option aesthetically in the setting, better for acoustics and not forgetting the comfort of Shedders themselves!

The final design is being finessed in consultation Council before presenting to the community.

A fundraising target of an extra \$15,000 in the kitty by March has been set and challenge accepted. Stay tuned for fun events and a special raffle!

Queries - Robin 0408 446 249 or Steve 0419 339 415 or mensshed@southarm.tas.au

Founding membership only \$10

Forms at South Arm Store, Community Centre or www.southarm.tas.au/index.php/mens-shed/

Wishing you a Merry Christmas!

Thankyou to everyone looking after your 'patch'.

What to do this Summer: Deep water new plants, particularly those on the dunes; Pull out a weed or two a you walk the Spit Path.

How mulch do you love the Cremorne Beach Reserve?

The park needs a bit of end of year maintenance.

Wanted: 10+ people to mulch beach reserve (1 hour)

Why? Conserve water for plants during summer, suppress the weeds and keep it tidy.

When? Sat 5th Dec, late in afternoon (TBC) BUT can fit time around availability.

It will be mulch appreciated!

Call 0434 499 730 or jp@pipshy.com

- Jodie Presnell | Pipeclay Coastcare Group

Thankyou & Merry Christmas!

Thankyou to the many special people in our community who volunteer their time and energies in countless ways.

Life on the Peninsula is so much richer because of you!

School holiday programs

Youth Services will once again be offering a school holiday program this Summer for young people living in the Clarence Municipality. We outreach to South Arm each term and would love to welcome new faces!

Events on offer within the program can include excursions and activities such as: Surf school, Movies, Laser Tag, Bowling, Sport & Rec PLUS SO MUCH MORE!

South Arm Primary School

Students at small schools develop strong relationships with their peers and their teachers in an environment where they are known and appreciated as a whole person, not just a classmate or student.

These close peer relationships help students in small schools feel safe and included, regardless of their differences.

Strong student-teacher relationships help students feel comfortable taking risks both academically and socially and can lead to greater social-emotional development.

If you would like to find out more about your local school, please give us a call and arrange a tour.

Warmest Christmas wishes to everyone on the South Arm Peninsula. Stay safe this summer.

Alderman Heather Chong
Deputy Mayor, Clarence City Council

Vale Pam Larkins

The many in our Peninsula community who knew Pam well are heartbroken at her sudden passing in late October.

It seemed impossible that just hours or days before, we were chatting with her, catching up on news of family and friends, discussing her latest RSL and other projects – as we often did.

She and Morrie were SAPRA members and supporters over many years, managing the market and generally helping out wherever needed. But it was the South Arm Art & Craft Exhibition that brought many of us together. Initiated by Pam and supported by Cheryl Talbot and I (and Morrie of course!), six exhibitions raised over \$22,800 for Legacy, a cause very deep in Pam's heart. It was hard work but we showcased some amazing artwork, made some lifelong friendships and thoroughly enjoyed the social aspect of it all.

Pam was resilient, forever active, straight talking and always ready with a smile and a laugh despite the challenges she and her family faced from time to time.

SAPRA has made a donation to Legacy in Pam's name.

To her family and her many friends, of all ages, here and beyond, we share your grief but know we are all better for having had Pam in our lives. She has gone too soon but was active in her community, strong and fiercely independent to the end. Pam, you will be forever loved and missed.

- Kerry Scambler | SAPRA President and friend

Pamela Edith Larkins (Pam) was an Affiliate member of South Arm RSL Sub-Branch who joined our ranks to unselfishly give of herself in the areas of RSL service.

Pam joined our ranks through her husband Morrie who served in the Defence Force, and, in so doing committed herself to the RSL tradition of unselfish service to the disabled and the bereaved and the maintenance of the highest ideals of citizenship.

Pam was born on 14 May 1937 and was sadly taken from us on 28 October 2020.

Pam was a beautiful person and a wonderful wife, mother, grandmother and great grandmother. She was also a wonderful friend to so many.

Pam was a tireless worker and member of the South Arm RSL Sub-Branch, the South Arm RSL & Community Club and a tireless worker for Hobart Legacy.

Nothing was a trouble for Pam. An enthusiastic and committed Sub-Branch Committee Member, Pam previously held the position of Secretary.

She was so supportive, loyal, unselfish and tireless, to touch on a few of her qualities. Above all Pam was loving and giving and as a result Pam was widely loved and respected, deeply admired and held in the highest regard by all who knew her.

Pam will be greatly missed by the South Arm RSL Sub-Branch, the South Arm community and the wider community.

Rest in Peace Pam.

"Lest We Forget."

- Mike Gallagher | President
South Arm RSL Sub-Branch Inc.

SAPRA update

This edition starts with a heavy heart with the sudden passing of a much-loved community member, Pam Larkins. Please take a moment to read the heart felt tributes opposite.

Moving on. Our local historian and all-round lovely gentleman, Maurice Potter, is moving to Queensland to be with his family. His legacy is recognised with the History Room and he has entrusted much of his research with SAPRA. Thank you Maurice for everything and for being you – we'll miss you.

Market - WOW! You couldn't have missed this report on Page 1! November turned on a splendiferous day and the result was a sea of smiling, happy faces – good for the soul and for our community. December is shaping up extremely well and with potential new regulations, volunteers will be needed. Contact the market organisers.

Local Community Bus. We're researching the need for and potential use of a bus based here on the Peninsula. If your group – whether formal or a family/friendship bunch – might use a bus, please contact me to give an expression of interest or detailed feedback.

Helping other groups. If you're part of a small, unincorporated group working on community projects, please remember SAPRA can auspice grants on your behalf. We do the admin, you achieve your goal!

Care pack deliveries: have now been wound back. A huge thank you to Karen Kelly, Jacquie Stevens and volunteer packers and deliverers for their work over many months. Feedback proved the deliveries much appreciated on so many levels.

Bingo. It's eyes down for some fun at the Centre thanks to Kirstie and her small volunteer crew – see page 11.

AGM & General Meeting: Once again the many activities and services SAPRA and our other wonderful volunteer groups are providing for the community were showcased. Visitors and locals alike are always amazed at the depth of work and the spirit of goodwill in our area.

Sadly we farewelled Karen Kelly, Beth Cooke and Lyn Aylett from the Committee due to family and other commitments. We thank them for the work and are glad they're all happy to assist as volunteers where possible.

Our smaller committee is currently:

President: Kerry Scambler

Treasurer: Gillian Waldie

Secretary: Kirstie Judd

General Committee: Bree Hunter, Sharyn von Bertouch and Noela Foxcroft.

New members will be sought in coming months so if you're interested in joining our merry band, please contact us.

As the national borders open and we all tread carefully into this 'new normal', please, look out and look after each other. Comply with the rules and we can get through this.

The SAPRA Committee past and present wishes you all the best this festive season and for 2021. We hope you relish your time with family and friends this festive season and reflect on how lucky we are to live in such a beautiful, varied landscape and within a vibrant and caring community.

– Kerry Scambler / President, SAPRA

South Arm Convict Trail

Follow the South Arm Convict Trail and learn more about the men and women who settled the South Arm Peninsula.

These are the convicts assigned to William Gellibrand who received the first land grant of 2220 acres at Arm End with ten convicts. William was known for the care of his convict servants, providing them with a comfortable hut and clothing that did not distinguish them as prisoners.

His grandson George followed with a list of pass holders from 1848 to 1852.

The Trail

The Trail, a SAPRA initiated and managed project is a series of 14 interpretative signs. The start and mid points provide general information and each of the 12 signs along the Trail tell the story of an individual convict.

Starting at the BBQ near the South Arm Community Centre in Calverton Place, it runs along the multi-use path to the Opossum Bay Park, just past the shop.

Download the South Arm Convict Trail brochure and map which also includes details of the Gellibrand Vault. (<https://bit.ly/3fhgkc3>)

Follow the trail then read more about the convict men and women here - <https://bit.ly/3kPmcud>

There's a mozzie invasion – but you can help control it!

- Empty still water from those old car tyres / plant pots / other items around your property.
- Clean up around your dam/s to increase flow.

These simple measure can help you and your neighbours have a mozzie-free summer!

St Barnabas Church

In Psalm 100 we are exhorted to *“sing to the Lord with joy, and come before him with thanksgiving”*. There is quite a cheerful noise at St Barnabas on Sunday mornings at 10am and plenty to be thankful for, especially at the moment. We are also thankful that we have a new young minister, Jamie Bester, with his wife Claire and 4 young children. He is hoping to get to know more of us and get involved with our community.

Community Carol Service is planned for Sun 20 December

A big thank you to everyone who has helped with shoe boxes this year. We have so far dispatched 76 boxes.

We take this opportunity to wish everyone a happy, holy and safe Christmas and holiday period

- Jane Beavan.

Soft plastics recycling – new collection point

SAPRA is now providing a local drop-off point for SOFT PLASTIC waste.

If you already recycle your soft plastics, well done, keep doing what you're doing! If not, then consider getting involved. You'll find the large bright blue soft plastic recycling bin in the Iron Pot Community Garden at the Community Centre. Comprehensive lists of what can and cannot be recycled are available on the REDcycle website www.redcycle.net.au/.

Here are a few tips to become an expert recycler:

- ensure your plastics are dry as wet plastic creates a mould problem for the processors
- materials should be empty and dry (a few crumbs or a bit of dried gravy is ok)
- small paper labels are okay but A5 and larger labels need to be cut or peeled off
- leave lids on yoghurt pouches to prevent squirts!
- no compostable or bio-degradable bags

The RED Group is behind soft plastics recycling in Australia. The collected plastics are being recycled into products such as benches, decking, signage and mini wheel-stops, and can also be blended with waste printer toner to create a high-grade asphalt additive. Visit www.redcycle.net.au/ for the story.

This is a great new service and thanks go to Karen Kelly for initiating it and sourcing the bins.

Some common recyclable soft plastics include:

Some items that cannot be recycled in the soft plastic bin:

- ✗ Plastic bottles / containers
- ✗ Paper / cardboard
- ✗ Glass
- ✗ Tin cans
- ✗ Rubber
- ✗ Punnets / biscuit trays

Make a 5 min bushfire plan

Choosing to leave or stay when a bushfire threatens is too late. You and your loved ones' safety and survival during a bushfire will depend on how prepared you are, and the decisions you make. TFS has a new online tool to help you create your **5 MINUTE Bushfire Plan** in 3 easy steps.

Your 5 MINUTE Bushfire Plan can be easily shared via email, printed out or saved as a PDF. It is then ready when you and your household most need it.

<https://bushfire.tas.gov.au/my-bushfire-plan>

Changes at South Arm Fire Station

The last few months have seen some dramatic changes at the local fire station.

With the help of a small grant from Julie Collins MP and the Federal Government, and a huge amount of time and effort from our local volunteers, we were able to update most of the station to make it more user friendly and safer. Changes included installing a ceiling, insulation, proper lighting, carpet in the office, and an entire new paint job (ceiling to engine bay floor). We were also able to update some office furniture and add to our first aid and navigational equipment.

The station now has a full contingent of members, with six new members being put through their basic training courses at Cambridge, a few incidents, and regular training at the Station. They probably didn't realise upon joining that there would be so much painting, sanding and building involved!

Some of our experienced members have stepped back from operational duties, offering logistical support behind the scenes. I know the community joins me in thanking them for the generous time and effort they have put into the station over the years to keep our little community safe.

You may see us around more often - training our new members, becoming familiar with local risks and procedures, or testing various water collection points and occasionally test pumping at a boat ramp to ensure a speedy supply of water if needed.

Whilst Spring has been wet so far this year, already we have attended a small grass fire, which gives us a good indication as to what we can expect in the coming months, so pay attention to the hazards around your own property and clear them away

Before lighting any outside fire, please ring 1800 000 699 to check if you need a permit, and also to register the fire to ensure we are not called out by mistake. When you ring this number, you speak with the TFS control room, and they can advise you of any dramatic weather changes predicted, organise a permit officer to assist you, and document the burn on the website.

- Mark Smith | Brigade Chief, South Arm Fire Brigade

Community Church of St Barnabas – South Arm Inc.

A board of management has been established that possesses the corporate, business, financial and governance skills required to manage St Barnabas going forward:

Director / Chair	Terry Roe
Deputy Chair & Secretary	William (Bill) Linton
Finance Manager & Public Officer	Wally Lynne
Cemetery Warden	Rachel Todd
Committee	Norm Davie
	Richard Holland
	Linda Roe
Spiritual	Jane Beavan
Grounds Maintenance	Paul Davidson

The board has been successfully working towards:

- Complying with all relevant government regulations, and in particular, the *Burial and Cremations Act 2019*.
- Ensuring the Diocese's church and cemetery management expectations are met.

Some important issues completed by the board are:

- Registered the name 'Community Church of St Barnabas – South Arm Inc.'
- Developed a Constitution.
- Adopted a Vision and Mission statement.
- Completed a cemetery and columbarium audit.

The board is expecting a meeting soon with the Project Manager – Redress Scheme, Anglican Diocese of Tasmania, to announce a date early in 2021 for the deconsecration of St Barnabas Church and completion of the sale to the community.

We can now invite community members to become involved in the life of your church. You can:

- **Become a member of the Community Church of St Barnabas – South Arm Inc. for only \$2.**
- Join one of the sub-committees.
- Donate towards the ongoing maintenance and upkeep of this historical church & cemetery.

Donations welcome into this bank account:

Bank:CBA BSB: 067-103 Acc: 10696070
Community Church of St Barnabas – South Arm Inc.

**We welcome your feedback and suggestions.
Remember this will become a community church,
and will be a spiritual centre for the community.**

– Terry Roe JP | 0400 140870 troey1@bigpond.com

Arm End update

This month, we continued the revegetation program, planting 800 Drooping Sheoaks that were propagated by Pam and Dennis Richardson. Drooping She-oaks were the original and dominant coastal tree onsite, pre-European settlement.

Pam and Dennis have committed hundreds of volunteer hours to propagate the trees from locally-sourced seeds. At our recent planting day, Jenni McLeod (The Bee Collective) and our weed management contractor Jake Robertson (Eco Works Tasmania) assisted me and Nigel Palfreyman.

We have an extensive planting list with a variety of native fauna which existed at Arm End before the land was cleared for farming over 150 years ago.

Arm End's Nigel Palfreyman, Jenni McLeod (The Bee Collective), Jake Robertson (Eco Works Tasmania) and Arm End's Craig Ferguson on the planting day.

Our weed eradication program continues successfully across the Arm End site, with the African Boxthorn and Serrated Tussock under control, but we also need to keep on top of the Cape Weed, now prevalent across Tasmania.

The South Arm water pipeline construction of the pipe lengths will begin at the end of this month and continue through December.

The pipeline will provide water to the western part of the South Arm Peninsula including the Iron Pot Golf Club and the South Arm Community Club & RSL. We will also provide on five access points to for the South Arm Volunteer Fire Brigade with unlimited water and good pressure.

Arm End will provide this infrastructure free of charge to benefit the entire South Arm community.
