

Scholarship offered for first year traineeship, apprenticeship or uni in 2019

Luke Young (1988 – 2009) was an inspirational young man, respected by all who knew him in South Arm and beyond. He was also a promising golfer who upheld the values of sportsmanship. His life was cut short by a tragic car accident that took his life and that of his mother Julie.

The South Arm RSL & Community Club, with the kind permission of Luke's family, honours his memory through an annual scholarship of \$2,000. It will be presented to one young person per year to help with costs of their first year of further education (eg University, TAFE etc) or an

apprenticeship/traineeship.

If you, or your parent(s), are members of the Club, and you are starting further studies in 2019, you are eligible for this assistance. Simply fill in an application form and write a submission (approx 250 words) about the course you are taking and what financial support would mean to your first year of studies.

For an application form and further details email the Club Secretary:
secretary@southarmrsl.com.au

Applications must be received by 31st January 2019.

Dance Halls Days success

Clarence City Council's newest event, Dance Hall Days, was presented in six halls around the city.

People of all ages, from eight to 80, danced along with instructor Hannah Vermeulen to some classic all-in dances from the 1950s to today. This included Nut Bush City Limits, the Time Warp, the Cha Cha Slide, Hokey Pokey, Heal-Toe Polka & the Pride of Erin.

Free dancing was encouraged in the breaks and some great demonstrations of the Fox Trot & classic rock and roll dancing could be seen.

At Calverton Hall, the Save St Barnabas Working Group provided the supper and bar, raising some much needed funds. The largest audience was at Sandford Hall on 10 November with 90 people taking part, while 60 attended Calverton Hall on 23 November.

The nights were considered a great success with patrons calling for "more nights like this".

Get ready for the bushfire season

With spring upon us, it is time to start thinking about getting our bushfire survival plans ready. This year, we encourage everyone to take a moment to think about what has happened with the bushfire tragedies in Greece, North America, and the early start to the bushfire season in NSW.

This is a sad reminder of the critical importance of planning for the risk of bushfire. When you are developing, rehearsing and sharing your plan with your family, think about putting together an emergency kit. What do you need in it? What are the important things you can have ready to go? Items like:

- wallet/purse with money and credit cards
- medications, toiletries you might require
- phones and chargers
- emergency contact numbers/details
- birth certificates, bank details and other important documents
- photos and significant personal items
- water, food and clothes for the trip or if you get stuck somewhere
- first aid kit
- portable battery operated radio
- items for any pets including cat carriers, seat belts and leads for dogs, food, water and any medications for animals, and be sure your pet is wearing an identification tag.

It only takes a small amount of your time to assemble your kit and have it ready to go by your door, or even in the boot of your car. As we reflect on the stories of loss in Greece and North America, it is a reminder of how ferocious and unrelenting a bushfire can be. Help yourself, your family and your loved ones and get ready now.

See the BRN Emergency Kits Fact Sheet - <https://bit.ly/2TDQBza>.

Cremorne quiz night

So many bright sparks again at the Cremorne Quiz Night – but participants shined in so many ways other than trivia. There was fierce competition in speedy chip eating, Mona Lisa forgery and most memorably contestants strutted their stuff in air guitar.

A huge thank you to all those who donated prizes as this meant many could share the fun, Clarence Council's Quick Grant, to all the behind the scenes work, Cremorne Bowls and Community Club, Our fabulous Quiz Master and to all our Quizzers.

The night was a huge success with around \$1,500 raised. This will largely contribute to the Boating for Brains initiative - raising funds for the position of a specialised neuroscientist for the management of brain scans in children with epilepsy at the Melbourne Royal Children's hospital. Remaining profits to the Cremorne Community Group to support on-going community engagement.

South Arm Raft update

At the time of writing, our brand new raft is making the trek from the big island to a brand new home in paradise. Woo hoo!

After discussion with those involved with this project, it was decided to purchase a manufactured raft. It's weight and construction making it much easier to manage and maintain. This decision raised the budget considerably but thanks to a generous contribution of \$2,700 from the South Arm RSL & Community Club, we were able to place the order.

We're hoping that by the time you read this, the raft has tied the knot with that very attractive mooring and is now meeting the local kids!

Thanks again to the RSL & Community Club Committee for their contribution and to all those involved behind the scenes for bringing an iconic South Arm passtime back for Summer.

Wood-fired oven at the Community Centre

The community is welcome to use the oven located in the Iron Plot Community Garden. You too can enjoy home-made pizzas as attendees at the AGM did!

Please follow the instructions, BYO wood and non-kerosene firelighters and be aware of neighbouring properties. It warms up in about half an hour giving you time to get your pizzas, bread or roasts ready!

The oven was purchased with the assistance of a grant from Clarence City Council, donations from the South Arm Garden Club and Iron Plot Community Garden and the support of SAPRA. Thanks also to the volunteers made it all happen and Dick Vaughan for the excellent idea and project management.

MAST - Marine and Safety Tasmania

A good day on the water depends on preparation before heading out.

It is a good idea to plan your trip and to check all your gear prior to leaving home. There are some useful check lists on the MAST website to aid you in your preparation. (<https://www.mast.tas.gov.au/recreational/preparation-checklists/>)

Don't forget to include your crew in your preparations. The more you do beforehand, the more enjoyable your day on the water will be.

Community shines again at SAPRA AGM & general meeting

It was a full house at the Centre on Tuesday 20th for the AGM and General Meeting. Community members were joined by new and continuing local Councillors, Ralph Doedens from Crime Stoppers and representatives of local MPS.

The AGM was a short formal affair with the new Committee appointed for the next twelve months. The group listed on Page 2 is joined at meetings by Calverton Hall representatives Noela and Joan along with Stuart Lord from the School which all makes for lively and interactive meetings! (As you can see we have a vacancy for a Secretary so if you're interested, please do contact me!)

The agenda for our General Meeting was enlightening for many with so many active community groups and projects reported on. These included:

- South Arm Fire Volunteer Brigade
- South Arm Community Centre
- Iron Plot Community Garden
- South Arm Community Library
- South Arm History Room
- Pot Luck Op Shop
- South Arm Newsletter
- Community Bus

- South Arm Community Market
- South Arm Raft

We also heard a report on St Barnabas Church & Cemetery where the decision about its potential sale is expected in early December.

The formalities were followed by Jacky and Andrew's fabulous wood-fired pizzas – we can certainly see the oven getting a bit more use over summer now! (Open to the community, see page 4)

All in all it was a very positive and joyful evening with everyone impressed with the sense of community and can-do attitude. It's clear that when everyone contributes what they are able to, great things happen. We can't wait to see what can be achieved in 2019 when SAPRA will be celebrating its 30th birthday!

The SAPRA Committee wishes everyone on our beautiful Peninsula a festive holiday season full of fun, family and laughter. We hope you all find joy in the beautiful place we live in and the wonderful people who share it and we look forward to serving you in 2019. Please stay safe and look out for each other.

Here's cheers!

Calverton Hall and Oval update

Quiz held on the 20th October raised \$895 for the Save our Church Fund.

Housekeeping - Recently we found that only one plate of the BBQ was working. It was a very simple problem which has now been fixed so all is well. Hall tea towels are clearly marked but they do have a habit of disappearing. If you have any please return them to me c/o the shop or to Noela Foxcroft.

Bookings for the Hall or Oval should be made with Joan Griffiths. Prices are very reasonable.

The beach reserve looks great and the clean-ups always needed. 2019 will kick off with Clean Up Australia Day.

Some memorable quotes for our volunteers to say thanks for your time and to know its been well spent:

*"Someone's sitting in the shade today because someone planted a tree a long time ago."
(Warren Buffett)*

*"The best time to plant a tree was 20 years ago.
The second best time is now." (Chinese proverb)*

We wish everyone all the best for the Festive season and summer period. Should any of you have time to drop a bucket of water or two down on the new plants at the beach reserve – wonderful! Please get in touch if interesting in getting involved.
