

St Barnabas Church to be sold to our community!

Wonderful news - our 129 year old church will become the Community Church of St Barnabas - South Arm.

A recent decision by the Trustees has cleared the way for the sale of the church to proceed. A new contract is expected from the Diocesan Redress Team in coming weeks. St Barnabas will become a community church as the community had hoped.

Meanwhile the church will continue with regular 10am Sunday services, where the congregation is slowly growing. After the service there is always the opportunity for some lively conversations in the Hall - a good way to make new friends over a cuppa.

As it will now soon be OUR church, we hope the community will rise to the occasion and use the church and the hall. Both will be available for hire and of course for all the usual rites of Baptisms, Marriages and Funerals.

A big thank you to all the community members who attended regular working bees to keep both the church and cemetery looking cared for.

Two important services this month -

Community Carol service - 7pm, Sunday 19th Dec

Christmas Day service - 9am

- South Arm Community Church (Inc) Board of Management

Operation Christmas Child Boxes

This year we've packed and sent 98 boxes of toys and essential items for refugee children, and those who have nothing or very little. They are headed to Fiji and Papua New Guinea where they've suffered from cyclones, and rising water is a constant problem. A big thank you to everyone who has helped to provide goods and/or money, and packed boxes. All together over 16,900 boxes have been sent from Tassie this year.

- Jane Beavan

Our Bus is on its way!

We've shared a community bus with Risdon Vale and Warrane/Mornington Neighbourhood Houses for a decade but with the bus garaged at Risdon Vale and availability limited, time came for us hit the road alone. With a growing population and so many community groups on the Peninsula that could benefit from access 7 days a week, SAPRA has been working on securing our own bus for two years.

As reported in South Arm Peninsula News earlier this year, a conversation between President Kerry Scambler and Nic Street MP in the Community Garden resulted in a Liberal commitment eight months later to fund our bus. Labor matched it and our community couldn't really lose!

Funds have now been received and a small working group (Bob Blaauw, Bree Hunter, Kirstie Judd, Don Nicoll and Kerry Scambler) has done the groundwork to ensure the bus is delivered in early 2022.

Community groups and organisations across the Peninsula have/are being contacted to see if and how often they anticipate using the Bus.

Active (walking/biking etc) and social/special interest groups are also invited to use the Bus - contact Bree to register your interest.

SAPRA also plans a regular resident service to Rosny Park and social outings to different destinations.

We are beyond excited about the possibilities our new bus opens up for our community!

Find out more or register your interest -

Bree Hunter 0448 332 560

Suggestions for Bus use - Kirstie Judd

0426 821 530 | SAPRAsec@southarm.tas.au

About our bus

- 11 passengers (+ driver)
- Air conditioned :-)
- Standard automatic driver's licence to drive
- Will have a tow bar
- Cost for use 60c/km
- Garaged South Arm/Sandford region
- Partnerships/sponsorships very welcome

Want to join CERT?

Do you live in the South Arm / Opossum Bay area and want to do rewarding work, gain new skills and help out the community? The Community Emergency Response Team (CERT) and vehicle was established in 2008. Currently our team has five active members, but would love to have more.

Volunteering with CERT is truly rewarding and gives you life-long skills. Working with a supportive team in sometimes challenging situations, you will be first on scene to provide emergency support and assist paramedics when they arrive. Training is provided by Ambulance Tasmania and ongoing training at the Community Centre 2nd Wednesday each month.

Visit www.dhhs.tas.gov.au/ambulance/volunteers to learn more and register your interest. Or talk to our team at the South Arm Market on Sunday 5th December.

- The CERT Team

Rainfall on the Peninsula

	Cremorne	Opossum Bay	Sandford	South Arm
Sep	39.25mm	48.0mm	43.5mm	32.0mm
Oct	144.25mm	139.6mm	154.3mm	106.7mm

Men's Shed update

PLANNING: At the time of writing, we are waiting with fingers crossed, hoping there were no objections to Council that might hold up our lease. We have the funding available so we're now very close to the build.

FUNDING/FUNDRAISING: Woo hoo! Our Building Better Regions application was successful! Thanks to our Secretary, Steve Hinton, for his many hours spent writing all these lengthy, detailed applications.

Thanks also to our volunteers who help with various events including Harmony Garden Centre Market carpark marshalling. Plus of course, to our wonderful community for their support.

Fund raised -

Bank balance 14/11*	\$85,000
Building Better Regions funds to come	\$80,600
	\$165,600

*Incl. \$53,000 from Tasmanian Government

Potential funds -

Stronger Communities Fund application \$20,000
Stage 1 to be advised Dec 2021

AGM: Around 40 members attended the AGM in late September and enjoyed a social BBQ in the Community Garden following the formalities. Great to see connections being made before the Shed even goes up.

QUIZ NIGHT: 27th November. All tables sold!

MEMBERSHIP: Renewals have been going well amongst our 100+ current members and we've welcomed also new members BUT there's always room for more in our Shed :-).

If you want to join, know more or support us in any way, please get in touch. New member forms available from the South Arm Store, Community Centre or on the website.

ENQUIRIES:

Robin 0408 446 249 or Steve 0419 339 415

Arm End Reserve update – RITE

The golf course proposal for Arm End has had a surprising development. Arm End now has three connected projects – Arm End Golf course, a pipeline from Blackmans Bay to supply water to the golf course and a water treatment plant to be upgraded from Class B to Class A water. This appears to be a plan to take what was a golf course proposition for Arm End Reserve to an agricultural irrigation proposal for South Arm peninsula. It is ironic considering Arm End was reserved for its natural and cultural qualities. Reserving the land was a significant win for the environment and Aboriginal Heritage and to restore this beautiful fragile tip of our peninsula after nearly 200 years of grazing.

The Australian government via Senator Jonathon Duniam announced on 11 August 2021 that \$5 million from an irrigation funding program was “committed” to the South Arm water pipeline. It is unsure what the funds are for and whether the funding has been allocated yet – the minister said it was “committed”. We have written to the minister to ask what the funding is for, the treatment plant or the pipeline or both, and whether the funds have been allocated or are dependent on approvals. We have received no answer.

The waste water treatment plant application has been with the Environment Protection Authority since July 2020 but there has still been no public comment process and approvals are months away if it ever occurs. The EPA web site was recently updated and includes a clear statement that the Class A water is intended to be taken to South Arm recreational area i.e. for the golf course. The upgrading of the water quality is for the benefit of the golf course. The EPA notes it will also assess the “application of re-use water for the South Arm recreational area”. This is important because the use of the irrigated water was not considered by the Council and the EPA consultation process is the community’s first opportunity to make comments on the impact of irrigation on the reserve.

Water solution update

South Arm Pipeline Pty Ltd has welcomed Federal Government funding of \$5 million to enable the pipeline project to proceed. This funding was assessed exclusively on the benefits to the regional agriculture of South Arm.

Senator Jono Duniham, Craig Ferguson, Minister Guy Barnett and Member for Franklin Nic Street at the Federal Government funding announcement

The Arm End Public Recreation Reserve project (Arm End) has, through the need to find suitable golf turf irrigation and re-vegetation water, developed the South Arm Pipeline concept over the last four years. It will deliver 2ML of very high quality (but not potable) water daily to the Peninsula – 76% to the community and 24% to Arm End. Currently 14ha of the region is under irrigation – the pipeline will allow a total of 350ha to be irrigated.

The pipeline will provide water to the western part of the South Arm Peninsula, including interested local farmers and rural landowners, the Iron Pot Golf Club and the South Arm RSL & Community Club. We will also provide access points for the South Arm Volunteer Fire Brigade.

Our goal is that this Tasmanian-first project, taking recycled water and converting it to Class A, will be entirely accessible for community and agricultural use. The pipeline will also transform the Arm End Public Recreation Reserve into a world class destination to enjoy walking, cycling and with potential Aboriginal Heritage interpretation – along with a pretty good public access golf course

The South Arm recycled water scheme is intended to operate on a no commercial return basis. South Arm Pipeline Pty Ltd will construct and manage the pipeline operating on an operational and maintenance cost-recovery basis (ie. no commercial profit). All users will pay proportionally to the volume of water they take.

The pipeline is expected to take most of 2022 to complete and Arm End site development construction will continue through to end of 2023. In the meantime, we continue to look after and manage the land at Arm End.

Please feel free to connect with us for more information. After years of robust planning and approvals we are getting closer to a construction start.

– *Craig Ferguson* | *Project Manager*

SAPRA update

Welcome to Summer and fingers crossed for a little less precipitation leading into the holiday season!

AGM/ General Meeting: Once again this event showcased the wonderful work being done in our community. The AGM and Annual Report provide solid, informative background on SAPRA's finances and activities through the 2020-21 Year.

A General Meeting followed the AGM, with a SAPRA update for July-November. We then heard about a range of local activities and got a full appreciation of how active our community really is. Updates were heard from South Arm & Sandford Volunteer Fire Brigades, Iron Plot Community Garden, St Barnabas Church & Cemetery, South Arm Community Library & Pot Luck Op Shop, History Room (new custodian Michael Topfer) & Peninsula History Group, South Arm Peninsula Men's Shed (p3), South Arm Community Market (p8) and the Peninsula Community Bus project (p1). Phew! Great work by all.

Drumming up funds for the South Arm Songsters: SAPRA is delighted our auspiced

Clarence Council grant application for the Songsters was successful. The songsters do so much more than just sing - they uplift spirits, bringing joy into the lives of those who sing and those listening.

If you're a small group working on community projects, remember SAPRA can auspice grants on your behalf. We do the admin, you achieve your goal!

SAPRA membership. Thanks to all who have shown their support for your community organisation and its volunteers by joining as members. Thanks also to our new Membership Officer, Michael Topfer (0400 416 099 | sapramembers@southarm.tas.au).

Thank you to my fellow committee members and all our volunteers for your valued contribution this year. Indeed, thanks to all the other local groups and individuals who make this Peninsula community so vibrant, caring, and such a special place to live.

As our borders open on 15th December and we venture into a new COVID chapter, please take care, look out for others and be kind. May your festive/holiday season bring you happiness, contentment and relaxation amongst family and friends. Stay safe on land and water and we'll see you in 2022.

— Kerry Scambler, President, SAPRA | 0407 875 460
SAPRAPres@southarm.tas.au | facebook.com/Sapra.Inc

South Arm Fire Brigade

The Spring rains throughout the State mean a late and unusual fire season, with little time to conduct hazard reduction burns, and rapidly growing grass and bush (as anyone who has to mow knows). TFS will have additional aircraft available, but it will always be volunteers on the ground that actually extinguish the blaze. At South Arm we've recruited 4 new members (3 of them under 20 years old!). This highlights what an amazing community we live in, and the strength of character in our youth.

We have had a relatively quiet year so far. A few car

accidents, escaped burns and smoke investigations. We've been out providing advice on smoke alarms, bushfire plans and water tanks at the market etc.

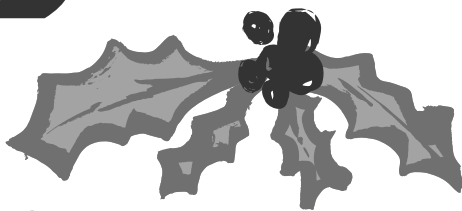

Remember, if you see a fire, call 000. I've seen a few posts on Facebook about fires and accidents which is not very helpful! The only way to get our group of well trained volunteers to the fire is via 000.

Fire permits, call 1800 000 699. They will tell you if you need a permit, if the weather forecast is unfavourable, and also register the burn to ensure we don't get called out by mistake.

Hope everyone has a wonderful and safe Summer.

— Val Ansett | Brigade Chief, South Arm Fire Brigade

Cremorne Corner

Cremorne Community Group

We love our wonderful Cremorne Community and are looking forward to running a variety of fun events to get the whole community involved in the year ahead. Stay tuned....

Sadly, after much organising, the three day lock-down stopped the Cremorne Twilight Gathering from going ahead. Finger crossed 2022 will be third time lucky! Thank you to the Cremorne Bowls Club for offering their space at short notice, and to all of the volunteers who offered to help.

Our first Christmas Market at the Cremorne Bowls Club was a very successful event, even with a little rain. What a talented bunch we have in Cremorne! Given its success, we hope to run more markets in the future.

Santa is coming to Cremorne Sunday 19

December this year, which means it's time to start practicing "Twelve Days of Christmas". Cremorne residents - look out for a flyer in your letterbox and Facebook for more details of a few changes happening this year.

As always these events can't happen without volunteers, so if you are keen to help out, please get in touch with anyone from the Cremorne Community Group team.

Cremorne Community Group Notice Board:

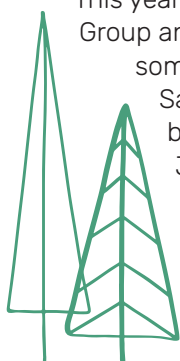

Thank you to the Clarence City Council for funding the new community notice board which is looking amazing alongside Juls' wonderful COVID mural on the toilet block! Next time you are heading to the beach (or toilet), make sure you have a look.

Thank you to everyone for your efforts in 2021. This year we successfully completed four main working bees. All of this could not be achieved without the many hands that come along to work the tools & look after our Cremorne patch.

This year, working with the Cremorne Community Group and Howrah Rotary, we were able to have some extra community fun - the popular Sandcastle Competition in March, followed by the Lego Masters Challenge during July. Finally, the Beach Reserve has been brightened up with the art instalment on the toilet block. Many thanks to Council for their ongoing financial support and cooperation.

- The Coastcare Team

Cremorne Playgroup closes

Cremorne Playgroup has officially closed its doors. The last couple of years has seen dwindling numbers with the advent of COVID-19, alternative playgroup sessions held elsewhere and families unable to commit to the organisation of running the group.

The group however ended on a high by recalling the great 10 year plus era it had. With the closure of the Cremorne Store it was noted that there was a need for young families to have a place to meet. With funding through the Tas Community Fund and the generosity of the Bowls Club to provide space the group began in 2009. A huge thanks to these organisations for their assistance. Sessions would regularly see attendance of 12-15 kids and on occasions numbers up in the 20s. There were regular craft sessions, sharing of a morning tea and outings. The group also ran the Cremorne Christmas Party for families which later joined forces with the Community Group.

The Playgroup allowed many firm friendships to develop and cemented in many kids minds that the Bowls Club is our local community space. Thank you to the many people who supported the group throughout the years.

South Arm Community Market

Despite the abundance of rain at present, the the November market was a glorious day! It was wonderful to see so many stallholders and patrons enjoying the atmosphere and dry weather. Olivia, once again, entertained us with her lovely music and singing. What a delight she is.

Justin Kneebone was also a popular attraction with the snakes and blue tongued lizards. Many people took the opportunity to handle the lizards and a most amazing snake. We look forward to having Justin return to the market again next year.

The market has grown exponentially over the last 18 months or so. With that comes extra work. Jacqui Eaton Harvey and her husband Andrew have absorbed that extra workload with energy, grace and enthusiasm. As demands on their time have exploded, we are in need of more volunteers.

Most of the jobs are small - some are behind the scenes while others are at the market forefront. Some jobs are on market day, while others are before and after. If you're one of the many people who love the market, consider volunteering some time to keep this amazing community event moving forward. If you're able to assist, please contact Jacqui - 0422 203 124 or market@southarm.tas.au

Next market is Sunday 5 December.

Great for Christmas shopping while enjoying the great food and fantastic coffee. Check the South Arm Community Market Facebook page to keep up-to-date. Hope to see you all at the next market.
