Thanks!

Thank you South Arm Community Pharmacy!

For putting on the 2-day COVID-19 Vaccination Clinic at the Community Centre in January.

Thanks to Shane and Kim, the vaccinators Rob, Milli and Xenia and particularly to Milli and Lisa for their big effort behind the scenes, planning and co-ordinating the days so well.

The process was friendly, helpful, courteous and professional at every step. Your community, and others, who made up the 392 vaccinated are very grateful for your foresight.

— On behalf of your community, Kerry Scambler, SAPRA President

Have your say on Council's coastal hazard management plans - Sun 6 Feb

Clarence City Council is seeking community input as it undertakes the process of updating its coastal hazard management plans for areas vulnerable to coastal erosion.

Residents from affected areas, including Pipe Clay Lagoon and Roches Beach are encouraged to complete an online survey as well as attend pop-up community information sessions, held in Cremorne and Lauderdale in early 2022.

This consultation follows last year's endorsement of council's Coastal Hazards Policy, which provides a consistent approach to the management of current and emerging coastal hazards on council-controlled land within the municipality.

The policy enables council to update coastal hazard management plans for key coastal areas, adopting a risk-based approach to managing coastal hazards that clarifies responsibilities regarding council-controlled land, Crown land and privately-owned land.

Further details on these sessions and the consultation –
www.ccc.tas.gov.au/coastal-hazard-information-sessions.

"Thank you South Arm Volunteers" day

The SAPRA committee recently moved to establish an annual volunteer thank you day, to be held on the third Sunday each February.

This event is open to ALL volunteers helping on the peninsula, not just those that do things for SAPRA.

Sun 20 Feb 11.30am-2.30pm

If you have done anything – no matter how big or small - to make this community better by volunteering your services, resources, or your time, please come down to the Community Garden at the Community Centre so that you can be acknowledged and thanked for your contribution.

BINGO - first Tuesday each month

Community Centre, doors open 7pm

\$15 to play 15 games. CASH PRIZES.
 BYO nibbles and drinks (alcohol permitted).
 Come join the fun.

Business as usual for local Fire Brigade!

The year started with a day of total fire ban, keeping firefighters and residents on their toes. Despite the day not getting as hot or windy as predicted, a total fire ban enables resources to be focused on every report of fire before it develops.

The fire service, like all organisations, is managing numbers during this period of COVID and close contact isolations. With increased PPC and a vehicle that is pretty much hand sanitiser on wheels, it's business as usual once our pagers activate. You can help us by ensuring arriving crews (or 000) are informed of any COVID positive occupants so we can take necessary precautions. We will always put your life, property and the environment first, but also need to document any exposures. Personally speaking, I can't wait for the day that we stop talking about this!

Some residents may have seen us on Christmas Eve testing our pumps and hoses on the oval. This is part of our monthly testing of all equipment ensuring everything starts first time when we need it. It's also a great recruitment tool for new members.

Fire permit season has well and truly started, this means any fire larger than one metre needs a permit. These are provided for free by ringing 1800 000 699. A permit is a legal requirement that removes liability from you, whilst stipulating certain conditions that ensures the fire is safe. It also enable these burns to be monitored across the state, and prevents unnecessary false alarms.

Some items that **CANNOT** be recycled in the soft plastic bin:

- ✗ Plastic bottles / containers
- ✗ Paper / cardboard
- ✗ Glass
- ✗ Tin cans
- ✗ Rubber
- ✗ Punnets / biscuit trays

SAPRA update

HAPPY NEW YEAR! We hope your festive season was enjoyable and spent with family and friends, particularly those reuniting after time spent apart.

We hope our community and island state can maintain their buckets of resilience and find contentment and joy wherever and whenever we can. The latter should be easy on our Peninsula!

On a bright note, congratulations to the Iron Plot Community Gardeners who have added a wonderful artistic flair to the area with their green thumbs and creative minds :-)

Our Community Market has continued to flourish with fulsome stallholder feedback about how friendly the atmosphere and how pleasant the people and surroundings. (See report P8)

After a January holiday, the SAPRA Committee will be back meeting in February and anticipating another busy year with our new bus and Centre maintenance/improvements included on the agenda. If you have any queries, issues or projects you'd like us to investigate or support, please get in touch.

Cremorne Corner

Cremorne Community Group

The Cremorne Community Group executive wish to thank all volunteers who helped with organising, set up, pack down and transporting Santa to and from the Christmas in Cremorne Event. Whilst the weather gods could have been kinder, the blustery winds and rain died down just in time for Santa's arrival, and the excited children came from all around to see the jolly man in red and to receive their delicious ice cream treat.

Thank you to those who came and braved the weather, and danced to the delightful tunes of The Screamers band members. And what fun it was to see so many join in the tradition of 'The Twelves Days of Christmas' big sing-along, led by Adrian Beech! What a lovely Community we have in Cremorne!

In the current COVID-19 situation, we are feeling very lucky to have been able to hold this event. We would like to remind all who visit and use the facilities at the Beach Reserve and park, to please check in with the QR codes, to help keep our community safe and informed.

And finally, we would like to wish all residents and visitors to Cremorne a fun Summer and a happy and safe 2022!

Kind requests

February and March are typically hot and dry with lots of evaporation. If you have plantings on a reserve area near your place they'd appreciate a bucket or two of water.

We'll soon start planning our annual **Big Plant Give Away** in May. We'd also like to do some planting at the top end of Pipe Clay Esplanade at the same time, but we can't be in two places at once so need some helping hands. If you are interested in being a site helper, please get in touch (contacts back page).

Hot spots include lagoon edge – check the tide (all the way out on the avenue) – jetty area and amongst bushes at Beach Reserve.

Can you one-up last years' treasures? We're looking forward to finds of the weirdest, biggest, ugliest, most useful and the prettiest! No prizes but loads of glory and honour with your picture posted in colour.

We would LOVE to see a massive turnout.

South Arm Community Market

Oh wow, what a cracker of a community market our December one proved to be. 85 stallholders, ranging from jewellery to plants and of course, fresh produce and food vans to cater to a wide range of tastes. Patrons supported the market in abundance, whilst enjoying the music and atmosphere.

Many Christmas presents, festive food and gift ware were purchased highlighting the fantastic range of product that is available on our wonderful Peninsula.

The January market was a wonderful success too, albeit a few COVID complications. What a credit it is to our very loyal and wonderful stallholders that they still made an incredible effort to be there, despite the forecast rain and ever present, always changing COVID situation.

A huge shout out to Jacqui Eaton Harvey for her amazing patience and adaptability in the face of these difficulties. To the wonderful volunteers, THANK YOU. We couldn't do this without you all.

Ian Sale's photography skills brings a smile to our faces seeing people enjoy the day. Thanks Ian!

The February market is lining up to be a super day as well. Looking forward to seeing you there together with The Dim Sim Guy, The Coffee Guy and hopefully some nice sunny weather to make a great day even better.

See you on Sunday 6 February 9.30am to 1.30pm!

St Barnabas update

The last few months have been interesting, but hopefully, soon after this edition is distributed, the Church will finally be a Community Church in perpetuity.

Our Carol Service and Christmas services were very well attended, and both very happy occasions.

It has been a real blessing to welcome some new people to the church recently.

We would really like to commence some children's ministry, and have young families joining the congregation. If you would like your children to find assurance in this very troubled world, we'd love to welcome you. Come and be involved and be part of the community, meet some new friends and tell us your ideas. Make this a vibrant Community Church.

Despite COVID, we would like to wish everyone a happy, healthy, safe and fulfilling year for 2022.

Discussion Group

We've not been meeting during the holidays, and COVID permitting, plan to restart in late February. New people are always welcome. We start by having lunch together, with a lot of talk. When we know more about the COVID situation and have a definite date we will make our starting day public.

Don't hesitate to contact us about any of the above - 6239 9244, 0438 679 320, or 6239 9706.
