

PENINSULA SCOOPS TWO AWARDS

It seems every year this newsletter features award winners in the community and this year (well 2014 really) there are two notable recognitions! One of our community events has been showcased and also putting the peninsula on the map is a small business in South Arm that has taken out a tourism award.

CREMORNE LONG TABLE LUNCH

Australia Day celebrations at the Bellerive Boardwalk took on special significance for Cremorne residents when their Long Table Lunch won a Community Event Award at the 2015 Clarence City Council Australia Day Awards.

The Long Table Lunch is a springtime outdoor event when the community comes together to celebrate the declaration of Cremorne as a town on 12 October 1959. Organising an event like this, with entertainment, food and drink, not to mention a decorated long table, takes a lot of work by many hard working volunteers so give a huge round of applause for our Cremorne residents!

SOUTH ARM CABIN RETREAT

Congratulations to award-winners at South Arm Cabin Retreat. Malcolm and Rose Ritchie ended 2014 on a high, winning the Tourism Excellence Award at the Clarence Business Awards in December.

We know South Arm's a friendly place but it's always nice when others agree. Entrants for this award were all assessed by Mystery Shoppers so the welcoming style of Malcolm and Rose obviously shone through!

The Retreat has five self-contained cabins, right on the waterfront. There's a BBQ area for guests and a very interesting recreation room with a lot of local historic information around the walls. It's certainly well worth mentioning to family and friends from afar looking to visit the Peninsula. Congratulations again to you both and here's to a fully booked 2015.

SCHOOL TERMS 2015

Remember to slow down in the schools zones from 4 February to 1 April 2015 when the Easter break starts.

SUMMER SURF PATROL IN FULL SWING

Above: A recent beautiful busy day in the surf at Clifton Beach under the watchful eyes of our local volunteer lifesavers.

With December, Christmas, New Year and January already gone Clifton Beach has seen good crowds on warmer days. Traditionally February and March offer more settled conditions and school groups are among the many who enjoy the late summer in the surf.

As of writing it is a wet and windy south easterly, air temperature about 13 degrees but the water is a balmy 18 degrees. Clifton Beach Surf Life Saving Club members have been busy training hard for carnivals in the north west and patrolling Clifton Beach on Saturdays, Sundays, and public holidays, rain, hail or shine. Surf patrols are on duty between 10am and 3pm and contain at least 8 active and fully trained lifesavers with access to...continued p.3

ABOUT THIS NEWSLETTER

The South Arm Peninsula News is produced bi-monthly and distributed throughout the South Arm Peninsula community which is inclusive of areas around Sandford, Cremorne, Clifton Beach, South Arm and Opossum Bay.

The newsletter was initiated by the South Arm Peninsula Residents Association (SAPRA) and continues to be supported financially by SAPRA. Please note the opinions expressed in articles in are not necessarily the views of the Committee.

Both individuals and groups are welcome to submit notices, reports, photos, general articles or other contributions. Guidelines for all contributions are available from the editor: contact **Annaliese Caney** on 6248 8441 or annaliesecaney@hotmail.com. Space is provided for advertising, contact **Kerry Scambler** on 6248 9302 or kerry@theksprinciple.com.au.

CLOSING DATE:

Contributions for the next issue are due WEDNESDAY 18 MARCH 2015.

SAPRA: NEWS FROM YOUR COMMUNITY GROUP

Happy New Year South Arm Peninsula! Hope you all had an enjoyable holiday season, despite some of the weather!

The SAPRA Committee has had a well-earned break and we're fresh and ready to tackle 2015 head on. At our first Committee meeting in mid February we'll be setting priorities for the year and one at the top will be the Community Centre.

We'll be working extra hard to get some activities going that give the Centre a buzz. Of course, the fantastic Iron Plot Community Garden (see picture below) in the grounds of the Centre is coming along a treat and gives us all inspiration. If you have any ideas or suggestions on what you'd like to see at the Centre, please get in touch with either myself or a Committee Member. If you'd like to put on an event/course/workshop or hire the Centre, again let us know—we're all ears!

Community Bus volunteer drivers needed. Even if you can just help out once or twice a month your help would be greatly appreciated. **You don't need a special license**, just enjoy being around other friendly South Armians! Please contact Richard Bird on 0412 789 789 for details.

South Arm Art & Craft Exhibition revving up

We're kicking our arts into gear and getting the planning boards out for this year's Exhibition to be held later in the year.

Not only are we looking for local art and craft work but we'd really love assistance and support of any kind to help make this year's Exhibition the very best for the community and for Legacy. If you can help out in any way, big or small, please get in touch with any of the gals below.

If you'd like to be on the mailing list for an entry form, please contact us. Meanwhile keep in touch via our Facebook page - search for **South Arm Art & Craft Exhibition**.

SOUTH ARM PRIMARY SCHOOL CARE TYRE CLEAN UP — Can you help?

The South Arm Primary School and the Tasmanian Conservation Trust (TCT) need your help to clean-up 440 car tyres on the school oval and the land immediately next to the school. The tyres are an ugly eyesore but, more seriously, they are fire hazard that must be removed.

We need to raise enough funds to have the tyres collected then safely and legally stored at a licensed facility in Longford. Unfortunately, there is no recycling facility in Tasmania but the storage operator hopes to establish one.

The cost for collecting, transporting and storing tyres is \$2.75 per tyre so we need to raise a total of \$1,210 to rid the South Arm community of this hazard.

The South Arm Primary School and the Tasmanian Conservation Trust have pledged \$400 and we hope you, the South Arm community can help with the remaining \$810.

All donations over \$2 are tax-deductible and you can donate by:

1. Posting a cheque or money order (payable to the Tasmanian Conservation Trust) to the TCT, 2nd Floor, 191 Liverpool St, Hobart 7000; or
2. Using your Visa or Mastercard. Either phone the TCT during business hours on 6234 3552 or online via direct credit to the Tasmanian Conservation Trust Inc, Commonwealth Bank of Australia, 81 Elizabeth Street, Hobart, BSB: 067000 Account No: 2804 3114

Once the target is reached we will contact the licensed tyre operator. We will then need volunteers to help clean sand out of the tyres and stack them ready for collection. If you can help with this, please contact Peter. (Volunteers will be contacted with details of the cleanup which will also be advised through the SAPRA Facebook page) Further information phone Peter McGlone (TCT) on 0406 380 545 or email tct6@bigpond.com.

EDITOR: We know there's a lively discussion going on about who should be responsible but the most important thing right now is to get rid of the tyres, then perhaps continue that discussion. All donations and help to prepare the tyres for pick are greatly appreciated.

CONT P.1...CLIFTON BEACH SURF LIFESAVING CLUB

...a range of rescue equipment including IRBs (Inshore Rescue Boats) powered by 45hp engines. Also available is the all-terrain vehicle which allows quick access to the northern end of Clifton Beach on busy days.

Club training times are currently Tuesday mornings 5.45am to 7am, Thursday 5.30pm to 7pm and Sunday mornings 9am to 10am. On Thursday evenings the club combines with South Arm Boardriders, who have surf coaching sessions at the same time, for meals in the clubhouse. Club contacts are:

Horse riding: Sharing our roads

This was posted recently on the Lend an Arm Facebook page by Jodie:

"I would just like to thank drivers from the South Arm Peninsula area for their courtesy over the school holidays. Due to the amount of snakes on our usual trail access we have been taking horses down a narrow nature strip on the side of South Arm Road. The amount of people that have slowed down or motor bike/harley riders that have coasted past has been greatly appreciated. It's pretty frightening sometimes having to be so close to a main road but I've been overwhelmed by the consistency of great Road users so thanks everyone."

This is great reminder that horse-riding is very popular around the peninsula and we often share our roads with a horse rider or six! Please slow right down and give riders a wide berth so as not to startle the horses. This keeps everyone safe.

PARISH LADIES FRIENDSHIP GROUP

We would like to thank all those people who came to our morning tea on 13th January 2015. Although not as many people as last year we managed to raise nearly \$300 which will be distributed to various church charities.

HISTORY AND HERITAGE

Horace E. J. Calvert was born on the 27th March 1889, died of wounds 22nd Dec, 1917.

As we approach the year when many people will be looking to celebrate the Centenary of World War 1, I thought I should look up the information on a young man who grew up in South Arm.

His father Christopher Calvert (b) July 1845 (d) June 1923 was a farmer who leased the land on the Arm End 1870-1915 from the Gellibrand family. His first marriage was to Eliza Maria Alomes October 1869 the marriage produced five children. Eliza died in April 1877. Christopher Calvert then married Margaret Lougher September 1879. This marriage produced four children the youngest being Horace Edward James Calvert born 27 March 1889. Christopher Calvert retired from the farm at South Arm in 1915 moving to his home in Sandy Bay Hobart. It was from here his son Horace Enlisted for military service on the 5 July 1916 address given as Sandy Bay Hobart, place of birth South Arm, attended the South Arm School, occupation farmer, age then 27 years. Horace Edward James Calvert Private No.6258 12th Battalion, Embarkation details, Unit embarked from Melbourne, Victoria on board HMAT A59 Botanist on 24 August 1916. He was described as a man of medium height, black hair and dark complexion. Very little is known of his travels before he was reported in action in Pyres with the 12th Battalion A.I.F. On the 22 December 1917 when in action he was wounded, hit by shrapnel from a shell burst.

He was taken away to a field hospital and dressing station where he died about seven hours after. Reported on the 6 March 1918 he was buried in the Kandahar Military Cemetery near Heuve Eglise or Messines. His personal belongings were sent home to his brother Frank Calvert of Battery Point Tasmania. This report thanks to the Australian Red Cross Society Wounded & Missing Enquiry files 1914-18. Information from the Calvert family records produced by Lindsay Calvert his father was Cristopher Calvert Jnr, who married first Elizabeth Alomes and second Margaret (Mary) Louthier. Horace's Grandfather, Christopher Calvert who married Hannah ne Watson they settled in South Arm 1851 and named the property Seacroft. There are many others from well-known families from the Sandford district who also saw service in the First World War 1914-18. **I would like to hear from anyone who has the information on a relative from that period.**

SATURDAY DOG WALK

This happens every Saturday all through the year. Some people have been under the impression that we 'knock off' for the holiday period. However our dogs would definitely not approve if that were the case. They look forward to meeting their friends, just as their two legged owners do. It's a great way to socialise your dog. All dogs and owners welcome.

SOMETHING FOR A RAINY DAY

My mother-in-law, Joan Wheeler, recorded Opossum Bay's rainfall for the Bureau of Meteorology from 1965 until her death in 2006 and since then I have taken over the task. This means that I now have 50 years of rainfall information for our township:

- During these 50 years our driest year was in 2006 where we only had 316.2mm of rain, while our wettest year followed only three years later in 2009 with 756.8mm of rain.
- On average over the last 50 years we would have had 528.7 mm of rain per year. If we break the rainfall down to five year averages it does indicate that our average annual rainfall is decreasing. For example the average annual rainfall between 1966 and 1970 was 589.5 mm, while from 2006 -2010 it was only 540.8mm.
- In 2001 we had our highest recorded number of rainy days for this 50 year period with 633mm falling over 172 days.
- The least number of rainy days occurred in 1972 with 379.8 mm over 98 days.
- On average we have had 140 rainy days per year.
- The greatest monthly variation occurring in December and the least variation occurring in May. Large totals in December are not unusual with over 100mm of rain being recorded on six occasions in the last 50 years. The variation in May, however, should not be as pronounced, with only two years out of 50 with a rainfall of more than 100mm. The lowest May total of 6mm occurred in 1972, while the highest (103.2mm) occurred in 2012. In reality there is only a small degree of variation between our wetter and drier months, with June being the driest at 37.1mm on average and November being the wettest with 53.2mm on average.
- March tends to be the month with the most rainfall in one day with the highest recorded daily total in the last 50 years of 87.8mm recorded on 23/3/1983.
- Other great rainy days in March include 21/3/2009 with 74.4 mm, 27/3/1977 with 66mm and 19/3/1975 with 42.6 mm (please note that the rainfall for each day is measured and recorded at 0900 and includes all rain falling within the last 24 hours).
- Our heaviest rainy period occurred in December 1993 with 42.8mm recorded on the 27th, 43.2mm on the 28th and 62.8mm on the 29th. The total for December in that year was 187mm.

BY KAREN WHEELER

New year, want a new perspective? A new Life Coach could be your answer!

Many of you would know the lovely Anna Schmidt from the South Arm Market. Perhaps you didn't know that her talents lie beyond the great soap, feltworks and art she has on her stall.

Anna has set up a new business, Insight Coaching & Healing, to help you identify and release mental and emotional blocks in any area of your life. Limiting beliefs, anxiety, self doubt and resistances can all hold you back so life coaching is about providing support, defining options and using strategies to increase motivation and help you achieve and maintain a positive life change.

She's holding a two day creativity workshop on Sunday 22 February and Sunday 1 March at the Okines Community House. This will benefit you boost your self esteem and show you strategies and tools that you can use to enhance your their creative thinking.

Anna is also offering a limited number of complimentary coaching sessions where you can get a taste of what might be possible in your life.

For details contact Anna by email anna.schmidt44@yahoo.com.au or on 0400 896 349.

FIRE PERMITS

We are now in the middle the fire season and so far we have been pretty lucky with no major bushfires in our area.

The Fire Permit season was declared in November. To obtain a permit you should call 1800 000 699 and if a permit is necessary a Permit Officer will call and assess the situation and decide whether or not to issue a permit.

There are strict rules on issuing permits and they must only be issued in accordance with the TFS guidelines, environmental regulations and council by-laws. In general landowners should conduct hazard reduction burns etc outside the permit period when Permits are not required.

DURING THE FIRE PERIOD

On blocks of 2,000 square meters or less it is illegal to burn without a Fire Permit, which can only be issued for genuine hazard reduction purposes.

On properties of more than 2,000 square metres, except for cooking purposes, outside burning is banned unless it is (1) with a Fire permit, (2) for fire prevention or (3) complying with a by-law. Clarence Council has no relevant by-laws.

A Fire Permit can be issued by a Permit Officer for the landowner to conduct a hazard reduction burn or burn a pile of vegetation, bush or garden waste of more than 1 cubic metres. Permits are not required for piles of less than 1 cubic metre. Permits will not be issued for any purpose other than the burning of vegetation and will only be issued to burn unpainted, untreated and uncontaminated wood; or vegetable waste; or vegetation; or paper. Piles containing cardboard, domestic waste, building rubbish, treated timber or any contaminated material, tyres, paint etc cannot be burnt and these materials should be disposed off at the local tip.

A permit can only be issued to a landowner for his/her own property. Where an area to be burnt or a pile crosses a property boundary a permit will not be issued unless both landowners are in agreement, then each will be issued with a permit. If the pile or hazard is partially on Council or Crown land a Permit will not be issued.

WHERE A PERMIT HAS BEEN ISSUED

A Permit will have a number of conditions attached to it, which the landowner must comply with before the fire is lit. Some of these conditions may be specific to that particular fire, others are for all fires. Examples of some 'all fires conditions' are, a Permit Holder must notify all adjoining/immediate neighbors within a 1.5 kilometer radius of the burn of the time and location of the burn, this must be done immediately before lighting the fire.

The Permit Holder must register the fire by calling 1800 000 699, also immediately before lighting the fire and conduct the burn themselves.

A Permit Holder must sign the Permit to acknowledge that he/she understands and will comply with the conditions imposed by the permit.

The Brigade itself cannot be issued with a Permit to burn off a landowner's property. Permits can only be issued to a landowner. In general the Brigade is not allowed to undertake burning operations at the request of a landowner unless the operation will genuinely reduce a fire hazard or the work is part of a planned training exercise.

Most importantly, when a Total Fire Ban is announced, any permit that has been issued for that day is automatically cancelled.

GLYNIS HEATHER | BRIGADE SECRETARY | 6239 9564

RECEIPE

This is the best zucchini pasta—especially if you make your own!

- Heat plenty of olive oil in a frying pan.
- Add 6 finely chopped anchovies, 3 cloves of garlic chopped finely and sea salt – fry for a few minutes.
- Add 3 medium zucchinis (grated) and stir continuously for a few minutes.
- Add chili flakes or pepper (depending on your taste)
- Tip on to pasta and serve and top with parmesan.

Editor: If you're not keen on anchovies try bacon! Will not disappoint.

CREMORNE COMMUNITY GROUP

We are obviously delighted by the recognition our Long Table Lunch event received at the Australia Day Awards this year and very proud of the achievement.

We ended 2014 with another annual gathering—our Community Christmas Tree evening on 19 December. It went off without a hitch and even Santa’s dodgy beard stayed in place during his crowd-stopping presentation of gifts to the hordes of children who gathered at his feet! Good weather, good company and a good band (Twice Bitten) combined to make it an enjoyable night for children and grown-ups alike. For a sizeable number of the young brigade, a highlight was the “Mobi Le Maze” from Island Recreation. If planning a child-focused event, we can highly recommend this portable “playground” to entertain children in a safe, enclosed space.

With the new year upon us and residents scattered across various holiday destinations – or fitting in some Cremorne Beach time – our events calendar has been put on hold for a short while but a sub-committee of our Group has been working behind the scenes to produce an Autumn issue of our Cremorne community newsletter, “C Breeze”. This is a relatively new initiative with the aim of producing 4 issues per year (across each of the seasons) and dealing with specific Cremorne material. There is, of course, a vital role to be played by the SAPRA Newsletter in keeping all of us on the Peninsula better informed of local events, needs and interests. In that vein, I wish all readers and Peninsular residents the very best for 2015.

Love the Peninsula and enjoy writing about it?

SAPRA is gathering information for the proposed Peninsula website and we know there's an awful lot to write about as the list just keeps getting longer! So we need some help - please! If you like writing and would like to help out on either general or specific topics (eg beaches, best spots for photos, birdlife etc) or could help us collate all the info on local groups, please contact Kerry on 0407 875 460 or email kerry@theksprinciple.com.au

PUMPKIN WATCH...looks like the Iron Plot Community Garden is hoping to take out the top pumpkin prize this year! Think you can do better? Start feeding up your pumpkins ready for the weigh in at the market in May. To be part of the Community Garden join the plotters on the last Sunday of the month for a couple of hours starting at 10am.

ST BARNABAS

We finished 2014 with a full congregation at the traditional Carol Service and the joyful Christmas service We are now back to the routine of 4pm services on the 1st, 3rd and 5th Sundays, each followed by a meal in the hall. Everyone is very welcome, whatever your church affiliation, or lack of it.

Our curate, David Blyth has moved on to Ulverstone. We will miss his gentle ministry here. He is being replaced by Ed Cavanaugh who is finishing his training for the ministry 'on the job'. We welcome him and his wife Amy. Our friendly Connect' group will be recommencing on Friday 20th February at 10.30 am and we would love to welcome some new friends.

**For all enquiries call:
Helen Phillips 0429 865 733 or
Jane Beavan 6239 9244**

CHRISTMAS IN CREMORNE

This amazing photo is from the Cremorne Christmas party — by local photographer **Kath Chapman of Design Soirée**

PLAYGROUP

Playgroup once again resumes with the new school term. We welcome back our regulars, newcomers and some expecting bubs for 2015. Whilst the sun continues to shine hot and long during daylight saving we'll have our sessions at Cremorne Park (or maybe the beach) and at the Club if the weather not so fabulous.

We'd also like to extend our thanks again to the Cremorne Community Group for taking the lead in organising the 2014 Christmas Party. Special thanks to so many from the playgroup and wider community who helped out to make it another great event. Most importantly Santa and the Sandford Fire Brigade with their sleigh.

If you're not sure what's happening with playgroup give either Bron or Jodie (details on back) or check on email as this is our main mode of communication. Give us a call if you'd like to join the email group.
