

**CLEAN IT UP!**

Clean up Australia Day started in 1989 and has now become the nation's largest community-based environmental event. It's a great

Australian story about how one person decided action was needed and a now international event reminds us all to look after our patch. There are generally a number of sites/groups around the South Arm Peninsula that coordinate events — join up or register your own at [www.cleanup.org.au/au/CleanUpEvents](http://www.cleanup.org.au/au/CleanUpEvents). If nothing else — grab a garbage bag and walk your street, bushland or coastal path, cast an eye over a park or public space, spend 10 minutes on the beach. **LET'S GO! Sunday 6 March 2016.**

**HELP CREATE A SOUTH ARM PENINSULA COMMUNITY CHOIR**

**Share your voice and have some fun!**

Singing in a choir is good for the soul. You'll find wonderful people to meet and help make some great sounds. Come and create a Community Choir that we can share with the Peninsula, I promise you we will have fun and laughs! Don't worry, no experience is necessary just the desire to be part of a team making music together. **Continued...PAGE 4.**

A site coordinator is need for South Arm — continued page 3.

A **FREE** concert. BBQ and Bar available.  
Presented by Clarence City Council

The Clarence Jazz Festival continues until Sunday 28 February and the full program can be seen at [www.clarenceartsandevents.net](http://www.clarenceartsandevents.net) or call 6217 9500 and Council will send you out a copy.

## ST BARNABAS CHURCH

The Church's year begins four weeks before Christmas with Advent Sunday. This is a joyful time when we start to prepare for Jesus' coming. The 2015 Community Carol Service and Christmas Day Services were well supported which was encouraging. Thanks to all Community organisations whose members helped with readings etc and all the preparations.

**A PET THANKSGIVING SERVICE is coming up on 6th March at 4.00 pm.**

**For many people walking the dog or caring for a pet is an important part of their day. Come and join us in giving thanks for our animal companions. There will be lots of other activities, such as BBQ, Home made doggie biscuits, pet portraits, games and activities and animal blessing. If you don't have a pet, bring a soft toy!**

The next major festival in the Christian Year is Easter, preceded by Good Friday. Of course it is because Jesus rose on Easter Day that Christianity spread so rapidly - and now to all corners of the globe. The fastest growing Church in the world at present is in Nepal. This year Good Friday falls on 25th March, and Easter Day on 25th April. Please look out for Easter services around the Eastern Shore and spend some time celebrating this important event.

The Church was built by the local people of South Arm, and consecrated in 1892. Since that time it has been available to all people living on the Peninsular and continues to be a places for many occasions. There have been several funerals in 2015, including our much loved senior citizen and faithful worshiper, Lou Smith, and also one delightful wedding.

**The members of St Barnabas would like to wish everybody a peaceful, healthy and happy 2016.**

## MELBOURNE CUP LUNCH – fun and funds!

A huge thank you to everyone who came to the Cup Lunch in November and made the day a great success. A generous and massive **\$1,200** was raised for our amazing First Responders (Community Emergency Response Team) to help them keep their invaluable and life-saving service going. Many thanks to Sue and Margo at Allure Boutique for the fashion parade, Alan and Roger for organising the sweeps and to all the volunteers for their help.

## ANOTHER REASON TO VISIT THE SOUTH ARM RSL & COMMUNITY CLUB

Tuesday nights are Members' Nights and not only is Tony's always-tasty food served up but you could win big!

Every current financial Club Member is automatically in the draw each week to win a cash prize but you do have to be there to collect your winnings. If the winner isn't present, the prize jackpots and at the time of writing the jackpot was \$1,000! So why not drop in for dinner on a Tuesday – what's not to enjoy with good food, good company and the chance to win some cash! If you're not currently a Club Member, you can join for \$25 for an adult with concession rates available. Forms available at the Club.

*PS of course visitors are also welcome on Tuesday nights and any other time*

## LOCAL PAMPERING & BEAUTY TREATMENTS

Yay! No more trips to the big smoke for beauty treatments and you can enjoy a relaxing massage just minutes from home, getting the most from the experience and your investment! Revitalize Beauty & Wellness has now opened in a freshly renovated space within MJs Hair Design in the heart of South Arm village.

Alice Rodman has returned home to South Arm and set up her own salon to cater for all your beauty needs including waxing, tinting, manicures, pedicures, massages, facials and more. Alice's focus is to be holistic and as organic as possible whilst offering affordable treatments.

You're welcome to call into the salon to check out the range of treatments and the new beauty salon space, meet Alice and make an appointment.

*PS Is there someone you'd like to spoil? Gift vouchers are perfect and let your special someone select their own pampering menu!*

**Open: Wednesday to Saturday**

### CONTINUED P.1...COMMUNITY CHOIR

Hi, my name is Sharon Prero and I'm new to South Arm. I'm a voice teacher and choral conductor and would love to start a South Arm Community Choir in 2016. Please ring me on 0438 416 688 if you'd like to know more or are keen to try something new to South Arm. Rehearsals will start be on Tuesdays at 7pm at my home in Blessington Street if we can gather enough of you together!

### HISTORY & HERITAGE — Can you help?

Since Maurice Potter decided to take a well earned break his regular piece has been sorely missed. Don't be put off by the 'history' part its simply writing about people/families/events of the past, even a one off memory is what its all about. There are plenty of beaches, events, buildings that mean a lot to past and current residents—share your stories or pictures. A contribution to this newsletter doesn't have to be a regular piece—a one-off story is just as valuable.

Contact the editor—see p.2.

## CREMORNE COMMUNITY GROUP

Between the noise of water trucks and delighted squeals from the beachfront, it has been a summer of sounds and sunshine in our corner of the peninsular. Native species foraging in domestic gardens and the unwelcome rabbits have been other features of this dry season with many, like me, “contributing” to the diets of these plant-eaters!

The community trailer I referred to in November’s newsletter, has proved useful in transporting gear for our Christmas @ Cremorne event in the beach reserve and at pop-up cafés held at the Bowls & Community Club. It has also been used to carry gazebos and associated equipment to birthdays and Christmas-New Year celebrations. Back in the October issue of this newsletter I wrote: with Summer almost upon us, it’s timely to remind all visitors and residents in the South Arm Peninsular that speed limits are there for a reason...so, please, drive safely in our area. Whilst most drivers do the right thing and exercise caution in and around our village roads, there are those who don’t. The Cremorne Community Group is mostly an “events and communication” body but we support those who are concerned about excessive speed in our area and who are considering approaching authorities about traffic calming measures...the potholes are another matter!

Hello Readers,  
I hope you all had a wonderful Christmas and New Years. I will be moving back to Tassie in March and looking for a place to call home. I work for the University of Tasmania and looking for somewhere peaceful to relax and work. I would prefer to stay on the eastern shore. If anyone has anything available or might know of something please get in touch. I look forward to hearing from you.

**A PLEA FROM THE PRES!**

Our Community Centre is in desperate need of an individual or a small group of people who can get things going in 2016. We've got people interested in courses and some tutors interested in taking classes but we need it all pulled together to get things off the ground.

We also need someone to take on getting the internet connection sorted with the relevant technology installed as well (modems etc). We've got a couple of contacts but if there's anyone else out there who'd like to take this on, please do get in touch.

It had been my intention to get stuck into this myself but family circumstances have interrupted my good intentions... and family always comes first.

The Committee is planning to seek funding for a Community Centre Kickstart project which will hopefully see a Centre Coordinator appointed but this isn't going to happen overnight. Should that funding be successful, volunteers in the Community Centre would be given first consideration for any paid work opportunity if they choose to.

Please, if you can assist with any of the above, contact myself or a Committee member to discuss.

**CREMORNE PLAYGROUP:  
Looking forward to seeing  
old and new faces**

Welcome to 2016! We had a great Christmas, New Year and Summer. Formal playgroup sessions will begin back on Monday 15th February, although please be mindful up until after Easter there are a few Monday Public Holidays.

We'll make the most of the sun during Day Light Saving and hold our sessions at the Cremorne Park (unfortunately it does not have toilet facilities but a couple of families live very close by and happy for you to use their facilities if need be). Keep a check on emails, or give a buzz, because it's such a great time of the year and we may also head to the lagoon or beach if conditions allow.

Even if your children are (well) past playgroup age or you can't make Mondays please feel free to join our email group as it serves as a community network for families (e.g. planning important girls nights out) and is a great way to meet other people. Contact details are on page 12.

**NEWSLETTER HOUSEKEEPING**

Our local services and community listings section (pp. 10-12) is pretty full so we will be looking a consistency and length of notices in the next few months and may need to make a few changes. The New Year is a good time to check that the details of any listings are up to date for 2016. Please email updates or revisions to the editor in time for the next issue — contact details on page 2.

## SAPRA: NEW YEAR UPDATE

We hope you all had a enjoyable festive break on our Peninsula and that the recent rains put some valuable fresh water in your tanks!

**A community project blossoms – literally!** If you've liked SAPRA on Facebook, you might have seen the glorious photos of our flowering gums. They are truly splendiferous and evidence that from small things, big things bloom! Thanks Rae Calvert for your photos and thank you Dick Vaughan for your vision and hard work.

**Christmas Eve festivities:** Thanks Milzza Bradshaw and your helpers for creating another traditional event for the kids (young and old!). The Water Fight was great fun but it wouldn't have been possible without the help and expertise of our local firies who constantly demonstrate the true meaning of community (and have some fun doing it we're pretty sure!).

**Stubby holders:** have you seen our beautiful South Arm stubby holders yet? Thought we'd try and raise some funds, promote our spectacular Peninsula and provide something useful all at the same time! Available at the South Arm RSL & Community Club or contact a Committee Member. (See ad page 4)

**Community projects and issues:** as always we're keen to hear your ideas for project and take up any local issues you might have. Please contact me or one of our Committee Members.

**Other Peninsula community groups on Facebook:** social media is a great way to keep up what's happening on the Peninsula. Apart from SAPRA there's a number of other Facebook pages for South Arm (including the South Arm Peninsula Noticeboard), Opossum Bay, Clifton Beach and Cremorne so check them out and keep up to date.

Apologies for the...unusual look and feel of our last issue where a few pages took on a life of their own and appeared upside down and out of order. That's life! Wishing you all the best for the year ahead.

**WANTED**

**A GREAT LOGO FOR OUR  
COMMUNITY CENTRE!**

Our Community Centre needs a logo of its very own and we're inviting you to design one. There will be a prize for the winning entry, apart from the glory!

Our vision is for the Centre to be a fun, welcoming place for everyone. Think of the atmosphere on a Market day when the sun is shining, people are standing and chatting and there smiles all around. It's a place to meet and share, learn and guide. It's currently home to SAPRA, our First Responders, the Community Market and the Art Class and we hope to have more groups joining us in the coming year.

So see if you can capture the essence of our Centre in a visual design for a logo and send your designs to [kerry@theksprinciple.com.au](mailto:kerry@theksprinciple.com.au) and/or [annaliesecaney@hotmail.com](mailto:annaliesecaney@hotmail.com)

Winning design announced ASAP in 2016.

## PUMPKIN COMPETITION

Keep watering (and feeding) those pumpkins – will yours be the biggest grown in the South Arm area? The weigh-in will be at the May Day market (May 1<sup>st</sup>). Inside the Community Centre at that market (May) we hope to have a workshop/discussion/talk about things you can do with your excess produce. If you have excess fruit, freeze it now and learn how to make a decent wine from the fruit. Dead easy.

## FIRE DANGER LEVELS — Summer update

We are now in the middle of the fire season and the Brigade urges all residents and shack owners to be familiar with the fire danger levels.

During the bushfire season, fire danger ratings forecast for Tasmania will be available on the Bureau of Meteorology website, the Tasmania Fire Service website and on the weather page of Tasmania's daily newspapers. You should listen for warnings on ABC Radio or check the TFS website at [www.fire.tas.gov.au](http://www.fire.tas.gov.au) to find out where fires are burning. Power supplies and phones are likely to fail in a bushfire. If power fails, listen to fire updates on your car radio.

During Fire Danger Levels of Catastrophic, Extreme, Severe, and Very High you should frequently check conditions outside your home. If smoke is blowing to-

wards you, a fire is approaching and you should leave immediately by a safe route, away from the fire. Please don't wait for an official warning. If ash or burning embers are landing in your yard, the fire is very close and it may be too late to leave. If this is the case, take shelter in your home. Fill your bath and all available containers with water, and actively defend your home by using the water to put out any parts of your home that catch fire. Alternatively and if time permits, go immediately to a nearby safe place.

Due to the hot and dry conditions there have been a number of days recently that were declared as Total Fire Ban days, and there will probably be more during summer. That means:-

- Tools and equipment that use a naked flame or generate sparks such as welding or grinding, must not be used in the open air.
- Camp fires, burn offs etc and any other fires including barbecues that use wood, charcoal or other solid fuel are banned, but gas and electric barbecues are permitted subject to the strict application of the conditions set out below.
- Gas and electric barbecues provided in public reserves/campsites may be used providing:
  - \* The barbecue is electric or gas fired and the barbecue is a fixed permanent structure.
  - \* Portable gas and electric barbecues may be used provided:
  - \* The barbecue is located within 20m of a permanent dwelling (mobile homes, caravans or tents are not classified as permanent dwellings).
- Additional conditions that apply to the use of portable electric and gas fired barbecues and barbecues in public reserves and campsites:
  - \* the area for 3m around and above the barbecue is completely cleared of flammable material, an adult is in attendance at all times, a tap with hose connected is ready for use and at least 10 liters of water is on hand in case of emergency.

We currently have 4 recruits just about to complete their basic training, but we have vacancies for more firefighters, so if you are interested in joining the brigade, please contact me, or any Brigade member.

## Arm End Public Recreation Reserve PROJECT UPDATE

The Proponents of Arm End Public Recreation Reserve wishes the communities of the South Arm Peninsular a wonderful and safe 2016 New Year.

Thank you for your continued support and interest in our project, which remains on track to begin construction in 2016. We are very grateful for the broad community support for reviving this public resource.

Following the original local council approval that was granted in 2012, we submitted a revised Development Application that was based on our ongoing community consultation and the site improvements gained through further site master planning. In October, 2015, the Clarence City Council approved our second Development Application with Aldermen voting overwhelming in support - 9-1.

Since then, Arm End Public Recreation Reserve has unfortunately been engaged with Resource Management

Planning Appeals Tribunal process initiated by local residents. The RMPAT hearing is set for February 16, 2016. We believe that a resolution via the RMPAT process will finally allow for a start on site, continue to improve the overall project, and address the appellants concerns based around visual impacts, disturbance to residents, and our site master plan.

We feel the project represents a significant opportunity to demonstrate the wider value that a mixed public use space can bring to the community, including the rehabilitation of the landscape.

We believe that when complete, the Arm End Public Recreation Reserve will provide the local and broader Tasmanian community, as well as interstate and international visitors, with a low impact, environmentally sustainable, dynamic and fun-living site that will be enjoyed by all while providing long-term employment opportunities.

**Please contact the project at [info@armend.com.au](mailto:info@armend.com.au) for Arm End Public Recreation Reserve information.**

## CLIFTON BEACH SURF LIFE SAVING CLUB

The Club is now at full swing with a busy program of activities and patrols. Two of the club's U/15 members have been selected to compete in the Southern States Challenge, one of our U/17 and U/19 members represent Tasmania in the Australian Interstates Surf Life Saving Championships in early January at Torquay Victoria.

Clifton Beach SLSC will be hosting two state wide carnivals in February. The Seniors will be held on Saturday 27th February and the Juniors on Sunday 28th February.

Due to the warm summer Clifton Beach SLSC have been busy with their patrols. We really encourage all the community to come along and support the club.

Patrols are still on at weekends and Public Holidays 10am - 3pm with the final patrol for the season will be held on Tuesday 29 March. PLEASE REMEMBER SWIM BETWEEN THE FLAGS.
