

## BEE MARKET GETS SOUTH ARM BUZZING

### And on the TV news!

The headline might be a pun but that's exactly what happened! Our first ever BEE market got off to a magnificent start with adults and kids streaming into the Iron Plot Community Garden to discover exactly what bees are about. And there was plenty of information and honey tastes to be had.

The observation hive was a fascinating (and safe) glimpse into the magical world of the bees whilst inside the Centre many were captivated by the process of extracting honey from the honeycomb.

Sales of all the deliciously different honey when through the hive roof and all the stallholders were delighted with the response to their sweet wares. The bee-art and bee-chats were popular with all and the competition was hot for the best dressed bee.

The displays of information and some wonderful bee photos by Blackpaw Photography will remain in place inside the Centre so check them out at March's market.

All of this went into creating a lovely, friendly and fun atmosphere amidst our community garden. In fact the BEE market was so successful there's plans to make it an annual event. PLUS we made the Southern Cross News that evening!

A big thank you to SAPRA's own Jenni McLeod for her idea and hard work in making it all come together on BEE day. Thanks to all those bee keepers, bee educators and honey-extractors who came along and made all of us more aware of how important bees are to our food production and of course, our breakfast toast!

PS don't forget the Harvest Market on May 7 with a pumpkin competition, how to use excess produce to make wine, a zucchini cook-off, carved pumpkin or zucchini face; excess local produce for sale and kids activities. More next newsletter. **Pictured below Dot and a little bee called Pippa**

## GET BEHIND OUR COMMUNITY CAMPAIGN

In the 2016 December issue we started our community campaign with a rather bold heading—**DON'T LET YOUR LACK OF HOUSE NUMBER MEAN YOUR NUMBER'S UP.** At the SAPRA AGM our Community Emergency Response Team raised the issue that sometimes it is very hard (and therefore very frustrating) to find properties in our area because the numbers on houses or postboxes and gates are too small, obscured or non-existent. Frustrating yes...but potentially life threatening for you when minutes are important in an emergency. Please get behind our campaign and check your property is clearly numbered—numbers that reflect are even better. **See page 6**

### ABOUT THIS NEWSLETTER

The South Arm Peninsula News is produced bi-monthly and distributed throughout the South Arm Peninsula community which is inclusive of areas around Sandford, Cremorne, Clifton Beach, South Arm and Opossum Bay.

The newsletter was initiated by the South Arm Peninsula Residents Association (SAPRA) and continues to be supported financially by SAPRA. Please note the opinions expressed in articles in are not necessarily the views of the Committee.

Both individuals and groups are welcome to submit notices, reports, photos, general articles or other contributions. Guidelines for all contributions are available from the editor **Annaliese Caney**: [annaliesecaney@hotmail.com](mailto:annaliesecaney@hotmail.com) or 6248 8441. ### Saturday Dog Walk

At 8.30am on Saturday mornings enthusiastic tail waggers and their owners meet on the beach below Saltair Court for a walk to Half Moon Bay and back. It's a great way to socialise your dog and make new friends.

Sometimes there are only 6 or 7 dogs, once there were 17, but they all got on well! We are usually back before 10am. On very rare occasions nobody can come, but otherwise it happens every Saturday, and we always like to meet new people and dogs.

## BUSHFIRE READY: A NEARBY SAFE PLACE

A nearby safer place is a place of last resort for people during bushfire emergencies. If you have no bushfire survival plan or your plan has failed, a nearby safer place may be your last resort when there is an imminent threat of bushfire.

A nearby safer place is a building or space that may give some protection from the life-threatening effects of radiant heat during a bushfire. These may include town centres, ground level water (eg rivers, in-ground pools, dams), or large open areas (eg beaches, ploughed or green fields, golf courses, well-maintained sports fields or parks).

The **Tas Fire website** has a planner to help you select your own nearby safer place or contact Lesley King. Ph 1800 000 699 | [lesley.king@fire.tas.gov.au](mailto:lesley.king@fire.tas.gov.au) | [www.fire.tas.gov.au/brn](http://www.fire.tas.gov.au/brn)

**NOTE: a Bushfire Survival Plan Workshop is planned for early 2017 – details to be advised when confirmed.**

**HIRE A SMALL ROOM, A BIG ROOM OR THE ENTIRE COMMUNITY CENTRE!**

The South Arm Community Centre is the ideal venue for a training weekend, seminar or workshop, kids birthday party, business meeting, demonstration, special interest groups and is well experienced in hosting an exhibition!

**Exciting things happen at The Iron Plot\* on Market Days**

In November it was scarecrows and everyone could try their hand at making one, from the simplest to the hardest, but it was all for fun and the handiwork is pictured below. In December no surprises Christmas decorations and it was all a-buzz in February.

**It's a New Year and SAPRA's buzzing!**

Welcome to 2017 - we hope you all had a safe and happy festive season and are diving into the new year with gusto!

SAPRA this year is off to a roaring start with the hugely successful BEE Market (front page in case you missed it) that even made Southern Cross TV news! A big thank you to Jenni McLeod who organised the market, along with her SAPRA support team, and brought in bee-keepers, honey sellers and people keen to see the bees in the observation hive. It was really buzzing (had to be said!).

This market was driven by someone keen on bees and we'd love more enthusiastic people to put up their hand and organise a themed market (or special event) to showcase their particular passion. There's plenty of support if you have an idea and some energy – just contact any Committee member or Market Co-ordinator Lauren (see P2).

At the time of writing we are also gearing up for the opening night of the Clarence Jazz Festival on the 19 February. Once again it's being held on our patch at Calverton Oval and SAPRA will be running the BBQ and bar so we hope the weather holds again and we have a superb South Arm evening of music, BBQ and refreshments. And head to Cremorne on Tuesday night! **Continued...P.7**

## ARM END PROJECT UPDATE January 2017

Arm End Multi-use Public Recreation Reserve is currently investigating suitable sustainable energy options with the intention to power the majority of the site through renewable energy, including the extensive irrigation system for the world-class, Public Golf Course and café.

Our site's water servicing options are still being refined. While this has taken some time to organise, we are confident that we have investigated all options thoroughly to ensure future water security.

We recently hosted members of Coastal Volunteers Australia, who planted 800 Allocasuarina Verticillate - Drooping Sheoak - a dominate coastal tree, propagated from seed harvested locally by the Understory Network.

Arm End is developing a Memorandum of Understanding with CVA to put in place an ongoing relationship that will significantly help with the sites revegetation and rehabilitation.

To all our supporters, thank you for your patience; it will definitely be worth it as we create Tasmania's first public, sustainable multi-use recreation reserve - a beautiful outdoor place for everyone to enjoy.

We will be creating sustainable habitats for our native fauna, as well as the extensive bird life which thrives on Arm End and its surrounds. Our aim is to start the site environmental rehabilitation program in late summer 2017, which will signal the on-ground start of the overall project. We are continuing to maintain the existing walking paths and fire breaks.

Please enjoy a safe, peaceful and fun summer season.

## JELLYFISH IDENTIFICATION APP

Being surrounded by salt water here on the Peninsula, we're used to seeing all sorts of marine creatures on our shores but this app can help us know more about some of the wobbly ones.

Have you ever wondered what those squidgy jelly creatures are that lay around on the beach or float seemingly aimlessly in the shallows? Are they harmless, just prompting a shudder as they squish between your toes or do they have a sting in the tail? And just how you should treat a sting?

A world-first, free jellyfish app is now available (for iPhone and Android) that can help you identify which critter is friend and which might leave its mark.

There's also a paid aid version which offers you the chance to communicate directly with jellyfish expert Dr Lisa-ann Gershwin who is based in Hobart but recognised world-wide for her expertise. Yes, you can send her a photo and she'll respond in person! [Visit thejellyfishapp.com](http://thejellyfishapp.com)

## CONTINUED...P.4

With world events as they are at the moment, is anyone else feeling a greater appreciation and deeper love for the place we call home? We're lucky to have plenty of enticing places to sit and reflect how much we should treasure our peninsula and island state with all its natural beauty and lifestyle. It may not always be perfect but it sure has a lot going for it at the moment. One such place comes to mind and that's Potters Hill Reserve – if you haven't taken the short walk to the top of hill yet, it's highly recommended for breathtaking 360 degree views.

With the new year, SAPRA is considering a new look and would love your feedback and suggestions on a new logo that clearly shows who we are and of course, where we are. Here's one that's been put forward – what do you think? Tell us via email or Facebook or just talk to a Committee Member. If you've got an idea, please send it in – the more the merrier!

As always, please let us know if you have any ideas, feedback, issues for your Residents Association or if you'd like to join our merry Committee this year.

Cheers!

## IF YOU GO DOWN TO CREMORNE TODAY...

Well you'll probably have an awesome day at the beach! Just follow the lead of some of our little playgroup people (pictured below).

### PLAYGROUP

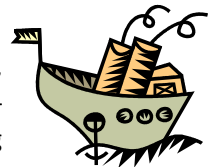

We missed the boat with article deadlines to wish our peninsula community all the best for a Happy Christmas and New Year – so trusting that you did then hopefully you are enjoying a terrific summer. We are very much looking forward to Playgroup in 2017. We welcome new families. Feel free just to come and check us out (good coffee on offer). We've a whole bunch of people who have older children or just can't make Mondays who are on our email list to keep in touch so let us know if you would like to join. Playgroup resumes Monday 20 February (as it's Regatta Day on prior Monday). We will aim mostly for park and beach sessions whilst the weather allows. Contact us or check on email to confirm. Thanks to everyone for their on-going support.

### The Cremorne Playgroup Team

### CREMORNE COMMUNITY GROUP

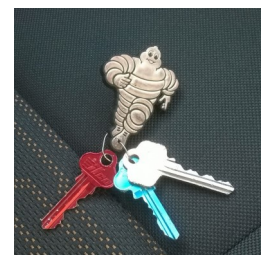

Hi everyone my name is Adrian Beach, aka Beachy El Presidente of a revitalized Cremorne Community Group. I would firstly like to congratulate the outgoing executive group for creating a framework within which we can continue to provide a vibrant social vehicle. Secondly, I would like to welcome the new Executives into their roles Wes Talbot (Vice Presidente), Sarah Meyer (Madam Secretary) and Geir Rodven (Trusty Treasurer). Now I'm not one for titles and the reality is we make up but a small part of what is a larger working group. The primary reason we are all involved is that we share common vision of maintaining and enhancing the quality of life we choose to live down here on the Peninsula....*it's really about you, we, us!!!!* We look forward to connecting those views with the greater South Arm community.

**All the contact details are on the back page—Regards Beachy**

**THE PENINSULA TERRAIN...  
...a wonderland for snakes!**

Amazing? Or does something long and scaly scare the hell out of you? Either way our climate, dry bushlands, grassy fields, and coastal nooks create a wonderland for snakes. Don't slither away and hide under a rock—there are a number of things you can do around your property that may...politely discourage uninvited visitors:

- ◆ Keep grass short and the lower branches of trees and bushes trimmed off the ground where possible.
- ◆ Clean up building materials around the yard, such as piles of timber, bricks or sheets of corrugated iron.
- ◆ Keep rubbish and compost areas tidy.
- ◆ Be aware that chicken sheds and aviaries attract mice and rats which attract snakes—good time to make any repairs.
- ◆ On bigger blocks, put containers of water around the edge of your property to eliminate the need for snakes to come close to the house to drink. Very often they are simply hot and thirsty and will seek water.
- ◆ When working outside wear long pants, thick socks, boots and gloves for a little extra protection.

Snakes generally will not bite unless trodden on or backed into a corner. If you do get bitten seek immediate medical attention call 000. If a pet is bitten they will also need immediate veterinary attention.

**If you see one, leave it alone and call Reptile Rescue Tasmania on 0400 502 403—they offer a rescue and relocation service on the east coast. Visit their website [www.reptilerescuetasmania.com.au](http://www.reptilerescuetasmania.com.au)**

### ST BARNABAS

For our annual Carol Service and on Christmas Day St Barnabas resounded with praise as a record number of people joined the congregation. As usual, representatives from many of the different community organisations, including the school children and the scouts took part in the Carol Service. It is a good time for the community to meet together and thank God for our many blessings.

Christmas Day was the final service here for our assistant minister Ed Cavanaugh. We are all very sorry to see him leave, however our loss is gain for the Parish of St Leonards in Launceston, where, on 28th January, Ed was installed by the Bishop to serve the people there. A good number from this Parish were there to encourage him.

We are now back to our regular services on the 1st, 3rd and 5th Sundays at 4pm to which all are welcome, and to share in the meal together that follows. It would be good to welcome many new faces in 2017. On the 1st Saturday of each month there will be a working bee in the Churchyard, starting 10am, (but come earlier or later or just for 1/2 hr or so if you can), to try to keep the graves and the grass looking cared for. **JANE BEAVAN**
