

ARM END SUBMITS NEW DEVELOPMENT APPLICATION TO COUNCIL

Arm End developers have submitted a new Development Application (DA) to Clarence City Council seeking planning approval for several development improvements.

The new DA was informed by significant community consultation with the major change being the reactivation of the existing quarry at Arm End. An estimated 12,000 tonnes of material will be required for the new walking and cycling tracks. By taking that material from the quarry, heavy vehicle movements in and out of the site will be drastically reduced. After an estimated two years of use, the quarry will be completely rehabilitated.

SOUTH ARM TENNIS COURT SET BACK

Sometime in early July the tennis court was broken into and the net was vandalised beyond repair. This has meant that the court had to be closed until a new net could be obtained and fitted. Unfortunately there has been quite a delay as the supplier in Melbourne has been waiting for their order to be filled. Hopefully the new net will arrive soon and the court reopened by the time you receive this Newsletter.

For bookings and enquiries contact Noela 62 399 172

ABOUT THIS NEWSLETTER

The South Arm Peninsula News is produced bi-monthly and distributed throughout the South Arm Peninsula community which is inclusive of areas around Sandford, Cremorne, Clifton Beach, South Arm and Opossum Bay.

The newsletter was initiated by the South Arm Peninsula Residents Association (SAPRA) and continues to be supported financially by SAPRA. Please note the opinions expressed in articles in are not necessarily the views of the Committee.

Both individuals and groups are welcome to submit notices, reports, photos, general articles or other contributions. Guidelines for all contributions are available from the editor: contact **Annaliese Caney** on 6248 8441 or annaliesecaney@hotmail.com. Space is provided for advertising, contact **Kerry Scambler** on 6248 9302 or kerry@theksprinciple.com.au.

CLOSING DATE:

Contributions for the next issue are due WEDNESDAY 23 SEPTEMBER 2015.

SOUTH ARM FIRE BRIGADE

As we find ourselves in the middle of yet another cold wet winter, the Tasmanian Fire Service is again kept busy dealing with house fires. Although we usually think of the bushfire season as the busiest time for fire-fighters, in Tasmania the winter generally proves to be more dangerous, with significantly more house fires, and unfortunately, some fire-related deaths.

Unfortunately we have already had a couple of structural fires in our area so far this winter, luckily without injuries. All householders should have working smoke alarms and a fire evacuation plan just in case the worse happens.

Planning ahead, spring is only a few weeks away and we can look forward to another summer fast approaching so now is a good time to clear up around your property and prepare for what could turn out to be another bush-fire summer. If you need advice about clearing blocks or general property protection please contact the Captain on 6239 9412.

Most importantly, if you need the Fire Brigade please ring 000. Please do not ring a Brigade Member directly. Doing so will result in a delayed response from the Brigade.

JOIN THE BRIGADE

We have had a number of members leave the brigade recently which means we have vacancies for new members. If you are interested in becoming a Brigade fire-fighter or knowing more about your local fire brigade, please contact the Brigade Captain on 6239 9412 or come to the Station on any training night. Training is always the second Tuesday in the month, commencing at 7.30 pm at South Arm Fire Station.

ARM END...Continued page 1

Another community suggestion was moving the already approved café/retail outlet and it is now proposed to overlook both Shelly and Mitchells beaches, and be built with consideration to its visual impact. The new location is 140m further away from the nearest residents and sits on higher ground allowing visitors to enjoy the site beauty.

retail outlet and it is now proposed to overlook both Shelly and Mitchells beaches, and be built with consideration to its visual impact. The new location is 140m further away from the nearest residents and sits on higher ground allowing visitors to enjoy the site beauty.

The maintenance area will now include the site's native plant propagation nursery, where some 80,000 plants for the revegetation and rehabilitation program will be grown. The maintenance facility (with nursery) has been pushed about 140m further away from residents and will be screened by landscaped dunes and taller types of revegetation planting. The closing date for submissions to Council was the 22 July. We appreciate the continued excellent feedback and ideas from the local community at South Arm and Opossum Bay (like the plant nursery!) and look forward to seeing the project commencing on target in 2015.

For further information, including the site master plan, see the project website or contact me at any time.

Craig Ferguson, Project Manager | 0409 222 858 |

SPRING INTO SPRING...WITHOUT WINTER'S BAGGAGE!

The cold period often sees us snuggled up inside with warming comfort food and little incentive to go out and be active. Come spring inevitably those nasty scales will tell the story too! With the new gym in the heart of South Arm, there's no excuse not to be ready for action when spring bursts. If you haven't checked KBD's gym out yet, here's an offer to entice you out.

KBD Personal Fitness and Health Club is offering a free two week trial for new gym and class users so you can experience it first hand before you commit to a new you! Plus, as a little more encouragement, if you sign up for a year's membership in your first trial week you receive 50% discount on your joining fee. If you sign up during your second week you receive 25% discount on the joining fee.

KBD Fitness provides personal service and pays close attention to how you're training meaning you achieve the maximum results. Check out the Facebook page to see the success others have already achieved.

If you're lacking mobility and/or suffer from any illnesses come along and speak to Sam. She's helped clients gain strength and mobility and given people of all ages the confidence and ability to perform everyday tasks again. So with the countdown to spring on, call and book your free trial!

6239 9432 | www.facebook.com/kbdpersonalfitness

The ST.ART Street Art Festival at Rosny Farm is on in August, encouraging young Tasmanians to explore creative ways of making street art, in an effort to reduce graffiti in the Clarence municipality. For the first time in its seven year history the ST.ART Festival is exploring new territory, launching the program's first ST.ART expo, on Saturday, 22 August from 11am-3pm.

THE BIG ARTY WEEKEND APPROACHES plus waves across the Peninsulas

Whilst the focus of our bi-annual South Arm Art & Craft Exhibition is first and foremost to show off the talent that often shyly hides on our own Peninsula, this year we've offered a friendly wave across Frederick Henry to artists of the Tasman Peninsula.

We've invited a number of artists to come and join the fun in September and look forward to sharing art and stories of Peninsula life with them. Entries from locals are starting to come in with many more promised before the official closing date of 26th August – which is coming all too soon (just like Christmas but who said that?!). So even if you haven't finished your creation(s) just yet, please do drop us a line to let us know you're working hard.

Here's a list of some of what's been on show over the past five exhibitions: paintings of all types, photography, feltwork, mosaics, leadlight, woodwork, metalwork, jewellery, embroidery, glasswork ,beading, sculptures, ceramics and pottery, baskets, quilting, teddy bears and other crafts made with love aplenty. What will be on display with your name on it this year? Perhaps some recycled art? We can't wait to see your creations up in lights!

Exhibition launch: pm Friday 18th September
Exhibition open: 10am to 4pm, Saturday 19th and Sunday 20th September
Keep up to date via [Facebook.com/SouthArmArtCraftExhibition](https://www.facebook.com/SouthArmArtCraftExhibition)

IRON PLOT COMMUNITY GARDEN
Have you been along to look at 'The Plot'?

It is situated next to the Community Centre at South Arm and we meet there on the last Sunday of the month at 10am. We usually commence with a cuppa and discussion as to what is needed to be done and then do some work on 'The Plot'. We would like more people to join us so if you have a spare hour on the last Sunday of the month please come along. Gardening tips to share? Striking roses from potatoes?? Have you tried it?

BP Lauderdale Service Centre

All type of mechanical and servicing:
- cars - 4x4s - motorbikes - trailers - lawnmowers -

Petrol and Diesel

- puncture repairs - new tyres - fuel injector cleaner -

Plus all your daily needs:

Mercury - hot pies - drinks - mobile phone credit
- ice - bait - cigarettes - chips - lollies -
gas bottles - exchange or fill

Local owners James and Kylie Baldwin welcome you:
538 South Arm Rd, Lauderdale 7021 Ph: 6248 1026

SOUTH ARM PENINSULA RESIDENTS ASSOCIATION: COMMUNITY NEWS UPDATE

The southern approach to the Clifton Beach intersection will hopefully be safer with works carried out by the roads arm of State Growth. SAPRA was persistent with our request that this section of road be given urgent attention and we thank the staff who appreciated our concerns and acted. Along with signage relocation and the road verge being cleared, drains have been installed in the driveways that overflowed across the roadway. We'll monitor the results with the next deluge (whenever that may appear?). But please, always drive to the conditions.

COMMUNITY MARKET – where are the shoppers? Whilst there were more stalls at the July market, there didn't seem to be many people looking around and buying. Come on South Arm, you know it rarely rains down here and put an extra scarf on if you're cold – or better still buy one while you're there!

We also still need a Market Manager – it's fun and not hard work! Our Community Market deserves the focused attention of someone so if that's you, please get in touch!

COMMUNITY BUS – drivers: a BIG THANK YOU to the people who put their hands up to be volunteer drivers. We've refined the process to make it easier and hope to have some friendly new faces join Richard and Fred very soon.

BUS FOR HIRE: remember that the bus can be booked outside the scheduled Tuesday trips (subject to other centre's requirements). Get a group (adults and/or kids) together and go to MONA or the refurbished Museum, take in a show, walk around the Botanical Gardens or the Inverawe Native Gardens at Margate. There's some ideas for a start! Call Richard to book: 0412 789 789.

SOUTH ARM OVAL MASTERPLAN: wow – what a response from the community! Almost 300 residents had their say and it seems that every facet was supported by 60% or more of you. The Council was impressed (but possibly not surprised, it is South Arm after all!) by the interest shown. The Masterplan was approved by Council with minor amendments and the adult exercise equipment and hardstand the first priorities. (See details in Council Meeting Minutes for 1st June on www.ccc.tas.gov.au)

Please contact any Committee Member with any queries, issues or projects you'd like to see in our community.

KERRY SCAMBLER | SAPRA President

HOPE FOR HORSES SUFFERING NEGLECT

Unfortunately there are many unwanted and neglected horses in Tasmania. They can be forgotten, considered past their use by date or their owners are suffering hardship themselves.

In 2007 the Tasmanian Horse Rescue and Rehabilitation Organisation Inc. (THRRO), a registered not-for-profit organisation based in Sandford, was set up to take and rehabilitate badly neglected horses, retraining and re-homing them wherever possible. These horses deserve the chance of having a full and healthy life and in the last 8 years, 20 horses have come through the program.

Horse owners confronted with hardship or inability to care for a horse can turn to THRRO for non-judgmental assistance, whether surrendering their horse for the care it needs or simply advice on a problem.

THRRO depends entirely on its own fundraising efforts, donations and membership subscriptions. It's managed and staffed entirely by hardworking volunteers – the small group of dedicated committee members and volunteers giving their time and land to care for the horses. But there are always bills for feed, vets, hoof trimmers etc.

On the website you can see the horses in our care, and our success stories ... and how you can help by donating time, money or goods and services for fundraising prizes to help us keep making a difference.

THRRO only has the resources and manpower to rescue a few, but continues to make a difference where we can to suffering horses and owners themselves who encounter genuine hardship.

TOMMY'S TALE

Tommy a Standard bred gelding found forgotten in a paddock after his racing days were over. He was very malnourished and his hoofs needed urgent attention. After rehabilitation, bodywork and training, he is re-homed in Launceston and ready to take on the next stage of his life.

HISTORY & HERITAGE

Looking back on family history and Mercury Records.

GOLDEN WEDDING CALVERTON-HALL, SOUTH ARM, on October 25, 1832, the marriage off WATSON-BELLETT William Robert, second son of the late Mr. and Mrs. John Watson, sen., of York Grove, Sandford, to Alice Eliza, eldest daughter of the late Mr. and Mrs. John Bellette, jun., of Sorell.

The above wedding ceremony was performed by the Rev. Canon H. Finis at the old school, South Arm (on the corner of Bezzant's Road). The residents of South Arm and Sandford did honour to Mr. and Mrs. Watson by giving them a reception at Calverton Hall. There were over 300 persons present. A gold and white wedding cake was given by Mrs. H. Alomes, Mrs. Alan Calvert and Mrs. Alf. Calvert was surmounted by the representation of a gold cricketer, in recognition of Mr. Watson's 70 year's career as an active player. As the guests of the evening entered the hall "The Wedding March" "Here Comes the Bride" were played by Mrs. A. Hurd. The bridesmaid of 50 years ago (Mrs. A. M. Elliott, of Melville Street, Hobart, nee Bellette) accompanied Mrs. Watson. The Warden of Clarence Mr. A. Chipman was introduced by the chairman Mr. E. Calvert, spoke of his 50 years' association with Mr. and Mrs. Watson in the amenities of the district, and said he had found them true and constant friends, who had always been actuated by those principles that should guide us, all through life. They had never turned a deaf ear to any charitable appeal. Mrs. Watson had been one of the earliest State school teachers at South Arm. Mr. Watson was a great sportsman, in the bush and at the range, and had always been amongst the winners. He played the grand old game of cricket when it was in its infancy in the district, and had not missed a season since—a great record—from the age of 15 years to 75.

He presented Mr. and Mrs. Watson with a wallet of notes from his friends, a travelling rug from his sisters, a crystal clock from Mr. and Mrs. Jensen, a bowl from the Rev. H. C. and Mrs. Brammell, and, several other gifts from relatives; also numerous bouquets for Mrs. Watson.

Other speakers were the Rev. V. H. Gill (rector of Clarence), the Rev. H. C. Brammell) (late rector and lifelong friend), Councillor Mr. O. J. Morrisby and Mr. Ernie Calvert. Mention was made of Mr. and Mrs. Watson's long career of church work, Mr. Watson having served several terms as churchwarden, At 9.46pm silence was observed while 7HO radioed congratulations; then sheaves of telegrams were handed to the happy couple.

A feature of the evening's programme was the performance by the Sunday school children of "The Wedding of the Painted Doll." This was organised by Mrs. Hurd and Miss Dickson and Mrs. Watson on the women's societies and committees. This was the first golden wedding that has been publicly celebrated at South Arm in the Calverton Hall. Notes from my grandmother's diary Mrs Edward Alomes states that 300 people from the South Arm and Sandford attended this celebration.

RECIPE: CARAMELISED CHICKEN & CORIANDER

- 4 (800g) x chicken thigh cutlets
- 1 medium (170g) red onion, sliced thinly
- 3 cloves of garlic, sliced thinly
- 1/4 cup (55g) brown sugar
- 1 tablespoon dark soy sauce
- 1 tablespoon fish sauce
- 1/3 cup coarsely chopped fresh coriander

1. Preheat oven to 200 C /180 C fan-forced.
2. Heat vegetable oil in heavy frying pan and cook chicken on both sides until browned. From here you can continue pan frying or roast uncovered for about 25 minutes—either way until cooked through.
3. Use the same frypan and cook onion and garlic, stirring, until softens. Add sugar, dark soy sauce and fish sauce cook and stir for about 3 minutes.
4. Return chicken to the pan and coat in mixture and then serve with coriander and on a bed of rice.

CREMORNE PLAYGROUP

The big news is we've a fresh load of sand in our BIG sandpit. The kids just love it! We're also on the road to getting new outdoor chalkboards. Many thanks to Clarence City Council for their Quick Grant to our group which supplied us with these much needed improvements.

Just as exciting news is that we are hoping to hold a **quiz night in the spring** to raise a few dollars and to have a fun night out with a group of friends. Please get in touch if you can help us in any way (general logistics, prizes, promotion etc., - contact details on the back page) and start thinking about a table. Don't worry if you can't organise one we'll fit you in with a group somewhere.

We'd like to once again thank the wider South Arm community for their support to our group. Feel free to come along and check us out – we really enjoy having new faces join in. **JODIE**

COMMUNITY PARTNERSHIP: Rokeby High School and UTAS

Rokeby High School (RHS) students have been provided a fantastic opportunity after the announcement of RHS being the pilot school for a significant partnership with the University of Tasmania. The partnership will provide our students with numerous opportunities to get a head start on the competition by participating in a number of University led programs held at RHS and at the Sandy Bay Campus aimed at providing students with real life experiences of university, and the many possible pathways beyond high school. Some of the programs include:

UTAS 'Students in Schools' program

The university's Students in Schools program is designed to inspire young people in Grades 5-8 to broaden their options and consider higher education or university study in the future. The program has university students that go into schools and run a series of fun, hands-on and engaging activities to give students a taste of what university is all about. These programs aim to show students that it is possible and that with the right supports and a keen interest in a subject that they will be able to be the best that they can be.

Foundations for Active Living

This unit is a free course for everyone to provide students and community members with an opportunity to experience study at university and to give them an entry point into the Faculty of Health Science. The unit provides participants with knowledge and skills to commence or maintain a healthy lifestyle using evidence-based knowledge and practices. The unit covers nutrition and food, being active, health promotion, behaviour change, goal setting and tools and activities to put this knowledge into practice.

Business Education Partnership – In conjunction with Elizabeth College

A program aimed at raising the profile and relevance of business studies at all levels of education. The program incorporates business tours, industry speakers, work placements and career advice and mentoring. The program is designed to expose students

of all levels to business and other areas of employment around the four industries of the future which are Health, Food, Tourism, Advanced Manufacturing and Innovative Technologies. Everyone at Rokeby High School is extremely excited about this partnership developing into the future.

Rokeby High School

Connect. Inspire. Achieve.

FIRST AID, MOSAICS AND MORE ON OFFER AT YOUR COMMUNITY CENTRE

Did you know that along with the monthly market, your Community Centre also offers Art Classes, a home for both our Community Emergency Response Team and the SAPRA Committee and coming soon, qigong classes? And of course, outside is our fantastic Iron Plot Community Garden.

BUT: have you seen the size of the Centre? And seen how many days a week it looks a bit lonely? Our Centre deserves more action than we're giving it so come on South Arm and let's get some stuff happening!

Here's some courses we'd love to get off the ground soon:

- First Aid course: learn to save a life, it could well be the life of someone you love.
- Research your family history: where on earth do I start?
- Make a vintage apron: for a nostalgic encounter with the 50s & 60s.
- Mosaics: take some broken things, glue, inspiration and fun and be surprised by what you create!

If you're keen to give any of these a go, contact us below or fill in a form at the South Arm Store (or talk to Karen at the Community Pharmacy about the First Aid Course).

We're also trying to organise an internet connection that doesn't cost the earth so we can offer other computer courses. If you can help us with the connection, we'd love to hear from you!

FOR HIRE: if you'd like to hire the Centre for a special event, exhibition, business meeting, group gathering, workshop, demonstration etc, please contact us for details.

Paws n People Positive Dog Training

Come and join our qualified instructors for one-on-one training and behavioural consultations. We can come to your home or visit us in beautiful Sandford. Bring out the best in your relationship with your dog and solve some of those nagging behavioural problems. We teach you modern, positive reinforcement techniques so you can effectively alter behaviours in your dog. Training is something we do WITH our dogs, not TO our dogs.
