CRIME STOPPERS SHOWCASES SOUTH ARM COMMUNITY ON TV

Crime Stoppers and Southern Cross TV are producing a series of three minute TV segments about positive community stories that will air weekly after the Southern Cross News and be promoted across other communication channels throughout the year.

Crime Stoppers was particularly interested in the development of the new skate park in South Arm. They believe it's a great example of local youth driving an exciting community project — through the development of the South Arm Oval Masterplan and Skate Park. And of course we completely agree!

Filming was done in late September and the South Arm story is now in production. We'll bring you viewing dates as soon as we know – keep your ears open and an eye on local social media!

Follow the skate park story and its developments on Facebook at South Arm Skate Park Official Page

CREMORNE PLAYGROUP

A huge pile of rocks overlooking our beautiful Peninsula was one of the top hot stops on our Welcome Spring Outing at a local Cremorne farm. Thankfully the snakes were still asleep and the parents/carers could relax with the view. We continued through the beautiful bush and finished off with a morning tea picnic in the paddock. We've really enjoyed the many new faces that have been coming along. Many thanks also for our regular supporters. Which brings us to the must attend event of November for the wider community – Cremorne Playgroup Quiz Night, Saturday 5th. There will be fun, glory and prizes (probably in that order) so sign up quick for a great night of entertainment. Keep informed via our email group or give us a buzz if not sure where we will be (see p.12).

SAPRA AGM AND GENERAL MEETING

6.30pm Tues 22 November – South Arm Community Centre

The South Arm Peninsula Residents Association Inc (SAPRA) Annual General Meeting will be followed by a General Meeting. This is your chance to hear firsthand SAPRA's activities during the year, to raise your issues and projects and also provide feedback on the work SAPRA does around the peninsula.

If you would like to **submit a subject for discussion** at the General Meeting or **join the SAPRA Committee**, contact SAPRA Secretary Jenni MacLeod (see p.2). Keep an eye out for posters with further details in coming weeks.

Note: that to vote on an agenda item or join the Committee, you must be a current financial member of SAPRA. Membership forms available at the South Arm Store and at the AGM/GM in November.

Kerry Scambler | President, SAPRA | 0407 875 460 | SAPRAPres@southarm.tas.au

Refreshed look for SAPRA and Community Centre?

We're thinking a new look is in order for 2017, starting with new logos. Any ideas? The SAPRA logo is now 27 years old – time for a makeover perhaps? If you've got some creative ideas, please send them through to us (details p.2) or leave in the SAPRA box at the South Arm Store with your name and contact details.

The Community Centre is also in need of its own personality and whilst we have some good options already on hand, the more the merrier! If you'd like more background information on SAPRA or the Centre for inspiration, talk to any Committee Member.

Options for both logos will be on display at the AGM/General Meeting on the 22nd November.

Come on, get creative!

IRON POT GOLF CLUB

Over the years the Iron Pot Golf Club has been extremely blessed to have some wonderful staff, volunteers and workers who have cared for our course. For the past 7 years **Tony Alexander** has led our team of workers and we sincerely thank Tony and his dedication and long hours of work. Tony has decided that it is time for him to step back and take things a little easier. Therefore, the club's committee believes it is an opportune time to seek a broad input from our golf club members and local community members regarding your willingness to help out.

Our club is seeking expressions of interest from members of the golf club or members of the community who would be interested in working or volunteering on the golf course. It takes a great deal of work to maintain and improve our golf course and we are in need of people with expertise, time, skills and a willingness to work with a team to ensure the future of our golf club. If you would like any more information or you believe you have any expertise, skills or time to offer could you please contact the club President Peter OKeefe in person or by phoning 6248 9402 or 0408 786 893.

CREMORNE COMMUNITY GROUP

Unlike some local councils in our state, the transition from 'old guard' to 'new' has gone smoothly for the Cremorne Community Group. At our AGM held on 28 August, the following community members were elected to the CCG Executive:

- * President – Adrian Beach adrianbeach301277@hotmail.com
- * Vice-President – Wes Talbot
- * Secretary – Sarah Meyer saremeyer@hotmail.com
- * Treasurer – Geir Rodven

The Executive has hit the ground running with Facebook updates and volunteers in place for the upcoming Cremorne Long Table Lunch on Sunday, 16 October and Christmas @ Cremorne on Sunday, 18 December. The **Cremorne Day Celebration** takes place each October around the date - in 1959 - when Cremorne was officially gazetted as a place name. The Christmas event is a chance for community members to share in this special time of year when the Sandford fire truck doubles as Santa's sleigh and the beach reserve is transformed into a decorated pine forest.

Our AGM was preceded by a Community Forum on 14 August. It was pleasing to see SAPRA President, Kerry Scambler, at this gathering where she offered the support of her umbrella organisation for dealing with matters of a generalised 'Peninsular' nature and for issues that might require a bigger advocacy voice than ours. This spirit of co-operation is much appreciated, especially when finite resources sometimes pit organisations against each other as 'competitors'.

As the outgoing President of the CCG, I want to record my gratitude to the hard-working Executive that I have been proud to be part of for the last 6 years. When retiring Secretary, Vicki Pearce, initiated our Group as part of the Wrecked in Cremorne celebrations in 2010, we weren't sure where the journey would lead us...but, sometimes, that's how the best journeys begin!

SOUTH ARM GARDEN CLUB

We have very relaxed meetings (usually with a 'bring and show' segment) and interesting garden visits. Last month we visited Robin and Chrissie's garden in Halfmoon Bay and what a lot of fabulous native plants it held. After that we pitched in and pulled a few weeds out of Richard's garden, as he was having a few health problems just as the weeds started to grow. All fun!

Meet 4.30pm at the Community Centre on the Monday after the Market (7th Nov).

You can plant just about every vegie in October, but hold the tomatoes till later in the month, unless you use a hothouse, or build little tents over them with plastic bags. Even so, you really won't get tomatoes any quicker if you plant now with lots of bother, or plant late in the month and don't have to worry about them. NOTHING BEATS a tomato ripened and picked off the bush. I often wonder if the non-gardening younger generation really know what they're missing. Gorgeous looking, firm tomatoes in the supermarket with no flavour at all – and the same goes for strawberries.

At South Arm where we have very few frosts we can plant potatoes virtually all seasons. For lazy gardeners these are a very rewarding plant. Peter Cundall gave this description of spuds:

- ◆ **Bismark:** This is the traditional Christmas dinner new potato. A lovely, long, creamy coloured tuber with distinct purple eyes.
- ◆ **Kennebec:** All-purpose potato. If soil dries the growing potatoes become widely dispersed making it a bit harder to find them all.
- ◆ **Brownell:** Don't grow so well in our poor soils (South Arm).
- ◆ **Pink Eye:** Magnificent, yellow-fleshed, waxy, early cropping potatoes. Good to eat baked in their jackets, roasted, mashed and are outstanding as the main ingredient in potato salad.
- ◆ **Russet Burbank:** Bit sensitive about getting dry (always a problem in South Arm), but are good eating with a very firm white flesh and an attractive russeted skin.
- ◆ **Tasman:** Tasmania's own. The foliage is an excellent weed suppressor and the potatoes are a bright reddish pink colour with white flesh. They're easy to dig because the tubers seem to form a close compact cluster.
- ◆ **Up-to-Date:** Creamy-fleshed, flattish tubers with an excellent flavour.

ON THE AGENDA

Happy Spring from your Residents' Association! We've got a busy period leading into the festive season with:

- ◆ New activities planned for our Community Market (especially for the kids).
- ◆ The Bushfire Ready Neighbourhood program getting underway with the forum on the 30th Oct.
- ◆ Our AGM and General Meeting on the 22nd November.
- ◆ Upkeep and improvements at the Community Centre.
- ◆ and all our usual projects and issues to work on!

We've recently welcomed John Cranwell, Principal of South Arm Primary, to our Committee and already seeing ways to work more closely. We've also had the pleasure of Joan Griffiths and Noela Foxcroft, representing Calverton Hall, at meetings. Again, it's a sensible strengthening of communication between our two organisations who share the oval precinct and have the community's best interests at heart.

If you'd like to join our merry band, please contact our Secretary Jenni, (see P2), or keep an eye out for Committee Nomination forms at the South Arm store.

If you have any issues you'd like raised or projects you're keen to initiate or help with, please do contact myself or any SAPRA Committee member.
