

## Pocus Hocus Extravaganza

South Arm Primary School recently entertained and delighted their families and the wider community with another amazing production. Grade 5/6 students took to the stage at Calverton Hall under the direction of Ben Smith and Joshua Scott. There were high expectations after the success of last years Jack and the Beanstalk - but they delivered in full peninsula pantostyle! Students from the surrounding areas - Lauderdale Primary School and St Johns Catholic School - also attended and hopefully left with more than a laugh but rather a spark of interest in the performing arts. Front of house or behind the scenes there is always a role for everyone. Congratulations to all

## NEXT ISSUE — SEND IN YOUR CHRISTMAS EVENTS

Most communities know it's the small things that make them strong and vibrant — cue a community library. Visit the new library at the South Arm Community Centre, open Mondays 10:30am—12:30pm. If you are spring cleaning your bookshelf please remember that donations are most welcome.

There is also a growing resource area with information on mental health, blood pressure, the community bus, fire safety and more. Pop in and have a cuppa and a chat...and hopefully leave with a new read. Find the library on Facebook for updates.

# MAST

**MARINE and SAFETY TASMANIA**  
*making boating better*

With a coast line longer than NSW and Victoria combined, it's little wonder that interest in boating in Tasmania is enormous. We have over 30,500 registered recreational boats plus all those not requiring registration. 1 in 17 Tasmanians has a registered boat and 1 in 8 Tasmanians has a boat licence. Add in all the "off the beach" type craft not requiring registration and maybe 1 in 7 Tasmanians have a means of getting on the water. Compare this to NSW where 1 in 32 have a registered boat!

Since 2000, registrations have increased by huge 84% meaning many are getting onto the water with little experience. Experienced or not, **it's essential that everyone takes time to prepare before each trip on the water.**

Checking the weather is paramount to having a great day out. **Always check the weather on the day you're heading out**, don't rely on last night's TV forecast – we all know our weather can quickly change significantly. Online, the best weather forecast site is the Bureau of Meteorology's Meteye. <http://www.bom.gov.au/australia/meteye/index.shtml> as it gives you 3 hourly outlooks on the exact area you plan to go boating in and, if planning a longer trip, there are detailed 7 day outlooks.

It's also essential you have all the required safety gear. **By January 2021 all Tasmanian boaters will be required to have the new AS4758 standard life jackets.** This date will see the end of a 10 year transition from the old PFD 1,2 and 3 type life jackets. **MAST is offering \$20.00 vouchers** – just keep an eye on the [MAST Facebook](#) and [website](#) to see where their staff may be over the coming summer. Take your old jackets along for MAST to mark them then you have until December 2020 to purchase your new AS4758 jackets with a \$20 upfront discount. *Safe Boating.*

**New book released by South Arm publishers — Hell Fiction**

Local resident Allan Boase of Release Publications introduced his son Matthew's new book, Hell Fiction, at our August Market ahead of the official launch at Fullers Bookshop.

In a nutshell, Hell Fiction is a unique multi-genre book, part theological crime-thriller, part black comedy, with an urgent social message from the warped imagination of a zany bipolar debutant writer.

Hell Fiction by Matthew Boase is available at Fullers Bookshop or direct from the publishers at [www.hellfiction.com/](http://www.hellfiction.com/) Copies are also available in South Arm if you email [info@hellfiction.com.au](mailto:info@hellfiction.com.au) (Note: free delivery around Hobart is offered for online purchases for the next couple of months)

We wish Allan and Matthew all the best with their first book.

## Cremorne Playgroup

### SPRING IN THE PARK

The Cremorne Playgroup will be back for Term 4 from Monday 16 October. Spring will see us meeting at the Cremorne Playground each Monday morning when the weather permits. Please

email Jeni at jenimidd@gmail.com to join our mailing list for updates when the weather forces us to change the location.

Playgroup meets every Monday (10am-12pm) during the school term. It's a great place to meet other parents/carers and kids in the area. The last Monday of the month we go for an outing together somewhere close by. All families in the area are very welcome and encouraged to come along when it suits – no commitment required. Just bring along a piece of fruit to share and a \$2.50 donation. We look forward to seeing you there!

### QUIZ NIGHT

Cremorne Playgroup Quiz Night is on again – Saturday 4 November. Trivia is the theme. Last year many teams excelled at knowing that whales swim in pods, emus and sheep get about in a mob, geese in a gaggle and ladybirds in a group called loveliness. The question was, however, what group do flies get about in? Some thought a buzz, which sounds right – but isn't. The answer of course is a swarm but you could also include a business or cloud. And which embassy has Julian Assange sought refuge? – The Ecuadorian. The third smallest capital city in Australia is Canberra and the Hobart Myers building burnt down in 2007.

No need to study. Much borders on the absurd and silly!

See page 5 for all the details to book a seat or a table – and yes there are prizes!

MAKE EVERY BIRD COUNT  
**23-29**  
OCTOBER 2017

### FOURTH ANNUAL AUSSIE BACKYARD BIRD COUNT

The bird count is a great way to connect with the birds in your backyard where ever that might be – suburban backyard, a local park, a patch of forest, a farm, down by the beach, or the main street in town. It only takes 20 minutes and the data collected helps BirdLife Australia to better understand the birds living where people live. And as a little extra incentive, there are some incredible prizes to be won!

## ON THE AGENDA

### with your Resident's Association

Spring has sprung – yay! The abundant daffs are showing off their happy faces, the days are finally warming and walks on the beach or bush tracks are full of birdsong. Meantime, our busy Committee continues to work on local issues, supporting various groups and initiating a few projects of our own.

The **South Arm Community Library** has been a huge hit – we've even had to build more shelves, thanks to the generosity of so many locals. Thanks to Karen Kelly for initiating and driving this project with much enthusiasm!

The **South Arm Songsters** are loving their new keyboard - Monday nights at the Centre are a joyous occasion these days! We hope to see them making guest appearances at local events soon :)

Plans are afoot for coming **South Arm Community Markets** – in November we hope to have the band from South Arm Primary School belting out some tunes and December is going to be focusing on Live Local, Give Local. (Keep up with the Market on Facebook – South Arm Community Market).

Safety is high on the agenda so **bushfire preparation and boating safety** should be on everyone's mind. This newsletter now has regular articles from Tas Fire Service and MAST.

Over the last month or so, the **Community Centre** has also hosted a Movie Night for South Arm Primary and a Bushfire Planning Workshop. It's awesome to see our Community Centre so much livelier than ever before and we're looking forward to more groups forming and discovering this fantastic local facility.

The **SAPRA AGM** is coming up in November (see notice on p.1) so please put the date in your diary and come along. We hope to have a guest speaker – more news on that later.

Remember, if you have any issues you'd like to raise or projects you'd like support for, please contact me or any of the Committee Members.

Cheers, Kerry Scambler

**Rural Alive and Well (RAW) on the Peninsula:  
Talk to a mate – 24 hours a day / 7 days a week**

RAW operates across rural Tasmania (including our Peninsula) providing support to individuals, families and communities through Outreach services and training programs. It was formed to create resilience and capacity of individuals, families and the community to react to challenging life experiences with particular emphasis on suicide prevention, mental health and wellbeing.

The outreach program is a 24/7. RAW staff can come to you or you can talk to them over the phone. They'll give you a friendly ear in a difficult time, offer information, support and strategies to help as well as linking you to relevant services that can assist.

It doesn't matter what the issue is when someone is experiencing high levels of stress and feeling alone. What matters is that someone demonstrates a caring, confidential and non-intrusive approach to helping, and being available when the help is most needed.

RAW provides accessible and responsive support services to all rural communities. Assisting the community in the response to crisis, and help in recovering or coping after adversity. They establish structures and networks to assist individuals, families and communities to deal with suicide.

Further support services is provided to individuals and their families at risk of mental health problems and suicide.

## St Barnabas

Our little church is now 125 years old. In the early days of settlement on the peninsula it was the hub of the community, and although today we are busy with so many things which were at that time never even imagined, our need to thank God for all his blessings to us and our community is perhaps more important than ever.

In September the church packed a record 57 shoe boxes for deprived children to be distributed by Samaritans Purse in the annual Operation Christmas Child appeal. It's likely most of our boxes go to Cambodia. It's never too early to start putting aside bits and pieces for next year — although 57 boxes is a record, records are meant to be broken! If you want any more information on the Christmas shoe boxes and what you can do to contribute give Jane Bevan a call on 6239 9244.

At present services are on the second and fourth Sundays of each month at 4:00pm, followed by a meal. Everyone is very welcome. Information about Christmas worship and carol services will be in the next issue.
