

CLIFTON BEACH SLSC

The club will be hosting an OPEN DAY on Sunday 6 December 9.00am – 1.00pm and everyone is welcome to come along. It is a FUN DAY with surf life savers showing off their skills. This will also be the first day at Clifton for the nippers who have started training at the Clarence Pool and Cremorne.

On 2 January (Saturday) Clifton will be hosting a Boat Carnival and in February it will be holding two state-wide carnivals, with the Senior's on Saturday 27 and Sunday 28 for the Juniors. So come along and see lifesavers in action on boards, ski's, swimming, beach events and boats.

Beach patrols start on Saturday 5 December 2015 until Tuesday 29 March 2016. The hours are 10.00am – 3.00pm Saturday, Sunday and Public Holidays. NO PATROLS ON CHRISTMAS DAY.

Clifton is one of the most dangerous surf beaches in Tasmania so it is very important that YOU SWIM BETWEEN THE FLAGS. If unsure of the surf conditions please feel free to come up to one of the lifesavers on patrol to seek advice and have a friendly chat. All lifesavers are volunteers and they put in a lot of time updating their skills in life saving awards. If you would like to become a lifesaver please feel free to contact our club President Mark Godfrey.

All club contacts are listed on p. 12

SAPRA COMMUNITY NEWS

You're invited! We'd love to see some new faces on our Committee, the more the merrier we think! You might not realise it but everyone has something to contribute – an idea, a point of view or a different perspective. It's all appreciated. We meet once a month and achieve a lot for a small group but think how much more we could do with a bigger group! Committee nomination forms available at the South Arm Store or simply contact one of the Committee Members (p. 2). **We welcome new members at any time.**

Our **Community Centre** has been busy in the last few months hosting two groups over multiple days after which we received valuable feedback and of course, some income! **Courses:** thanks to a grant from the Premier, Hon Will Hodgman, the internet will be connected early in 2015 with courses to start soon after. We have also organised Basic Mosaics workshops for Jan/Feb – final dates to be confirmed. It's all finally coming together folks so keep an eye on our Facebook page for updates.

Arm End Public Recreation Reserve Update

The project is progressing through another Resource Management Planning Appeals Tribunal process with a small group of representors. This follows the Clarence City Council voting 9-1 to approve the new Development Application for the site, which adopted many of the community's improvements for the overall project.

Arm End remains on track to begin onsite construction in 2016.

Plant ahead for the Harvest Market 2016

Hope you've started those pumpkins for our pumpkin competition in May (remember it's only for pumpkins from our area—the neck at Lauderdale to Opossum Bay)! You might have to water them this year as we're expecting a hot, dry summer!

We may expand the harvest theme a little more – not necessarily competitions, but demonstrations on things to do with your excess produce (bottling fruit, making wine, special recipes), samples, a scarecrow exhibition! Suggestions welcome, watch this space!

SCHOLARSHIP OFFERED FOR FIRST YEAR UNI STUDY, TRAINEESHIP OR APPRENTICESHIP IN 2016

Luke Young (1988 – 2009) was an inspirational young man, respected by all who knew him in South Arm and beyond. He was also a promising golfer who upheld the values of sportsmanship. His life was cut short by a tragic car accident that took his life and that of his mother Julie.

The South Arm RSL & Community Club, with the kind permission of Luke's family, is again honouring his memory through a scholarship of \$2,000. It will be presented to one young person per year to help with costs of their first year of further education (eg University, TAFE etc) or an apprenticeship/traineeship.

If you, or your parent(s), are members of the Club, and you are starting further studies in 2016, you are eligible for this assistance. Simply fill in an application form and write a submission (approx 250 words) about the course you are taking and what financial support would mean to your first year of studies.

Applications must be in by 31st January 2015.

For an application form and further details contact Ron Clegg, Treasurer on 0408 356 915 or email sueron182@bigpond.com

CREMORNE PLAYGROUP

Thanks to the many in the South Arm Peninsula area for their support in making our playgroup happen – families, the Cremorne Bowls and Community Club and associated volunteers. A huge thanks to all who took part in our quiz night fundraiser.

Whilst we have a break over summer from formal play sessions, members regularly communicate through our Google Groups email network about beach and park gatherings etc, so join up if you want to keep in the loop.

Position Available — Secretary

Our dedicated Secretary Bron is leaving the role and the shoes must be filled if we are to continue. They're probably more Blundstone than Tony Bianco but whatever you're flavour we'd love to hear from you! We've been going for 6+ years now so it's all generally very down packed and supported by the President and Treasurer. Thanks for all your hard work Bron.

The President's position, unless someone would like to step in earlier (and members are most free to do so) will definitely be available after 2016. We would like to have an efficient handover in place. Maybe you would like to fill a supporting role for the upcoming year so you can fill the upcoming vacancy? Call Jodie on 6237 0720 — playgroup details are listed on p. 12.

HAPPY CHRISTMAS, HAPPY NEW YEAR AND HAVE A GREAT SUMMER.

REMINDER!

The New Year is a good time to check that the details of your community meetings, classes or event listings are up to date for 2016, as well as any listings that you may have in the local notices section (starts p.10).

Please get in touch with the editorial team and email updates or revisions to either:

WOW! \$3,000 raised for Leukemia

A huge thank you to all who came along to the Quiz Night at the RSL & Community Club on the 26 October. We had a great night and together raised funds for leukemia research, a disease which has sadly touched many of us.

Thank you also to the wonderful donors including:

- Paul and Jan Purdon, Fairdinkum Sheds
- Steve and Therese Soul
- Lindsay Morley
- South Arm Store
- and to all the other wonderful generous people who gave donations – they were all gratefully appreciated.

A big mention to Judy and Tony at the Club for all their help and support to make this night happen.

Your generosity meant we raised over \$3,000 for the night, a great effort by all. Thank you all again.

COMMUNITY MARKET

1ST SUNDAY IN THE MONTH

What a great vibe at the November market with the sun shining and the Time Bandits strumming away – no wonder people started humming along and swingin' the hips!

There's always a great range on offer and so much of it is hand-made – delicious pies, artwork, cards, candles, beautiful jewellery, cakes, sausage sizzle, furniture, bric a brac and crafts. And the gardens of the Peninsula must be blooming well given the business Tony does with his cheap, healthy plants and help from the Garden Club!

The stallholders all love the atmosphere of our community market so please come along and see why.

SAPRA COMMUNITY NEWS (cont. 1)

Community Market: We welcome Lauren Green as Market Manager from December. Lauren has been studying and working in events management and will put her skills to work on our little market. Please make her feel welcome when you visit the market.

Vale Lou Smith: Our Committee meetings and lives will never be quite the same with the passing of this vibrant lady in October. Lou was practical and pragmatic and we valued her contributions. We enjoyed her quick wit, sense of humour and lovely smile and marvelled at her amazing attitude to life. More than a few of us held her as role model. Lou had a life well lived and worth celebrating now may she rest in peace.

Festive season: Like many people, I'm not sure where 2015 has gone – if someone works it out, please let me know! The SAPRA Committee wishes everyone in our Peninsula community the very best for the upcoming festive and holiday season. May your days be full of fun and family and laughter (and may some of the nights be full of much needed rain!). Please stay safe and let's all be grateful for our special spot in the world.

Please see Facebook for updates or contact me or any Committee Member with ideas, issues or projects.

Wanted: a great logo for our Community Centre!

Our Community Centre needs a logo of its very own and we're inviting you to design one. There will be a prize for the winning entry, apart from the glory!

Our vision is for the Centre to be a fun, welcoming place for everyone. Think of the atmosphere on a Market day when the sun is shining, people are standing and chatting and there a smiles all around. It's a place to meet and share, learn and guide. It's currently home to SAPRA, our First Responders, the Community Market and the Art Class and we hope to have more groups joining us in the coming year.

So see if you can capture the essence of our Centre in a visual design for a logo and send your designs to kerry@theksprinciple.com.au and/or annaliesecaney@hotmail.com

Winning design announced in early 2016.

CREMORNE COMMUNITY GROUP

In our last SAPRA article, our Community Group was anticipating the arrival of a purpose-built trailer for the storage and transport of gazebos and associated gear. We now have the trailer housed within our village for Cremorne community use and are sure it will be an asset we appreciate for years to come. Now available for hire! The biggest thanks we can make for this equipment is to the Foundation for Rural & Regional Renewal (FRRR) which provided most of the funding but thanks is also due to a variety of individuals and groups that helped fill the void between our “aspirational” and the eventual price. Take a bow: Cremorne Bowls & Community Club, Cremorne Playgroup, Pipeclay Coastcare Group, Daylight Saving Barbecuers, Jodie Presnell & Geir Rodven, Nordstrom Catering and the raffle ticket buyers at the Pop-Up Café held on 27 February this year.

Fittingly, our Gazebos to Go! trailer’s first outing is to a 4-year-old’s party!

Have a safe and enjoyable Summer, everyone. Perhaps we’ll see you in the waters somewhere on “Paradise Peninsular”.

FIRE DANGER LEVELS — Important for all

We are now well into the fire season and the Brigade again urges all residents and shack owners to be familiar with the fire danger levels. The TFS held its pre fire season briefing for Brigades a few weeks ago and brigades were advised that the indications are that we will have a hot dry summer and a bad bushfire season this year. We have already had 3 total fire ban days, which is unusual this early in the fire season.

During the bushfire season, fire danger ratings forecast for Tasmania will be available on the Bureau of Meteorology website, the Tasmania Fire Service website and on the weather page of Tasmania's daily newspapers. You should listen for warnings on ABC Radio or check the TFS website at www.fire.tas.gov.au to find out where fires are burning. Power supplies and phones are likely to fail in a bushfire. If power fails, listen to fire updates on your car radio.

During Fire Danger Levels of Catastrophic, Extreme, Severe, and Very High you should frequently check conditions outside your home. If smoke is blowing towards you, a fire is approaching and you should make a "stay or go" decision immediately, and if leaving do so by a safe route, away from the fire. Please don't wait for an official warning. If ash or burning embers are landing in your yard, the fire is very close and it may be too late to leave. If this is the case, take shelter in your home. Fill your bath and all available containers with water, and actively defend your home by using the water to put out any parts of your home that catch fire. Alternatively and if time permits, go immediately to a nearby safe place.

The Tasmanian Fire Service has a number of booklets/brochures available via their website www.fire.tas.gov.au/Show?pagelD=colPublications. These include: Bushfire Survival Plan, Using Fire Outdoors and Fire Resisting Garden Plants. Also available through the TFS is the DVD 'Bushfire Prepare to Survive.'

On a lighter note the brigade and fire truck will be at a number of local community events over the Xmas period (of course operational needs will always take precedence). Finally, the South Arm Fire Brigade wishes all residents, shack owners and visitors a happy, safe and fire free Xmas and New Year, and thank you all for your support during the last 12 months.

LOCAL SOUTH ARM GYM ACHIEVING FANTASTIC RESULTS

KBD Personal Fitness and Health Club opened in April 2015. What a fantastic local business to have in this great community that is South Arm Peninsula - between the Pharmacy and Laura's Hairdressing salon. Sam Douglass is fully qualified as a Specialist Personal Trainer with a Diploma of Fitness and she is absolutely passionate about her job and helping others to achieve their goals of reducing weight, increasing fitness and generally living a healthier lifestyle.

Sam recently competed in the INBA Tassie State Championships, a natural body building competition that was held in Launceston. She entered 3 divisions, Fitness Novice, Fitness First Timer and Fitness Momma and won all three, Sam then headed off to Canberra to compete in the Australian INBA National Championships!

This is a reflection of the dedication, passion and commitment that Sam has not only to herself but her clients and business also. This is a testament to KBD Personal Fitness and Health Club and Mark and Sam's knowledge around training. Sam and Mark love to share their knowledge with their client's allowing you also to have a fitter and healthier lifestyle as well as achieve your own goals - whatever they may be! Sam knows her stuff. Sam winning first place all the three divisions is proof that she knows the correct training techniques to gain the maximum results!

Member ages vary from younger members to those elderly in our community. The results and feedback is amazing:

"Before coming to the gym and getting a program from Sam I was unable to get up from sitting or off the toilet without help from holding onto something to help me up. Now I am stronger and balance is better I can get up without help from anything" (aged 65). This is very important as we age as it assists with falls prevention and helps people to stay independent in their homes for longer.

"Since starting with Sam's Bootcamp before the gym was open and now with regular personal training and support I have lost over 15kg, have more self-confidence and belief in myself that anything is possible."

It is well documented that people who are fit and of a healthy weight have less long term health issues and greater longevity. So come on down and get in shape for summer...call on 0467 000 393 to make an appointment to have a chat to Sam or Mark. This is a taste of what's on offer:

- Mondays—Beach Boot Camp 6:15-7:00pm
- Tuesdays—Ab Class (core) 6:45-7:30pm
- Wednesdays—Functional Class 6:15-7:00pm
- Thursdays—BoxFIT 6:15-7:00pm
- Personal Training

Often people feel that meeting the needs of those with disabilities has no direct benefit to them. However, by aspiring to higher standards of equity for everyone, standards and expectations can be lifted for everybody, not just those with a disability.
