## Wood Fired Oven

Another win for our community

SAPRA and the Community Garden have obtained a grant to cover most of the costs to install a wood fired oven for our community and the Garden Club of South Arm has funded the balance.

The Iron Plot Community Garden has always been about community. To share, learn and socialise, all of which contribute to our health and well-being, and to see first hand how to grow vegies, herbs and fruit in the conditions we have in our own gardens. It gives us access to people who are passionate about growing foods.

With the installation of this wood fired oven, the Iron Plot Community Garden can do garden-to-plate food in a few easy steps, literally. It will provide a focal point for the Garden and other activities at the Centre – from garden and cooking workshops, community group meetings and act as a general social meeting point. A place to hold outdoor functions, perhaps a pleasant musical interlude with a band and pizza during our delightful summer evenings.

Experience the joys of wood-fired cooking. It makes great pizzas, but it also barbecues, roasts, grills, smokes and bakes breads. We are looking forward to cooking workshops to help us get the most out of this new addition to our community.

### OUR LIBRARY HAS BLOSSOMED!

Thanks to the generosity of many locals, our library has boomed and now we're on the hunt for more bookshelves!

Along with sorting out all those fantastic books, we're also working on our local history room so stay tuned for more on that.

Please call in and check out our inviting community space and you might find that perfect book for relaxing with! Open Mondays between 10.30am and 12.30 pm.

## Clifton Beach Surf Life Saving Club

**NIPPERS.** The club has positively exploded in to life for the busy summer season. Sunday mornings on Clifton just got a little more pink with the number of enthusiastic Nippers increasing from 100 to 130. That's a lot of extra sausages on the BBQ! And speaking of the BBQ anyone is welcome to follow their nose and make use of the club's canteen whenever it's open.

**SURF PATROL.** For the community over summer, the club provides water safety with surf patrol operating at the southern end of the beach on weekends and public holidays (including Christmas and New Years day) from early December through to Easter, 10.00 - 3:00pm. You know the drill - please swim between the flags!

**THE CLUB.** Clifton is a big family based club with strong nipper, junior, senior and masters sections. It was established in 1963 and in recent years the club has built a great reputation for top ski, board, boat and IRB competitors.

The clubhouse has been renovated in recent years and is available for hire. It's an excellent local option for events. Visit the website for all information about the club, venue hire, and the training and events calendars and more at <https://www.cliftonbeachslsc.com.au>

## Scholarship offered for first year traineeship, apprenticeship or Uni in 2018

Luke Young (1988 – 2009) was an inspirational young man, respected by all who knew him in South Arm and beyond. He was also a promising golfer who upheld the values of sportsmanship. His life was cut short by a tragic car accident that took his life and that of his mother Julie.

The South Arm RSL & Community Club, with the kind permission of Luke's family, honours his memory through an annual scholarship of \$2,000. It will be presented to one young person per year to help with costs of their first year of further education (eg University, TAFE etc) or an apprenticeship/traineeship.

If you, or your parent(s), are members of the Club, and you are starting further studies in 2017, you are eligible for this assistance. Simply fill in an application form and write a submission (approx 250 words) about the course you are taking and what financial support would mean to your first year of studies.

**Applications must be in by 31 January 2018.**

For an application form and further details contact Ron Clegg on 0408 356 915 or [sueron182@bigpond.com](mailto:sueron182@bigpond.com)

## Melbourne Cup lunch - fun, funds and thanks!

The Melbourne Cup luncheon held at Calverton Hall was again a great success. Not only was it great fun but \$2,000 was raised for our much appreciated Community Emergency Response Team (CERT).

Big thank yous to: all those kind people who donated prizes, Red Cross for their clothes and the fashion parade, the team behind the food and to everyone that came and supported us, we hope you had fun!

Your first responders also say thank you all those who support them with fund-raisers. These have provided additional equipment and importantly, two extra defibrillators in the area. This means there are now four of these truly lifesaving devices in our small community – with CERT, at the RSL & Community Club, South Arm Gym (shop has key) and the Opossum Bay shop.

## Royal Flying Doctor Service

### Flying Doctor issues new snakebite advice

Our South Eastern Section has updated its advice and procedures following the publication of a new snakebite study. The Australian Snakebite Project is the most comprehensive ever carried out, involved over 1500 patients and collated snakebite data from the past 10 years (2005-15).

The Australian Snakebite Project threw up some surprising statistics, which challenges many long-held perceptions about where snake attacks occur and how to treat them.

In those attacks in which the snake was positively identified, the brown snake was the most common biter (41%), followed by the tiger snake (17%) and red-bellied black snake (16%).

Many dangerous myths surround the treatment of snakebites. The most important dos and don'ts include.

- **Do NOT** wash the area of the bite or try to suck out the venom. It is extremely important to retain traces of venom for use with venom identification kits.
- **Do NOT** incise or cut the bite, or apply a high tourniquet. Cutting or incising the bite won't help. High tourniquets are ineffective and can be fatal if released.
- **Do** bandage firmly, splint and immobilise to stop the spread of venom. All the major medical associations recommend slowing the spread of venom by placing a folded pad over the bite area and then applying a firm bandage. It should not stop blood flow to the limb or congest the veins. Only remove the bandage in a medical facility, as the release of pressure will cause a rapid flow of venom through the bloodstream.
- **Do NOT** allow the victim to walk or move their limbs. Use a splint or sling to minimise all limb movement. Put the patient on a stretcher or bring transportation to the patient.
- **Do** seek medical help immediately as the venom can cause severe damage to health or even death within a few hours.

## ON THE AGENDA ...

### Community shines at SAPRA AGM and General Meeting

The agenda for our General Meeting was enlightening for many with so many active community groups and projects reported on. These included:

- Community Emergency Response Team
- South Arm Community Centre
- Iron Plot Community Garden (exciting news coming – stay tuned!)
- South Arm Community Library
- South Arm Peninsula Newsletter
- Community Bus
- Food Connections
- South Arm Community Market
- Iron Pot Booklet

Add in the new writing group, The Insular Pen, the South Arm Songsters, the Garden Club and the other groups you'll find listed in our Local Services and there's an amazing mix of activities and interests!

Clarence City Councillors Debra Thurley, John Peers, Richard James and Sharyn Von Bertouch together with MP Nic Street and his Electorate Assistant Yvonne Mufet and MLC Sarah Lovell's Electorate Officer, Annette Branch were all impressed with the positive community spirit on display as was Ron Franks from Crime Stoppers.

The Committee thanked outgoing Secretary Jenni McLeod and general Committee Member Andrea Kimber for their work. Jenni remains on the Committee and we officially welcomed Karen Kelly who has been working with us for the last few months. Our Committee for 2017/2018 is listed on page 2 – as you can see we have a vacancy for a Secretary so if you're interested, please do contact me!

The SAPRA Committee wishes everyone on our beautiful Peninsula a festive and holiday season full of fun, family and laughter. We hope you all find joy in the beautiful place we live in and the wonderful people who share it and we look forward to serving you in 2018. Please stay safe and look out for each other. ### AND WHAT A FANTASTIC NIGHT WE ALL HAD!

**THANK YOU TO:** Fair Dinkum Sheds and the South Arm RSL & Community Club for their donations, South Arm Cabin Retreat for the decorations, SAPRA for the posters and support and Joan at the Hall for all her assistance.

And, not forgetting South Arm Primary, South Arm Shop, South Arm Community Pharmacy, Iron Pot Coffee Shop, Revitalize Beauty, MJ's Hair Design and Peter Aylett and Jenelle Smith for their help setting up.

To all those who bought raffle tickets, donated lollies and generally helped out where they could – thank you too.

This event wouldn't be possible without Laura Aylett of MJ's who organises it all and has made this a much anticipated event each year. She is always overwhelmed with how amazing the community of South Arm and surrounding area is.

**P.S. enough money was raised to cover costs with extra funds donated to the school—always a bonus!**
