

South Arm Peninsula News

Vol.13, Issue 4 | August - September 2023

South Arm Fire Brigade Volunteer Fire Brigade

Service Awards

We had the pleasure of awarding four members with the Tasmania Fire Service Volunteer Medal. This recognises over 10 years dedicated and diligent service to the community.

Matthew Easter and Brett (Bluey) Arnold were awarded the 20 year medal and clasp, while Geoff Davis and Ian Hamilton were awarded the 10 year medal (pictured left to right).

The medals were presented by the Volunteer Association at our AGM. Whilst none of our volunteers provide their service for the accolades, it was significant to acknowledge the huge effort each of these men have dedicated to the fire service and the South Arm community.

House Fire Training

The week after the awards we were back into the thick of training, with extensive house fire training as part of preparation for our refresher assessment. Each year our breathing apparatus (BA) operators are assessed for their ability to correctly wear the full gear and put it on in lightning speed.

They also practice special door entry methods to the fire, and search and rescue techniques in darkened and obstructed buildings. It's possible some members got a little carried away when placing the obstacles, but Jack (the bulldozer?) showed us how it was done. We are very lucky to have a thermal imaging camera (TIC) so the firefighters can see through the smoke and darkness, helping them search.

Mid-winter grass fires

During a hot and windy July night we had several running grass fires to deal with. It's a surprise in mid-winter but shows how quickly the wind can dry vegetation and how vital it is to never leave a fire unattended.

Even though you currently do not require a permit, we strongly encourage landowners to ring the TFS info line [1800 000 699](tel:1800000699) prior to lighting any fire. This prevents unnecessary false call outs and is a source of valuable advice. **If you are ringing to report a fire, the number is ALWAYS 000.**

Val Ansett | Brigade Chief | South Arm Fire Brigade

Tasmania Fire Service

We acknowledge the palawa people (Tasmanian Aboriginal Community) as the traditional owners and ongoing custodians of lutruwita/Tasmania - its land and waters. We acknowledge their long history and deep connection to this place and pay respect to Elders past, present and emerging.

SAPRA

SAPRA: in your community

Here we are on the verge of Spring and heading to longer days. It's good for the soul to see the wrens in their blue suits and have the scent of jonquils wafting through the air.

Pot of Luck Op Shop Fashion Showcase. Thanks to Mary and our wonderful team of volunteers, the display in early June was a success - mixing, matching and showing off our high-quality clothing and accessories. St Barnabas catered as a fund-raiser so it was a win-win for community collaboration! Concepts are bubbling for another event(s) so stay tuned and please send us your upcycle/recycle inspirational ideas too!

New SAPRA Committee Member. We're delighted to welcome Sandford resident, Tahnee Byas, to the committee. Tahnee brings new expertise, experience and enthusiasm to our table. (You might have met her at the Market with Sarah Lovell MLC.)

Solar panels approved. Did you know the South Arm Community Centre is a Council-designated Emergency Recovery Centre? In its 2023/24 budget, Council approved funding for solar panels and battery so that if/when power is cut off during an emergency, we can focus on the looking after our community and managing the situation, not on sourcing generators.

Centre upgrades. Thanks to the wonderful support for our centre activities, we're working on upgrades for our 26 year old Centre, including LED lighting and vinyl laid in our kitchen. Other maintenance is ongoing and any assistance with handyman/tradie tasks most appreciated - please let us know if you could help.

Memberships now due for 2023-2024. Why join? Your \$2 per person helps us represent you and gets things done in our community. Membership form available on PXX and online at southarm.tas.au/sapra-membership Membership form available P7.

AGM - 7pm, 19 October 2023. Yes, it's come around again! We hope you'll join us to hear not just what SAPRA has been doing but from a range of community groups as well. Feedback has often been "it's always the best AGM I get to!". More information on committee nominations to come - in the meantime if you'd like to know more, please contact us.

We're looking forward to Spring when the Iron Plot will be bursting with colour and the sounds of spring and our Market will be back in action refreshed and ready to celebrate the new season.

Kerry Scambler | President | 0407 875 460

Where, oh where, has our fairy gone?

Community Garden looking great but missing a treasured birdbath

The Iron Plot Community Garden is looking lovely despite it being the middle of winter. We've had many visitors from near and far complimenting the garden's upkeep and its welcoming atmosphere.

The Iron Plotters are volunteers and meet every Friday morning at 10 am for an hour or two. We have very little funds so rely on gifts of materials and use recycled materials wherever possible.

We are therefore very disheartened that items have been stolen in recent months – timber, some potted plants and, most recently, our treasured large statue – the fairy birdbath. This 1.5m fairy birdbath was a delight for young and old and is greatly missed by all. Please return our fairy as she belongs in the Plot to bring us all joy.

If you haven't been to the Plot, feel free to come and enjoy the garden any time, and remember we're there on Friday mornings and love to chat about gardening and plants.

The Iron Plotters. Rita, Anna, Jackie & Rae (with assistance from Andrea, Suzi, Rob, & Dave)

WELCOME TO OUR NEW ASSISTANT EDITOR!

Paul Johansen has been warmly welcomed to the SAPRA team as Assistant Editor for the South Arm News. Paul has jumped in boots and all in this edition, working closely with Kerry to bring you all the local news and information we can pack into these 12 pages!

Thanks Paul for your enthusiasm and expertise, it's very much appreciated by the SAPRA Committee, and Kerry in particular!

SAPRA Committee

South Arm Primary

While it's still considered a 'winter term', Term 3 finishes with the first hints of Spring, and with that in mind we're looking forward to some exciting developments to our outdoor learning environments in the coming weeks and months.

Our Green Team will be looking to progress work to rid the campus of invasive agapanthus plants, utilising a Keep Australia Beautiful grant and seedlings from Sustainable Timber Tasmania to replace the 'aggies' with natives. Students will also be busy in the school garden, sowing, tending and (eventually) harvesting various veggies as part of our work with the Stephanie Alexander Kitchen Garden scheme, something we're able to participate in thanks to generous, ongoing support from the South Arm Community Pharmacy.

Another exciting development is the scheduled refurbishment of our wonderful outdoor stage, which is due to receive a significant makeover. As well as being the venue for assemblies, school meetings and other presentations, the stage is where students eat meals every day – it's a real hub within the school. The planned works will replace much of the existing structure, ensuring better shade and protection from the elements, as well as additional decking and construction of a ramp to ensure accessibility for all.

Cremorne Community Group

Snake Bite First Aid - 10 Sep

We're really keen to build the skills of our local youth. Thanks to a Clarence Council Community grant, we're hosting a Snake Bite First Aid session. Whilst bites are rare, it's best to be prepared and know what to do. We hope this will be a great stepping stone, or extra boost, to build on first aid skills.

Youth is our focus but all ages are welcome to enjoy this day. If you'd like to get involved in any way, we'd love to hear from you - we're a small group and all help is appreciated.

Dealing with snake bites & understanding snake behaviour

Two repeat sessions: 10:30am–12:30pm & 1:30pm–3:30pm focus on youth to expand first aid capabilities + open to all ages. Get up close and personal with snakes & other reptiles with professional snake handlers.

Cremorne Bowls & Community Club. Hot drinks & lunch available

Invasive species under attack

We have a significant population of Serrated Tussock (ST) threatening native habitat which local groups have been working hard to control. Here's an update:

In April, 20 Cremorne neighbours discussed Morrisby's gum conservation and managing ST, organised by Enviro-dynamics, Biosecurity Tasmania, Clarence Council and Pipeclay Coastcare. It was clear the community has been supporting Morrisby's conservation for 30+ years and controlling ST since the 1950's.

Morrisby's gum is one of the most threatened eucalypts. It's iconic to the Cremorne area, only found at two sites on the Eastern Shore with 44 wild adult plants at the last census. There's been significant regeneration due to conservation efforts locally, by protecting wild plants and planting on private land.

ST is a declared weed that can form dense infestations which increase fire risk and prevent native plants from recruiting. There is also learnt a newer weed threat to the area, Chilean needle grass, which has the potential to become a significant issue. Links below for more information.

Morrisby's gum www.enviro-dynamics.com.au/morrisbysgum
Invasive Grasses: Dept Nat Resources & Env Tas (nre.tas.gov.au)

2024 planning

Coastcare is a great way to connect with your community so if you have ideas for activities for 2024, we'd love to hear them. Our working bees are awesome ways to meet people and give back to your community. We know people are busy and appreciate whatever time/ support you can bring.

We've been around for a while now but are very open to new ideas and ways of doing things. We'd love to have new faces and ways on board. We really believe it's important to keep our group vibrant and fresh. Everyone is welcome and we especially encourage our fabulous youth to be involved. They have shown themselves to be hard working and committed volunteers.

Men's Shed Update

Work has been progressing well on our Peninsula Men's Shed. Interior work is continuing well, plumbing is nearly completed and electrical work has commenced. The end of a long journey is in sight!

This wonderful facility will benefit both men and women in the area. It is hoped to open the Shed for five days a week for men and one day for women with opening hours between 9am and 3pm. However the ability to open will be determined by the availability of trained Shed supervisors and the demand from members. So,

JOIN THE MEN'S SHED NOW!

New members are invited to download a membership form from the website here **Men's Shed Membership** or email mensshed@southarm.tas.au for a form. (Forms also available at the South Arm Community Centre.)

Existing members may simply renew by making a bank transfer (ensure you include your details) or again by mail to our Shed address. (Bank details BSB: 633 000 | Account Number: 173 500 240.)

OPEN DAY PLANNED. Sometime in late August we will have an open day for all members of the community to come and see what we have built. An outline of activities will be provided. Attendees will be invited to express their interests and the direction they would like to see shed activities taking. Details of this open day will soon be advertised. I encouraged everyone with an interest in this new and fabulous facility to attend.

RAFFLE. The Men's Shed is supporting Piggery Productions this year as a fund-raiser. To add to this we have launched a raffle with prizes donated by members. We are very fortunate to have the support of Touch of The Mo, South Arm Store, Opossum Bay Store, South Arm Pharmacy and MJ's Hair. Raffle tickets available at all of these outlets.

Raffle prizes include a sassafras grazing board over a metre in length, black heart sassafras wall mounted barometer, hand turned pens and Huon pine trinket box.

Tickets are \$2.00 each, please support if you can! Raffle will be drawn on the last night of Piggery, Saturday 5th August.

— Robin Barnes | President | South Arm Peninsula Men's Shed Inc.

Newsletter Folding . Volunteers Needed!
Volunteers needed for SAPRA newsletter folding every second month on a Wednesday 1-3pm. Afternoon tea provided. Lovely way to meet new people or catch up with old friends. To register your interest please call 0426821530

On August 28, 1989 SAPRA was formally incorporated, six months after its inaugural committee meeting in March. From funding, constructing and enlivening the Community Centre to building the bike path, buying the Community Bus, keeping the Peninsula through this newsletter and much more, it has never stopped working for this community.

An impressive 34 years and thousands of volunteer hours later, our community can be proud of what their residents' association has achieved on your behalf. It's a history too long for this newsletter so please visit www.southarm.tas.au/sapra-history and discover some of SAPRA 's proud story.

Why join SAPRA? Your \$2/person membership helps us represent you and shows support for SAPRA's many activities and the Community Centre and its services.

SAPRA MEMBERSHIP 1 July 2023 - 30 June 2024		\$2 per person

<p>Your annual \$2 per person membership fee helps us to help you. It supports the many activities and services run in our community and funding the Community Centre as our hub. <i>Please leave this form in SAPRA Box 183 at the South Arm Shop.</i></p>		

St Barnabas News

Celebrating one year on. On 11 June, the special service to honour St Barnabas of Cyprus was extended to celebrate St Barnabas of South Arm, marking a full year since our historic church was welcomed into community hands. The service was followed by a lovely lunch. The fight to save St Barnabas from public sale was hard-won and we're grateful it is now owned by the community that built it and has cared for it since 1892.

10am Sunday Services. These vary with visiting preachers visiting from Abundant Life and Baptist churches, and RSL Chaplain, Rev Andrew Lake, every 3rd Sunday. The special Pet Blessing Service and commemoration of St Francis is on October 8. Please bring your precious pets – dogs on leads, cats and other small animals in carriers – and your friends too! Lunch in the Church Hall follows. See other service details below.

St Barnabas helping others. There is a collection box in the Church porch for donations of non-perishable food (including pet food) for Hobart City Mission. Every item is appreciated and makes a difference - thanks to those who have already donated.

We have assisted Operation Christmas Child for around 20 years, packing “shoe boxes” with items for vulnerable children which are delivered globally, including refugee camps. We first packed 18 boxes and in 2022 we managed 100! If you'd like to pack a box, phone 6239 9244, 6239 9706, 0455 227 271 or 6239 9067 for information. It's a fun activity to do with children/grand-children too.

Jane Beavan | [6239 9244](tel:62399244)

Painting St Barnabas

The Board of Management plans to have the church painted in summer when paint is easier to dry. Meantime, Christina Boonstra has kindly applied oil-based primer paint to the exposed timber around the windows for protection and painter's advice is the church is in no harm from the weather at present. We're pleased with the support received to date, including the donation of paint.

The indicative cost for preparation work and painting is around \$25,000 and we're seeking written quotes for the painting and investigating a Go-Fund-Me page. If you'd like to make a direct donation towards the painting, the bank details are:

BSB: 067103 | Account: 10696070 | Account name: Community Church of St Barnabas - South Arm Inc.
Reference: (your surname) - PAINT

We are all looking forward to having our historic church painted and looking refreshed.

Terry Roe
Director, Board of Management | Community Church of St Barnabas - South Arm Inc. | Mobile: [0400 140 870](tel:0400140870)
