Pipe Clay Coastcare News Cremorne Foreshore Community Management Plan

Thanks to everyone who put their comments in the *Ideas Book* and who participated in the recent Sunday afternoon walk and talk to share their ideas on ways to improve the Cremorne foreshore. The ideas will be compiled by the consultants *Inspiring Place* as part of the Pipe Clay Coastcare group's Community Foreshore Management Plan.

If you did not get to participate, there is still plenty of time for you to put forward your ideas to *Inspiring Place*. Likewise, a draft plan will be ready by July for comment and displayed in the Cremorne Store.

Whilst the focus on the plan is coast care, the Pipe Clay Coast Care group encourages everyone to take part - residents, shack owners, recreational users and in particular school children and young people. Whatever your coastal interest: boating, fishing, walking, birds, revegetation, kayaking, dune care, the group is calling on your input. Further information about the proposed plan is displayed on the coastcare notice board in the park opposite the store or you can contact the group directly.

You can contact Inspiring Place with your ideas at the following - (Carrie Southern) on 6231 1818 or info@inspiringplace.com.au or by writing to 208 Collins St, Hobart 7000.

Plant a tree Adopt a tree World Environment Day 5 June, 2010

10.30am at the Opossum Bay Park

SAPRA invites residents to celebrate World Environment Day by helping us plant the first of the 'Avenue' of Flowering Red Gums which will link South Arm, Halfmoon Bay and Opossum Bay villages. A ribbon of colour, with each tree approximately 12m apart.

These will be planted in four stages, the first beginning at the front of Opossum Bay Shop and proceeding up to the Sheoaks (about 600m). Planting will be easy, the holes will already be dug.

We are also hoping that individuals or families can 'Adopt a Tree' (or two) to keep an eye on it for the first year or so of its life. To water it, if we get a really dry spell, and to make sure it's protection is still in place.

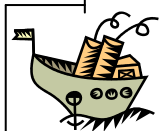

After the planting join us in Opossum Bay Park for lunch. There will be a free sausage or two and a cuppa, and if you would like to bring biscuits or a cake to share it will be appreciated. All volunteers will also receive a native plant for their own personal WED planting at home.

Please let Richard 6239 9739 or Rae 6239 9342 know if you can come.

Clarence's 150th Celebrations

Spent the Sesquicentenary Wrecked in

Cremorne

The Cremorne Community Group asks you to put **Saturday 9th October 2010** in your diary and mark the centenary of the wrecking of the *SS Nubeena* with a day long event using the boiler of the *Nubeena* on Cremorne Beach as the focal point.

SAPRA NEWS
Clarence's 150th Celebrations –in South Arm. SAPRA is holding a Fun Day on Calverton Oval on October 17th and Cremorne will celebrate with 'Wrecked in Cremorne' on Oct 9.

More details front page and this page

Childcare: Stepping Stones is closing on 25th June due to low support for services, low interest in local staffing and changing Federal staff requirements. Their lease finishes in mid August. It's a sad day for the community and SAPRA given the hard work put into getting the Centre running for local families. Income from the Centre has also meant SAPRA has funded many local projects.

SAPRA welcomes all suggestions on the future of the Centre – please contact a Committee member with your ideas.

Memorial Seats on the bike path: SAPRA and Council will be placing two seats honouring two of our loved and missed people – Glad Kelly and Ted Bezzant.

Maintenance of existing bike path. We recently received a letter from Mayor Campbell committing Council to follow up on specific safety issues and put the bike path on a regular regime for spraying. He went on to say "Council appreciates the past efforts of local residents in relation to the construction of the track..."

Line-of-Sight on South Arm Road has been improved since SAPRA contacted DIER about several unsafe areas. More work was done and whilst some may not be entirely happy about their methods, line-of-sight has improved which after all had to be the priority given road events over the last year.

Ongoing projects: Planning of the **BBQ and shelter** at Calverton Oval is well underway and we have also received Council plans for the **Extension** of the bike path to the RSL. A joint application has been lodged for a **community car/bus** and SAPRA's work continues.

'Do Not Call' Register

The Do Not Call Register was launched by the Federal Government in May 2007 in response to community concerns about the growth of unsolicited telemarketing calls.

Registrations are valid for three years and can be renewed (for another three years) at any time. **May 2010 marks the third anniversary of the register.** Up to 1.04 million numbers may be automatically removed from the register, unless they are re-registered prior to this date.

If you would like to re-register, please telephone **1300 792 958** from the number you would like re-registered. Alternatively, you can collect a brochure from my Rokeby office and send it in with your details or visit the website on www.donotcall.gov.au

 APRIL 2010

Cremorne Community Group

Wrecked in Cremorne
 from p 1

Planning is well under way with the members of the Cremorne Community Group preparing for the great sandcastle competition and preparing kits for residents to make street banners. Community lantern making work shops are being planned for the Parade of Lights which will be held in conjunction with an evening BBQ on Cremorne Beach. The Cremorne history group is seeking photos, objects and stories about Cremorne. Other activities will be revealed in later newsletters.

Titled *Spend the Sesquicentenary Wrecked in Cremorne*, the event is part of the celebrations marking a hundred and fifty years of the Clarence municipality.

Contact the Convenor, Cremorne Community Group, Vicki Pearce (0418 992 891) for further information.

South Arm Fun Day .. From p.1.

Many have booked a site already. If you have a group or business give Dot a call to discuss how you can take part and how it will promote your group/business.

Contact Dot 6239 9190 in late June, or one of our other Committee Members.

Fishing News

Tuna in the Derwent

The big news this season was the presence of large schools of Striped Tuna in the Derwent which was apparently the first sighting and capture of the species in the river in living memory.

The latest edition of the Tasmanian seafood industry news "Fishing Today" continues to beat the drum on climate change and how it is increasingly affecting the patterns of marine life.

A local company in Hobart is leading the world in the design and production of software for the analysis of data that can be applied to understand the impacts of climate change. Water tolerance for all marine species is a critical factor in migratory and reproductive cycles.

Aquaculture is certainly the thing of the future as the world's wild marine stocks continue to decline. If I were a young person considering a future career it would certainly be aligned to the marine aquaculture industry. Fascinating stuff!

Until next edition tight lines!

South Arm Fire Brigade

Winter is here once again and home heaters will soon be going flat out. At this time of year the Brigade switches from bush fire 'mode' to house fires, and over the next few months we will be concentrating our training on structural fires and the use of Breathing Apparatus.

There have already been a number of structural fires around Tasmania over the course of the last month or so, please be careful with heaters and make sure your smoke alarms are working. There is plenty of evidence that smoke alarms do save lives, but the batteries need to be changed regularly. Did you change your smoke alarm batteries when the clocks went back?

If you want any advice on fire protection for your house or property please contact the Brigade Capt Richard Calvert on 6239 9412.

The brigade is now pretty well at full strength but it would be really good to have just a few more active members, especially more female firefighters. If you are interested in joining the brigade as a volunteer firefighter or want to know more about us, please contact the Brigade Captain or come to the Station on any training night.

Training is always the second Tuesday in the month, commencing at 7.30 pm at South Arm Fire Station.

Glynis Heather, Brigade Secretary
 6239 9564

The Tasmanian Horse Rescue & Rehabilitation Organisation

was set in early February 2007 to aid neglected horses and ponies. The economic downturn resulted in many of our equine friends suffering as their owners could no longer afford their upkeep.

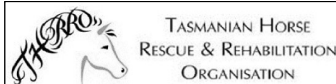

To date we have rescued and rehabilitated several horses and ponies that are happily living in new homes and we have others waiting to enter the program, as well as those already in it whose progress can be viewed on the THRRO website.

One of THRRO's aim is to educate on horse care, health and welfare issues. Many people think horses are just a pretty lawn-mower but they require a lot more care and maintenance than you may realize. In our following articles we will focus on their needs.

In order to continue with our work we need your help in any of the following ways:

- Sponsorship;
- Donations ;
- Foster & Adopter Homes ;
- Volunteers;
- Land use;
- join our organization.

Contact THRRO on 0457 147 428 or visit our website: www.thrro.webs.com

The Gellibrand Vault

In this Vault lie, William Gellibrand died September 1840. Thomas Lloyd Gellibrand died November 1874 and Walter Angus Bethune Gellibrand died November 1909.

William Gellibrand was born 28th May 1765 and married Sophia January 1788. They had 3 children, Sophia, William and Joseph born 1792.

Joseph's first son **Thomas Lloyd Gellibrand**, was born 22nd September 1820. Thomas married Isabella on 1st December 1860 and started farming at Ouse Tasmania. They had seven children, 5 boys and 2 girls. Unfortunately he died 14 years later on the 9th November 1874. Their sixth child was John Gellibrand born on the 5th December 1872. Soon after the Thomas's death his wife Isabella and the family went to England where John received a good education. He joined the army at the age of seventeen and went on to Royal Military College at Sandhurst. Commissioned as a second lieutenant and promoted to lieutenant in 1895, he served in the South African War. He married Elizabeth at Yorkshire England and returned to Tasmania in 1912 to settle on a farm at Risdon with his wife and family. At the outbreak of war in August 1914 General Sir William Birdwood appointed him to the A.I.F. John went to France in command of the 12th Brigade and in May 1918 Gellibrand was promoted to Major General Sir. John Gellibrand. He commanded with outstanding success in the final operations along the Somme.

Walter Angus Bethune Gellibrand the 7th child of Joseph & Anne Gellibrand, was a member of the Tasmanian Legislative Council from 1871-1901. He was also its President from 1884-89.

Support your local school

South Arm Primary School has registered in the Better School Program. This promotion is being run by Eastland's Shopping Centre. With your help our school could win some fantastic prizes. All you have to do is drop off any receipts from goods purchased at Eastland's. The promotion will commence on Monday 27 May 2010 and finish on Sunday 27 June 2010.

The more receipts we collect the better the chance we have of winning. There will be receipt collection boxes at The R.S.L., South Arm Primary School, Opossum Bay Shop and the South Arm Shop. You can also show receipts at the collection point at Eastland's and ask for the points to go to South Arm Primary. We would really appreciate your support with this promotion.

Save Ralphs Bay news

At the time of writing, we are expecting news from the Planning Commission. After more than 6 years since the first appearance

of Walker Corporation's proposal to excavate the sandflats of the Ralphs Bay Conservation Area, we are getting very close to a final outcome.

WHERE TO NEXT?

\$\$\$'s Save Ralphs Bay Inc. is close to paying the last of the bill's from last June/July's major hearings in the Planning Commission. If you'd like to help, you can send donations to Save Ralphs Bay Inc. c/o South Arm Store, or to PO Box 161, Rokeby, Tas. 7019. You can also make PayPal donations at our website, www.saveralphsbay.org or order Ralphs Bay photographs and other merchandise.

CANAL ESTATE BAN

NOW! Submissions have been invited on the Tasmanian Draft State Coastal Policy. This is an excellent opportunity to introduce a Tasmanian canal estate ban, in line with the Victorian and NSW policies. Submissions on the SCP close on June 21st. We will be providing information via our website in June, to assist with submission writing. For more information on the Draft State Coastal Policy, see http://www.planning.tas.gov.au/stpol/current/direction_-_scp08

KEEP IN TOUCH! If you would like to hear news from Save Ralphs Bay or receive emailed information to use in a submission on the State Coastal Policy, subscribe to our mailing list - see the right side panel of the website, www.saveralphsbay.org

South Arm RSL Sub Branch

ANZAC Day

The committee of the RSL Sub Branch expresses its appreciation and thanks to the people of South Arm, Opossum Bay, Sandford & the wider community of Clifton Beach, Cremorne, Lauderdale and places further afield, for attending the ANZAC Day Dawn Service at Lone Pine Memorial, Fort Direction, and the 11am Service at the Cenotaph. It is heartening to see so many people attending the services and recognising how important it is to be involved in commemorating ANZAC Day.

We wish to thank in particular the students from local schools who take part in our ANZAC Day Services. It all makes for a special day.

Again, thank you for your attendance & participation. We are already busy planning for next year's ANZAC Day and ensuring that it will provide a fitting & moving tribute to those servicemen & women who gave their lives in the service of our country.

South Arm Cenotaph

Residents of the South Arm Peninsular will soon see improvements in safety surrounding the Cenotaph. The RSL Sub Branch has undertaken a project to purchase high visibility safety bollards (linked by white chain) which are to be installed around the South Arm Cenotaph. Clarence City Council has agreed to take responsibility for installing the Bollards and for any on-going maintenance.

Terry Roe, 0400 140 870
President

St Barnabas Church

Sandford Parish

The Easter Season began on Maundy Thursday with a well supported Passover Dinner commemorating the Last Supper.

As Jesus rode into Jerusalem on a donkey, this was also remembered following the Easter Service at Rokeby, when lots of children enjoyed donkey rides. Did you know that donkey have a cross marking on their backs?

If you would like to know more about any aspects of Christianity, why not give Rob a ring on 6248 8445.

Amazing

Shane Dolan—Aid Worker

Shane built wells in that parched country near the Horn of Africa. His mission was to go a step beyond and teach Ethiopians how to build their own wells, and all of this in the middle of a war zone. Returning recently he found 63 technicians where they had trained 19.

Shane and his wife, Georgia, lived in South Arm, recently moving to the mainland.

Cremorne Playgroup

Playdough, macaroni necklaces, painting, bike riding and sandpit play – it’s all been happening. Remember all are welcome - even if you don’t have kids (or little ones) – we could do with some singers or story tellers. It’s been great having some Sandford and Clifton Beach parents coming along. The more the merrier! Playgroup will have a break during the school holidays and will begin again on Monday the 21st June.

Thanks again to all the local support to our playgroup, including Nigel Heaven at PMM Real Estate and Simon Vollus at Tritec. Many thanks also to Joyce King for securing us some reading books and to Ian Pearce and Brian Freeman for building the shed.

5th July special activity day

Make sure you put Monday 5th July as a must attend day as we will have Playgroup Tasmania running an Active and Climbing Play Session. The play is suitable for babies who are only just on the move to toddlers and beyond who operate at full speed. Remember new bubs are welcome too and we are in the process of setting up our bubs corner.

Cremorne Bowls Club

The Club congratulates the winners of the Club Awards to be presented at the Prize day on Sunday 30th May. During the season two of our teams earned the ultimate score of an "eight".

Now that winter is upon us we have winter Bowls and Indoor Bowls. Tuesday is a great chance to have soup made fresh and wholesome by Keith and a social game where fun is emphasised. And after bowls Saturday have a sav. and chat. New bowlers are encouraged to participate in both these days. Coaching and advice is available to any beginner bowler. This is the ideal place to start. See the Regular Events for times.

Indoor Bowls is an great way to keep active and warm on a winter Wednesday.

There are always positions for a fill in and even at this stage permanent players would get a game. Come along and participate.

Glenn Bremner, Hon. Secretary

Move Well Eat Well

Our efforts in this area have been recognised in a number of ways recently. We had a Move Well Eat Well Assembly which gave us the chance to publicly thank those who had worked to get fridges into each classroom, particularly Tony Alexander, Judy McGuinness and Tony Sproule. We were also presented with an award by Jock Campbell, Mayor of Clarence. The aerobics session with Wendy Cracknell from Lauderdale Primary school at the conclusion of the assembly was very energetically received! Also our school’s healthy approach was featured in Wednesday’s Mercury. Just look for Healthy Kick Bears Fruit on page 9! Thanks to all who contribute to our healthy mindset.

Cross Country

We had our school cross country on the beach a few weeks ago and it was terrific to see so many children really having a go. Zoe, Sarada and Ebony each broke a record! Our school team participated at the Interschool Cross Country on Thursday and we were pleased to come 3rd overall in our division.

The South Arm Market news.

It's a great time for pumpkin Soup
and David usually sells out fast!

Dot Kelly won the Easter Bonnet
prize for her beautiful floral bonnet,
although Marigold's grandson came
close! A young lass by the name of
Sarah won the Easter Eggs.

Maurie Stevens won the Mothers Day
raffle which was a large soft toy dog
that Mabs had donated, plus a basket
of goodies from Lesley, one of our
market stall holders.

We've had a few bric-a-brac stalls
lately, with some great bargains for
all.

Come along, find a bargain, have a
sausage and chat to all your
neighbours and friends.

Pam 6245 9852
