Clifton Beach were standout performers at the recent Surf Safari with 5 boat crews and 10 ski paddlers racing over courses from 15 to 24klms. Clifton's great Open Men's crew was just pipped on the line by Burnie. The Women's crew was also defeated by Burnie but the U/23 Boys put in a winning performance in their first race together. Local History

Country Women's Assoc.

(continued from previous issue)

On the 12th October 1981 it was decided to hold a Melbourne Cup luncheon at the old RSL Club and from that day on it was the biggest fund raising effort they provided each year. It was continued at the Calverton Hall following the old RSL Clubhouse closing and the RSL move to their new Club.. Activities continued in the way of dinners, BBQ's, bus trips, and parties etc.

In 1980 the CWA was about to fold due to the loss of members so a meeting was called, with men and women attending at the RSL Club and the South Arm Country Club was formed. On the 14th December 1981 the CWA and the Country Club held a Christmas Party together at the old RSL Club. The late Merv Smith became so active with the CWA and Country Club that the ladies dubbed him "Our Honorary Member of the South Arm CWA".

Some of the many who gave their time to help were Dot Kelly, Pauline Potter, Pat Calvert, Joy Carter, Wenda Bruce and there were many more. Glad Kelly will always be remembered for the work she put into the CWA helping when they entertained the patients from the Royal Derwent Hospital. On the 30th April 2005 the ladies catered for 80 guests at the Calverton Hall to celebrate "Our Glad's" 90th birthday with her family. They watched a performance on stage by the CWA ladies and this was enjoyed by all who attended.

Thanks to Lou Smith Opossum Bay for supplying me with the CWA story from 1971 (when she joined the Association).

Thanks to Council and Dirt Art this is now a really pleasant safe little track. You can do a circuit walk with a return over the rocks or via Blessington St footpath.

Great News

Andrew from PWS helped us win a Community Action Grant to implement our Weed Management and Revegetation Plan for Arm End. This grant will enable the local community, including South Arm Coastcare and the South Arm Primary School to implement key actions from the Plan.

So next year we can get stuck into controlling weeds of National Significance and other priority weed species, and revegetating key areas of the foreshore.

Our last working bee of the year saw us out there clearing out some of the Tree Lupins and Broom that are trying to spread over Arm End. Chris even comes down from Hobart to join our working bees because she believes the area is an important recreation facility for southern Tas. Come and help us next year on our next working bee. **The first for 2012 will be on February 19th.**

PWS have recently employed a contractor to slash most of the popular tracks on Arm End, so come out and enjoy the views and the walks.

We are also planning a **Seed Collection Workshop** next year. The date has been tentatively set for Tues 28 February at 2pm.

We hope to see you at 10am 19th Feb 2012 at the end of Spitfarm Road!

Pipe Clay Coastcare

The group wrapped up the year by doing some final touches to the spit walking track and then BBQ'ing at the end of the day.

It's been a busy year with completion of the Cremorne Community Foreshore Management Plan, major weed works especially of serrated tussock, box thorn, and other environmental weeds (take a look at all the dying briar rose bushes along side the road amongst the poplar trees), revegetation works and beginning of the Cremorne Spit Walking Track.

We'll keep you posted for our start up in 2012 – most likely at the beginning of March with Clean Up Australia Day.

Warm thanks and best wishes for a happy festive season

Rae Calvert wishes to thank those who have helped her with the Newsletter over the years.

Many thanks to Lin Thorp who printed the Newsletter for many years. It was very much appreciated by SAPRA. Also many thanks to Heather Chong who has stepped into the breach when Lin lost her seat. Heather is now printing 1600 copies of the Newsletter for distribution over the wider South Arm Peninsula (i.e. Sandford, Cremorne, Clifton, South Arm, Halfmoon Bay and Opossum Bay).

Thanks to Sue Young and Helen Jewell, who took on the editing two or three times, to Leah McDougall for proof reading and keeping Rae consistent with those phone numbers (!); to Jo Dawson and her daughter who walk around Opossum Bay putting the Newsletters in individual letterboxes; to the people who gather to fold the Newsletters (Richard, Noelene, Anna, Gill, Leah, Sue and Barbara); to Barbara who hosts the folding horde; to Ian who has many times picked up boxes of printed newsletters and delivered to various places.

Thanks to the South Arm and Opossum Bay Shops for the putting up with the inconvenience caused by quantities of Newsletter flooding their sparse space.

Plus the people who take the time to write articles, record rainfall and take photos. Great work.

All these community members enabled your Newsletter to arrive in your letterbox.

Many, many thanks. I hope you have a safe and restful Christmas break.

History in South Arm

Alan Townsend* spoke at SAPRA's recent General Meeting. Pene Marshall; Maurice Potter and Kerry Scambler have formed a sub-committee to look into the many possibilities to research and objectify the history of our area.

He said Wayne Smith was researching street and place names and plaques were being erected in various suburbs explaining the history behind the names. It is expected that this will happen in South Arm in late 2012.

Alan said that the Council have expensive (and clever!) recording equipment for capturing oral histories and we only had to ask to borrow them. Pene would love to talk to you and record your stories— history from the 50's and 60's.

As we advised in earlier Newsletters Clarence Council are also recording and storing photos of artefacts/objects, documents and old photos. There are scanners available that are portable and can be taken to your home to photograph your valued photo or artefact so that they do not have to leave your sight!

There are other projects in the pipeline:

- a) A time-team style dig on the old Gellibrand House site on Arm End; this could tie in with the primary school.
- b) We could erect signs or sculptures along the Bike/Walk Track to illustrate a quite strong convict past. Money is available and the Tas. Community Fund grants would be applicable.
- c) Visitor information sign (SAPRA is currently looking into this with Maurice Potter's help). Council will help with this.
- d) We have several very old cottages (mid 1800's), mostly on private land which makes it difficult to get grants or funding. The Clarence Cultural Heritage Advisory Committee have staff who can advise how to preserve them.
- e) SAPRA intends to install a sign above Gellibrand Vault to briefly outline the Gellibrand history and show the vault wording.

Our small Heritage Committee would welcome anyone who has an interest in our local history, or has any ideas about what we need in our area.
