

South Arm Peninsula News

Vol.13, Issue 6 | December - January 2023/24

Welcome to Summer and the festive season!

More than ever with the turmoil of world events, it's a time to cherish where we live and the community that surrounds us.

We're so lucky. We can easily escape into nature, from bush to beach to water, here on our beautiful Peninsula or anywhere on our extraordinary, heart-shaped island. Our community too is full of caring individuals and groups, working to make this place vibrant, connected, and a special place to call home.

May your festive/holiday season bring you joy, contentment, laughter and relaxation amongst family and friends. Please stay safe and look out for each other.

SAPRA: in your community

AGM & General Meeting - another friendly, informative evening with the AGM followed by a great mix of reports from community groups from around the Peninsula.

SAPRA welcomed Ian Sale of Opossum Bay to our committee. He joins members listed below who I thank for returning for another term.

The General meeting was an eye-opener for many including Clarence Mayor Brendan Blomeley, Deputy Mayor Allison Ritchie and Councillors Beth Warren and Daniel Hulme. We had updates on SAPRA's activities (Bus, Market, Op Shop, History Room, Library, Newsletter, partnerships etc), the Volunteer Fires, Community Emergency Response Team (CERT), South Arm Primary, Iron Plot Community Garden, SA RSL Sub-Branch, Men's Shed, St Barnabas, and a wonderful round up from Cremorne's various groups. Phew! See how much goes on in your community!

Thanks to all who attended and Kristy at Touch of the Mo for the delicious catering too!

Your input: SAPRA works for you – the community. We'd like to know what activities, issues and projects you'd like to see us focus on in 2024. Please email saprapres@southarm.tas.au with your feedback or talk to any of our committee members.

A BIG FESTIVE THANK YOU...to all the volunteers across our community and in particular those involved with our Community Centre and Bus. A huge community-wide thank you goes to Jacqui and Andrew and their market volunteers who work so hard to bring such a sensational, vibrant event to life each month. Its reputation continues to grow and the feedback glows.

Please stay safe over summer. Community bushfire plans for [Sandford](#) & [South Arm/Opossum Bay](#) are on the TFS website and check your own plan too. If boating, check the MAST website for safety tips and life jacket requirements.

Merry Christmas & Happy New Year from your SAPRA Committee .

Remembrance Day 11 November 2023

A big thank you to the South Arm RSL Sub-Branch for providing our community with another moving Remembrance Day ceremony. We are most fortunate to have such a magnificent setting in the Memorial Park for this occasion.

Young and old gathered to share stories and experiences, pay respect and keep memories alive. In his very well received Remembrance Day address the CEO of RSL Tasmania, John Hardy, reminded us to learn from the past and reflect upon what kind of future we want for the world.

Congratulations to all who contributed on the day and behind the scenes.

St Barnabas - our community church

Christmas Services. Christmas is that special time of the year when we think of others, sending our love and best wishes to family and friends near and far. Let's fill our little church with the goodwill of the season, and raise our voices together in celebration by sharing the well-loved story and singing well known and favourite carols. See Page 1 for service details.

2024 fund-raising calendars. Featuring our beautiful peninsula scenery and wildlife, calendars cost just \$15 with proceeds going to maintaining our historic church and cemetery. Please order via any congregation or Board member or buy direct from the South Arm Store.

Call to musicians and singers on the peninsula. We do our best when including music and singing in our church services, but would welcome any keen musicians and singers to come along and enhance our worship. Can you help? Please contact us through the numbers on our notice board.

Thank you Morning Tea. 10am-12pm, Sat 9 Dec, Gellibrand Fellowship Hall. This end of year celebration marks the progress in 2023 in maintaining the community's 132-year-old St Barnabas Church. All welcome to join us.

Church painting. Thanks to Cameron Kerslake and his team, the painting is on track to be completed mid-December. A big thank you to the donors for their help with this significant maintenance.

For more information visit the St Barnabas website stbarnabas.au

“Busy Bees” at St Barnabas!

This lovely little church belongs to the Community, and we have busy bees to maintain and improve the grounds.

There are big changes already. That gorgeous long, but little, picket fence needs to be painted, we are planting a Correa 'hedge' behind it, neatening and showcasing the 'Lone Pine Memorial', weeding the graves, pruning unruly shrubs and so much more.

We would love more volunteers - with suggestions, help and donations of materials. Every first Saturday of the month 10am to midday - next one Dec 2nd .. put it in your diary and pop along - we'd love to see you.

2023 Wrap Up

With Clarence Council funding support this year we employed contractors for maintenance work (weed/track clearance) along the Spit Track and secured regular watering for the summer.

We ended the year with some Quiz Fun.

A very big thank you to all participants and volunteers, the fabulous Bowls Club for venue and bar staff (such super stars). A special thank you to our sponsors for prize donations which helped add to the fun and funds.

Wishing everyone a safe and happy Christmas and New Year. Thanks to everyone for their ongoing support.

Please remember your plantings and give them a few good doses over the dry summer months.

Sea Star Clean Up - Sun 3rd Dec 1:30pm

After a successful cleanup earlier in the year with over 14,000 Northern Pacific Seastar removed it's time to do it again.

Starting at Honeywood Drive with the support of Surfrider foundation Tasmania and the Tasmanian Oyster Company plus notification to boaters via MAST.

It is vital that everyone is positively buoyant and anyone under the age of 16 has an accompanying adult.

BBQ and soup will be available on finishing.

We are making a positive impact on the biodiversity of Cremorne and neighbouring waters. Volunteers to help as kayakers, scuba divers and people onshore with counting and weighing and catering assistance most welcome.

Look forward to seeing you

Volunteering at South Arm Primary School 2024

Students and staff greatly appreciate the contributions made by volunteers already supporting teaching and learning or student wellbeing through literacy learning, breakfast club and/or excursions and outdoor classroom lessons. We are extremely grateful for their time and effort.

I would like to tap into more support within the community to 'beef up' our volunteers in 2024. Volunteers may be parents and carers, friends of the school or community members who would simply like to give their time and energy to work alongside our young people.

Collaboration between school staff, students, volunteers and visitors is important to a student's learning and broader education experience. While we have returned to something like pre-COVID levels of caution, we have not seen a return to full engagement with parent help and volunteerism.

I would like to make 2024 a year of growth in community engagement and support for our learners. If you would like to help us, please register your interest with the QR code.

Before the start of the next school year, I'll correspond with interested parties with details about specific initiatives requiring volunteer support in 2024.

Lucky to be a volunteer on this school trip....

In October students enjoyed a very special excursion to the Woodbridge School Marine Discovery Centre. Why so special? If learning about our marine life was not exciting enough how about travelling in style on the Peppermint Bay III!

Vale Joan Griffiths

Joan Griffiths, born in 1928 in England, spent her adult life in South Arm. She passed away in October leaving a significant community legacy, illustrated by the large, diverse turnout at the Morning Tea held in her honour at Calverton Hall. Joan was dedicated to both Calverton Hall and St Barnabas throughout her life.

Calverton Hall. In the 1970's, Joan was a member of the group set up to manage Calverton Hall, the oval and tennis court. In 1996 the owner, Alma Calvert, deeded the complex to Clarence City Council. A formal committee was formed, South Arm Calverton Hall Association Inc. with Joan as President, to take on the lease granted by Council as a deed condition. Joan was always the guiding hand behind all aspects of managing the Hall - taking bookings, ensuring the kitchen was well equipped and maintenance up to date. She made sure it was run with the community's best interests at the centre of all decisions. Joan retired as President at the 2021 AGM and was honoured with Life Membership for her outstanding contribution to the Hall and the community.

St Barnabas Community Church. Joan is remembered as a stalwart of the church over many decades. She was a hard-working member of the church family – on committees and organising events. The documents and information she assiduously kept give a clear and interesting history of the past 50+ years. She kindly passed these to the current Board when St Barnabas became a community church, so we have, through Joan's work, a deeper knowledge of what has been done to preserve the church and the cemetery by local community members. Joan was a regular member of the congregation for many years, and she will be sadly missed by everyone involved with St Barnabas.

On behalf of the community, we send our condolences to Joan's family.

Friends of the Bays

We were overwhelmed with the public response at both November's South Arm Market and the Cremorne Xmas Market - we were swamped with donations and new members.

A petition has been launched and we'll be at the December South Arm Market and at shopping centres around Storm Bay spreading our message and gaining signatures. Our Facebook page is up with regular updates and short documentaries keeping folk informed about the global move to on-shore salmon farming. Check us out, friend us and spread the word:

Say no to Petuna and keep farmed salmon off the Xmas table.

Do you know your local history?

Potter's Hill Bushland Reserve and the Labyrinth

In the previous newsletter issue we encouraged locals and visitors to explore our convict history by walking the [South Arm Convict Trail](#). Continuing with the theme of exploring our peninsula history on foot why not plan a visit to Potter's Hill Bushland Reserve to enjoy the extensive views from mountains to sea in a serene and peaceful atmosphere.

From the mid-1800s the ancestors of local historian (namesake of the [Maurice Potter History Room](#) in the South Arm Community Centre) farmed the land until subdivision in 1996 at which time Clarence Council acquired five acres as a reserve. After a suggestion to council by a local walker and coast care enthusiast that the Potter name be assigned to this parcel of land and with agreement to that proposal from Maurice and his wife, the reserve was officially opened as Potter's Hill Bushland Reserve on 17 November 2013. Look for the blue signs on Fort Direction Road to get you there.

A feature of the reserve is the Potter's Hill Labyrinth, a circular pathway of rocks through which you can walk and soak in the atmosphere while enjoying a spiritual connection to the surrounding landscape. Nearby, note the engraving on The Gratitude Seat acknowledging the work of the late Richard (Dick) Vaughan and his fellow volunteers, on establishing the Labyrinth (and involvement in other projects).

South Arm Community Centre's Buchanan Hall

Many community members and visitors will have been in Buchanan Hall - to enjoy market day cakes, attend a Pilates class or to visit South Arm Primary School's recent art show etc. Even so, many may not be aware the hall was named in 1999 in honour of the late Neil Buchanan, his wife Jenny and their family, for 17 years of unstinting work to fundraise and build the Community Centre we enjoy today. There is also a plaque for Mr Buchanan just to the right of St Barnabas Church next to the pathway to Gellibrand Hall.

Want to know more about your local history? Do you have information, stories or photos to contribute?

Visit the [Maurice Potter History Room](#) at the South Arm Community Centre and read stories about our peninsula at [South Arm Snippets of History](#) southarm.tas.au/history/. Join the South Arm Peninsula History Group on [Facebook](#).

South Arm Market ... a market for all seasons

The October market was defined by how the market community and patrons worked together, assisting where needed, as the wind tried to derail our wonderful community market. Many stallholders were holding onto their gazebos while selling their goods to the people who still came and supported the day.

The November market was buzzing with smiling people. All enjoyed the sunshine and great music by Silver Zephyr.

Our next market is bound to be huge. Come and enjoy Justin's reptile display and, for the kids, free face painting. You might even see a special visitor!

Looking forward to seeing you there for the purchasing of your Christmas goodies. Speaking of Xmas, Jacqui and Andrew, together with all of the market volunteers, wish everyone a safe and happy Xmas and New Year.

Next market Sunday 3rd December

Iron Pot Golf Club

We have strong ties with the South Arm RSL & Community Club. In 1989 the Club, in a sound financial position, purchased land from Don Calvert, and sponsored a golf club. The new facility was designed to cater for the Club, the RSL Sub-Branch and the new golf club.

We invite you to come and play on our 9-hole course in its beautiful coastal setting. Open to the public (green fees \$15 Adult, \$10 Junior) with competition days on Wednesday and Saturday.

We also cater for groups – sporting, workplace, social – simply contact our Club Captain via craigknibbs@inet.net.au or phone 0408 786 893 to book.

The Iron Pot Golf Club is managed and maintained by volunteers and welcomes new Club members.
