South Arm Peninsula Men's Shed

Community engagement through activities and fellowship

On Wednesday 13th December 2023 the Hon. Julie Collins MP officially opened the South Arm Peninsula Men's Shed at South Arm. A good attendance of nearly 60 were present for the occasion.

The Shed will shortly receive final certification allowing member activity to commence. Currently we are holding Wednesday sessions between 9am and midday encouraging members to turn up and assist in the internal shed fit-out. This is a great opportunity to meet fellow members and help with the sorting and repair of donated items. Additionally we need to construct benches, establish shadow boards and generally work towards establishing a shed which meets the needs of members.

At the official opening I stressed the point that now the Shed is built, it is up to the community to engage with the activities and fellowship that is available. The extent to which the Shed can be open to members will be determined by the level of interest and the availability of people to supervise sessions. Membership of people over 18 is now open and fees up to the end of June will be on a monthly pro rata basis.

While the Shed will be set up with traditional woodworking and metalwork facilities members are encouraged to engage in different craft activities which hopefully they can share with others. In some sheds members simply turn up to share fellowship with other Sheddors, drink coffee and play crib.

An important part of Shed activities is our engagement with our community. I hope in time we will take on some of the challenges that are part of our community. This may involve interaction with our local school as well as enhancing community facilities.

A shed requires ongoing funding which in some cases will be provided by grants but to a large degree we must raise our own funds through providing services and selling products we have made. The more we engage in these activities, the less members need to personally contribute through membership and other fees.

Congratulations to the community on achieving a constructed Men's Shed. I hope to see many members and prospective members as we kick-off our Wednesday sessions.

- Robin Barnes | President SAPMS | Phone: 0408 446 249 | Email: mensshed@southarm.tas.au

We acknowledge the palawa people (Tasmanian Aboriginal Community) as the traditional owners and ongoing custodians of lutruwita/Tasmania - its land and waters. We acknowledge their long history and deep connection to this place and pay respect to Elders past, present and emerging.

SAPRA: in your community

Happy New Year to all!

We hope you all had an enjoyable summer in the best place to be - our spectacular Peninsula. January started with another fabulous market thanks to Jacqui and her Market Musketeers.

It's going to be another busy year for the SAPRA committee and all our volunteers so it's only fitting we start off with our annual Volunteers Thank You Day on Sunday 25 February 11am-2pm. Volunteers across the Peninsula are invited to join us in the Iron Plot Community Garden for some good old cross pollination. Further details to come.

Opossum Bay Raft. This raft was built and has been maintained by a group of locals for the enjoyment of all over many years. With the loss of John Buckpitt, a man with extraordinary and innovative repair skills, the damage wrought by a recent storm posed an expensive outlay for locals. When notified this the cost, the SAPRA committee unhesitatingly agreed to cover the cost of the heavy chain required. We hope the raft creates many more fun memories for locals and visitors.

Did you know? SAPRA owns the moorings for both South Arm and Opossum Bay rafts and covers the public liability insurance.

Vale Dot Kelly. Sadly, once again we are mourning the loss of a much loved community member who leaves a significant legacy across many aspects of our community.

Dot was Secretary of the Calverton Hall committee and, perhaps most notably, instigator of the famous South Arm Calendar. Dot was also on the SAPRA committee for 12 years, including two as President where she continued to initiate and manage a number of projects and events. We'll have more on Dot's legacy in the next edition but in the meantime, read more about THAT calendar here <http://southarm.tas.au/history/calendargirls/>

Bingo may make a return very soon! We're working on logistics and may need a couple of volunteers to help run it. If you could help or just want to play, please let us know.

Newsletter. Australia Post delivery to Sandford/Clifton is an ongoing battle.

Cremorne's 3rd driest year since 2006-08 drought.

First Community Village Art & Craft Fair a success

Thank you to our wonderful community for braving the weather at our inaugural Fair last November and to our great team for believing in the event and working incredibly hard to achieve success. We raised over \$1,000 for the Men's Shed and received a lot of positive feedback so discussions have begun for the 2024 Fair.

Thank you also to the stallholders for braving the conditions for so long, to Anna for the amazing Dog Agility demonstration, to our fabulous clown, Cherie for lightening the day, to The Rock Fairy for her wonderful donation of many beautifully decorated and crafted creations and to Penny Grove whose delightful harp music kept people in the Exhibition Hall.

The music team did a great job (I was sure Colin would sing "Raindrops Keep Falling On My Head"!) and the silent auction went well with funds going to the Men's Shed.

The raffle was a great success thanks to the generosity of the two prize donors - Kent at South Arm Craft Distillery and Monique and team at the South Arm General Store.

St Barnabas had a full house for their High Tea and raised much-needed funds. Perhaps some weather prayers this year will allow a garden party to go ahead!

South Arm Primary provided their version of a fun Side Show Alley which will hopefully return.

Rhys Muldoon (of Play School fame) has a lovely gift for the spoken word, with all ages

listening intently to his readings in the Community Library.

2024 Plans. We've learnt a lot and will work towards a bigger and better event this year. We hope to have working crafts people and artisans involved too so if that's you and you'd like to join in this fabulous Fair, please call me for details.

Club News

Tony & Judy awarded Life Memberships.

In June 2004, the Club was in financial trouble then in July, Tony Sproule and his young family came to manage the Club, starting a remarkable turnaround.

As they built a reputation for quality meals, provided great service and bargain bar prices, the Club thrived. Six years later, the Club's \$360K mortgage was gone.

In July 2024, Tony and Judy will achieve 20 years' service. In recognition of their outstanding contribution, at the last AGM they were awarded Life Memberships of the Club. Congratulations and thank you Tony and Judy.

Club President, Aaron Witts, presents Tony Sproule and Judy McGuinness with their Life Membership certificates.

Read more about their pivotal role via the website below.

Scholarship for first year study. Applications are invited from young people who are starting, or have started, an apprenticeship, traineeship or university studies in 2024 for the \$2,000 Club scholarship to assist with study expenses.

Applications close 31 March – application form, terms & conditions available via the website below or contact Denae Boscoe, Secretary – clubsecretary@southarmrsl.com.au or 0484 385 871.

NEW bottleshop discounts apply for Club members from 1 March 2024 so renew your membership or join now! Membership enquiries contact Steve Hinton, Treasurer – treasurer@southarmrsl.com.au or 0419 339 415

Cremorne Corner

Clean Up Australia Day -2nd- 3rd March

Rubbish bags, a rubbish hotspot list, and volunteer sign up form will be available on, and leading up to, the weekend of 2nd/3rd March. These will be left outside Number 3 Cremorne Ave. Collected rubbish to be left at the Reserve.

Thank you to the many residents who we know regularly pick up rubbish throughout the year.

If there are any large items of rubbish, please get in touch with us beforehand and we can arrange for collection.

Autumn planting

Protection of fragile dunes and lagoon foreshore through plantings is an ongoing focus. Given the vast area to cover, we encourage locals to look after their own patch with the group's assistance. We aim to provide once again four key coastal species along with guards and stakes. These are *Dodonaea viscosa* (Hopbush), *Atriplex cinerea* (Saltbush), *Acacia sophorae* (Coastal Wattle) and *Allocasuarina verticillata* (Drooping Sheoak). Let us know if you have another particular species in mind.

Please get in touch ASAP, the end of March at the latest, with your plant order.

Future 2024 activities

To keep the group fresh and motivated we are after new members to help with planning. Our Annual General Meeting is coming up in early May. Get in touch if you are interested in getting more involved.

Council generously funds our activities and is in the process of changing the model in which this will occur. As such, we are waiting to hear back from them before making any plans.

Great opportunity for local creatives

The **Touch of the Mo** café in South Arm, other than serving agreeable food and beverages, has a delightfully eccentric ambience arising out of the presence of art, photography, crafts, botanicals and bric-à-brac.

Kristy, Tony and Jason in association with Bec Young ([Wattle Blossom Studio](http://WattleBlossomStudio.com.au)) are now taking this casual gallery role to a new level. Painters, etchers, sketchers, weavers, photographers and other creatives will have the opportunity to have their work showcased and promoted over 6 week periods at no cost other than a commission on any sales.

Applications can be sourced from Touch of the Mo, www.wattleblossomstudio.com.au, or email Bec : wattleblossomstudio@gmail.com

St Barnabas - our community church

St Barnabas was the centre of local Christmas celebrations, with three services to recognise this special time of the year. The annual "9 lessons and carols" service was enjoyed by a congregation of over 60.

Our volunteers bring their skills and passion to help to maintain the building and the cemetery. In early December, a special morning tea was held to thank all those volunteers who have donated their time/skills/ financial support, ensuring that the church will continue to be an important part of our community. Without these talented volunteers, this would not be possible. About 40 people came together to celebrate another year of hard work and dedication.

A new coat of paint for Christmas. Christmas week also saw the completion of the painting of the church by Cameron Kerslake and his hard-working team. It is great to see the church looking so well-cared for, fresh and clean, and welcoming. The Board of Management would like to thank all the community members who donated to this cause. Your support enabled the long-standing goal to be realised.

Calendar fundraising success. Produced using photographs taken by locals, these calendars have show-cased our beautiful peninsula world-wide. Thank you to everyone who supported this initiative.

Do you know our local history?

A cautionary tale?

One of the most scenic drives on the peninsula is that narrow stretch of road we call the "Neck" with spectacular tidal changes on the north side and the natural sandhill barrier along Hope Beach on the other.

Occasionally, as a result of very high tides and severe stormy weather, the bay encroaches on the roadside and occasionally spills over on to the road surface. Few would deny that the Neck is vulnerable to extreme weather events.

Is this the first time the Neck has been under threat? No.

As retold by Maurice Potter (namesake of the [Maurice Potter History Room](#) at the South Arm Community Centre) a section of the Neck was under threat over 80 years ago from seawater encroachment, not from the north but from the Hope Beach side.

An area of the sandhills at the junction of the Potters and Calvert properties was breached during a heavy storm around 1940. Strong winds over many years had created a gap in the dunes, sufficient to allow breaking waves to breach the sand barrier. Seawater encroached to within about 20 feet of South Arm Road.

Between 1960-70 a truck driver, Mr Tonks, working for George Males' sand mining business and also on the Potter's farm, agreed to apply his bulldozing equipment to the task of filling the gap between the dunes.

Many thanks to Maurice for sharing his memories of this time.

If you have local history information, stories and photographs to share please contact
- Michael Topfer | history@southarm.tas.au

Friends of the Bays update

It's been three months since Friends of the Bays was formed to challenge Petuna's proposed salmon farm off Clifton Beach. In that time, the "Bay Boys" have been a regular feature at the South Arm Community Market, raising awareness and gathering signatures on their petition.

President, Mick Lawrence said "We didn't know what level of community support we would get, but we've been blown away. After three markets we've been lobbying politicians in the Franklin electorate, attracted over 100 members, have built up a healthy fighting fund and gathered over 1000 signatures on our petition."

"That represents over 6% of the population of the South Arm Peninsula already, which is most encouraging." Mick said "Community is telling us they are not happy and that government is failing to listen to their concerns, so we are planning a major protest featuring guest speakers and paddle out to be held at Clifton Beach in the near future."

Friends of the Bays now has a Facebook page (see link below) where you can become a member and sign the petition.

Alternatively rock up and have a chat with the boys at their stall at the February and March markets.

- Mick Lawrence | Friends of the Bay | Facebook <https://www.facebook.com/groups/304200489140424>

South Arm Primary School

Happy New Year from all the students and staff at South Arm Primary School!

The outlook for 2024 is very positive with a large group set to commence kindergarten and a few other welcome enrolments taken during December, both of which mean our school is growing, which remains as my main focus.

Before-school care trial - Tuesdays, Wednesdays and Thursdays, extends our relationship with Uniting Early Learning and, hopefully, provides our families an added option and some flexibility in balancing work and other commitments on school mornings.

Visual Art reintroduction - as a key part of our curriculum and to be maintaining Auslan as our language (other than English) via a pilot program with DECYP's support.

Volunteering in 2024 - our students and staff greatly appreciate the contributions made by volunteers already supporting teaching and learning or student wellbeing.

If you have not yet registered your interest in volunteering please do so by scanning the QR code. Before the start of the school year on February 8, I'll write to everyone with details about specific initiatives requiring volunteer support in 2024.

Here's to another great year at South Arm Primary School.

*Stu Warren, Principal,
South Arm Primary School

Christmas Eve Water Battle

A South Arm annual family tradition

Thank you to the local community for the ongoing support for this fantastic fun tradition.

This popular event brings community members of all ages and families together for battle, but certainly doesn't put a damper on Christmas.

Bring on next year!

Now you see me...

...now you don't!

South Arm Market

Welcome to 2024!

Our December Xmas market was filled with stalls catering for the discerning in search of something different for under their Christmas tree. A favourite of many, the succulent Christmas trees were perfect for a stunning table centrepiece.

The Market showcased Justin and his wonderful range of snakes and blue tongued lizards for all to enjoy or NOT. We will welcome Justin to the market again later in the year.

The children had a fantastic time getting their faces painted and parading around for all to see.

The January market had Sharn Hitchens singing and entertaining the crowds as well as the Old Pretenders playing the bagpipes and drums. What a great lineup of music.

The day was relaxed with plenty of stalls and shopping.

The next markets will be on the 4th February and 3rd March.

Come and enjoy another lovely day in paradise.

Echidna facts...

- ❖ The Australian short-beaked echidna along with 3 species of long-beaked echidnas in New Guinea and the platypus are all monotremes - egg laying mammals.
- ❖ The female feeds their young (puggles) by sweating milk through milk patches on their belly.
- ❖ Echidnas do not have pouches. They use strong muscles to hold an egg for the 10-12 day incubation period and then to hold the puggle during its first 30 days of development.
- ❖ After that, in Tasmania, the female will bunker down in a hollow log or bury herself until the puggle can be left.
- ❖ The oldest echidna on record lived to the age of 62!
- ❖ In the cooler months echidnas will go into a mini-hibernation known as a torpor.

We are fortunate to share our peninsula with these amazing animals and our other beautiful wildlife.

Appreciate, protect and enjoy!

- Cory Young | More information at <http://southarm.tas.au/echidnas>
