## Photographic display captures South Arm Market's spirit

Ian Sale has been taking photos at the South Arm Community Market as a volunteer for five years. That's hundreds of images showcasing the vast array of factors that combine to make this event so special and ever-popular with locals, visitors and stallholders alike.

To preserve the market's stories, Ian has created six themed montages which now grace the Community Centre walls, the first in a series of new displays that document our history and celebrate our community spirit. People are fascinated by them, every time you look at one you discover something new!

Ian retired from this role after the January market saying it's time for him to experience it as a visitor. The SAPRA Committee, market team and our community heartily thank Ian for his work capturing and preserving so many wonderful memories for our community.

Ian says of the job:

*"This is one of the best volunteer gigs there is...I have really enjoyed the role. For a keen photographer it's an opportunity to extend your skills but more than that, you're part of one of our great local institutions and a great team."*

*"It's a privilege to have been asked to take photos of this wonderful event. It also allows me to meet people who do a wide range of interesting things.... I've not just improved my photography but learnt so much more from the people I've met."*

If you can't make it to the South Arm Community Centre to see the display that shares the joy of our market, go to [southarm.tas.au/market-gallery](https://southarm.tas.au/market-gallery). And if being the roving volunteer photographer appeals to you, please get in touch!

## What are your Peninsula memories?

We hope you've been enjoying the wonderful memories shared in this series (latest on P7).

Whatever our age, we all make memories in this place, whether it's the 1950s or the 2000s, and we're hoping to find even more insights into life from all age groups.

If you're young, you might wonder why we want your Peninsula stories too - it's because history isn't just what happened, decades, hundreds or thousands of years ago, history started yesterday.

So whether you're 10, 20, 40, 60 or any age in between or older we'd love to hear about your Peninsula experiences. Get in touch!

## SAPRA - all for our community

**Welcome to 2026!** We hope you're enjoying the summer with all its interesting variations!

The SAPRA team is back with two very welcome new committee members. Many of you would know Jacqui Stevens, previous owner of the South Arm shop for many years. She brings a deep knowledge and connection to our community. Our new Secretary, Lynn Ayers, has a background in governance and admin - a huge help to our executive. We all share a love for our Peninsula home on many levels, one of which is the people of this place...

**It's what our community does...** When locals Therese and Steve Soul had no plans for Christmas Day, they thought of those who, not by choice, spend Christmas alone and the seed was sown...

Supported by SAPRA and Calverton Hall, volunteers organised a quiet festive lunch. With donations of goods and funds, they cooked up Christmas fare and decorated the Hall. Attendee feedback was very positive about the food, the company and the generous spirit of the volunteers.

**Thank you** to the organisers, supporters and volunteers and the attendees who made the day special for all.

**Welcome Carla Brown to SA Primary.** We look forward to continuing a strong relationship with our local school. (P8)

**Emergency Response Centre (ERC).** Hall President, Anita Carlin, and I met with the Council's Emergency Management team in Jan. We were happy with the progress made and that our feedback is being incorporated. More updates to come.

**Community Bus back on the road.** Our bus was missed over January but it's back on the road in early Feb following repairs and accreditation inspection. Bookings are open so make sure you plan ahead - book early! (Contact details P9)

**Centre upgrade.** Thanks to Clarence Council sharing the costs, SAPRA can now invest in upgrading the servery in the the Buchanan Hall. It's a busy hub whenever the centre and garden is used and also plays a part in our role as an ERC.

**WIP.** We continue to liaise with Council over issues including Harmony Lane and the centre carpark plus road safety, the SA raft, local toilets etc. Add in the History Refurb project, centre and bus management and yes, it's a busy time!

Please get in touch if you have any projects or issues you'd like to discuss.

## 2025 South Arm Peninsula Rainfall Review

## 2025 Peninsula Rainfall

The big stand-out for 2025 is Cremorne. As reported by our Cremorne volunteer, Geir Rodven...

- Last year's 407mm is 90mm below the 2009-25 average of 497mm
- Nov 2025's 82.5mm was the 2nd wettest Nov since 2009, only beaten by 106.5mm in 2013
- 2025 was the third driest year since 2009

That sad story is also reflected in the chart.

- Cremorne did not have the maximum monthly in any month of 2025
- Cremorne had the minimum monthly in eight of the twelve months of 2025

For all of us living on the Peninsula the bottom line is - value whatever we receive and use it wisely!

## Clifton Beach Surf Lifesaving Club

**Patrols:** December was a busy month for the surf club, with patrols commencing on the first Sunday of the month at Clifton Beach. Our volunteer patrol hours run from 9.00am to 2.00pm on weekends and public holidays, with Surf Life Saving Tasmania providing paid lifeguards on weekdays at Clifton Beach.

**New members:** This season we are proud to be running eight patrol teams, welcoming 14 new members who achieved their Surf Rescue Certificate and many members who completed their Bronze Medallion — a fantastic effort from our growing club.

**Bridport Carnival:** In early December, our Nippers and senior surf sports competitors travelled to Bridport for the first carnival of the season. True to form, Tassie delivered sunshine, rain and some very strong winds! Despite the conditions, our Nippers had an outstanding performance, taking out the overall carnival win.

**Training:** January saw us host a Southern Clubs combined training session, with over 30 clubbies coming together for a morning of racing and connection, a hugely successful and enjoyable event.

**It's not all hard work:** We rounded out January with the Live and Local Music Festival, co-hosted with Powderkeg and The Clarence City Council. It was an epic night filled with great music, a fantastic atmosphere and strong community support.

## New Nurses Memorial to be unveiled on a significant date

The Sub-Branch has created a new memorial commemorating the service of Defence Nurses to be unveiled by President Terry Roe JP, Wing Commander (Rtd.) Sharon Bown AM and those with family links to the four nurses being honoured.

Whilst the Memorial specifically acknowledges four Tasmanian-born nurses from WW1 through to recent conflicts, it was created to honour and acknowledge the service of all nurses across the Navy, Army and Airforce from WW1 onwards.

The date of the unveiling coincides with the 84th anniversary of the sinking of the SS Vyner Brooke and the subsequent Banka Island Massacre during WW2.

All are welcome but please RSVP by 10 Feb to [southarmrslsb@gmail.com](mailto:southarmrslsb@gmail.com) to help seating arrangements. Please note all to be seated by 11:15am and wreaths are not required. The Club will be open for lunch following the unveiling – please book [6239 9171](tel:62399171).

We hope you can join us for this special commemoration.

## South Arm Calverton Hall

"Three in the Bed" - performed on 6 Dec by Rosny Park Drama Group. The hilarious evening was a huge success, thoroughly enjoyed by all who attended. We hope that the group will return in the near future.

**Christmas Lunch**, for those in our community alone on Xmas Day, was organised by volunteers, supported by the Hall and SAPRA. It was greatly enjoyed by around 20 people who celebrated with delicious food, great conversation and lots of fun. A huge thank you to Therese and Steve Soul for organising this fantastic community event and to all those who kindly donated to make this such a success.

## South Arm Markets

What a marvellous duo of markets we've had, both under blue skies and NO WIND!

The unlikely combination of Xmas traditions - Santa and the local fire brigade spreading festive cheer and lollies, Justin with his reptiles and a wonderful face-painter - are always a hit.

January's market had a more relaxed vibe with plenty of new stallholders and, as always, the live music providing a great backdrop. A popular new attraction was cuddling baby goats!

Our thanks to all who work hard to bring this cherished community event to life each month.

See you at the next market!

## Clean Up Cremorne Weekend

Sat 28 Feb - Sun 1 Mar

### Collection Bags:

Available start of week, at 3 Cremorne Ave.

Too busy on the weekend? No worries, grab a bag beforehand and collect during the week.

Leave collections at the Beach Reserve.

### Hot spots to check:

**Lagoon edge** – check the tide (all the way out to hwy on the avenue), **jetty area** and amongst **bushes at Beach Reserve**. An easy clean up on your walk is around the lagoon edge where there is always lots of small glass.

### Fun and prizes:

Prizes for finds of the weirdest, biggest, ugliest, most useful and prettiest!

Thanks to the Cremorne Bowls & Community Club we have ice cream/drinks vouchers for the top entries.

We look forward to a massive turnout.

**Kind Request** - February and March are typically hot and dry with lots of evaporation. If you have plantings out on a reserve area near your place it would be great if you could give them a bucket of water or two.

## Cremorne Bowls and Community Club

### Festive Cremorne

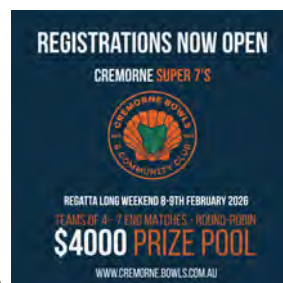

Thanks to the Cremorne and wider community for a great festive season. The Christmas Market was once again a hit with over 30 stalls.

The afternoon of Christmas vibes the week leading up to Christmas had fabulous festive spirit and thank you to all for who came along. A great day with Anita & Gary on acoustics, Wattlebanks for food, fun with the raffle and, of course, the man himself - Santa.

### Cremorne Super 7's

The February long weekend (8-9) has the Club hosting the exciting Cremorne Super 7's bowls event. The Cremorne Super 7's will be contested by teams of four (4) players. To ensure competitive balance, each team may include no more than two (2) registered pennant players. Check out details at the Club's website for more information.

## Santa's Christmas Eve in South Arm

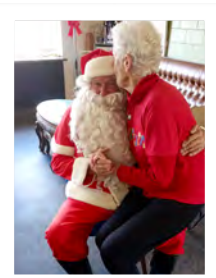

It wouldn't be Christmas without Santa dropping by the South Arm Oval for the traditional Christmas Eve Water Battle. Finding his sleigh not quite suitable for our local conditions, he arrived by motorbike - not his preferred mode of transport for personal comfort.

A big Community Thank You to Santa and all involved - the children (oblivious to the less than desirable weather), the parents watching or joining in and those on the truck hoses. Another successful event! But there was more ahead for SANTA....

Back at the Mo for a sausage sizzle, Santa had little time to rest before there were further demands for his attention, including that of an over-exuberant, senior citizen who could not contain her excitement, jumping at the chance to fill a vacancy on Santa's knee. Always a professional, Santa accommodated her with a smile.

After refreshing himself with a cold drink and sausage sandwich it was time for Santa to be on his way.

Thank you Santa. See you next year!

## Mentoring @ the Mo

Kristy has ensured that warm welcomes and friendly service with a big smile are always on the menu at South Arm's popular cafe, Touch of the Mo. Such a friendly atmosphere and great service does not come by chance. Kristy's young team has benefited from her experience and guidance in creating such a pleasant atmosphere. Her efforts were recognised by Business Eastern Shore with the awarding, in November 2025, of the **Vanessa Goodwin Mentoring Award**.

Kristy wears two hats - "boss lady" and "mentor" - providing the opportunity for many of our young locals to gain self-confidence, valuable social skills and customer service experience.

Congratulations to all @ the Mo!

## Offcuts from the Shed

**Quiz Night - Saturday, 2 May:** Further details to come, but rest assured this is an exceptional event with an experienced Quiz Master, challenging questions compiled by a retired pedagogue and a trophy to die for. Previous winners have described this as a life-changing event.

To move you towards a quizzing state of mind here are some practice questions - *What was the name of the Lone Ranger's horse? Who were the Vogons? What is a donnybrook?\**

**Garden:** Meanwhile, down at the shed the garden is going gangbusters despite the late arrival of summer. Kale was an early success but had limited appeal, but now the zucchinis are going strong, the rhubarb delicious and the Scarlet Runner is in flower.

## Peninsula Memories - a Special Shack

*I am Sally, second eldest in our family. What an adventure us kids were in for, Mum and Dad were going to build us all a 'Shack' in Opossum Bay!*

In 1948 my Mum and Dad, Roy and Mollie O'May, purchased two blocks of land, paying 50 pounds for each block. There was no road into the land with the existing road ending at the Cannock's property in Gellibrand Lane. From that point it was quite a long walk to reach the land purchased, so every piece of building material, tools, cement etc, had to be physically carried.

With a lot of enthusiasm and hard work, Mum and Dad built a large sunroom with a fireplace and two bedrooms, one with 2 beds and 2 bunks. The view was magnificent from the sunroom, looking out towards the Derwent River and Mt Wellington. Later on, my Dad and his friend, Geoff Harper, a builder by trade, added a kitchen on the dwelling, originally an old shed cut in half. The foundations were from cement mixed with shell grit that was collected from the rocks below - a very common procedure in those days. A further sunroom and shower were later additions. Of course we also had an 'Outside Loo'.

Dad also built the boat shed, a huge job, as he had to dig out a lot of the bank then build the ramp. There was one time when our clinker dingy was washed away from the boat ramp, fortunately retrieved by the 'Cartela'.

Family and friends had so many wonderful holidays at our special shack at Opossum Bay, then later on with our own partners and children, we all shared some very happy times together. We enjoyed all the simple things in life - the beach, walks, taking the clinker dingy out (sinking it and turning it upside down so we could dive off it), playing cricket, fishing, swimming and playing with all the kids on the beach. Later Dad built us a paddle board then my brother ended up buying a speedboat, so we all learnt to ski, which was great fun.

Dad put the nets and cray pots out every day, providing us with an abundance of fish and crayfish. Mum was an excellent cook, so we had lovely seafood meals. I recall I went with Dad to collect the cray pots one time and, as I was pulling the pot up over the side of the boat, a huge octopus appeared - I screamed then dropped the pot back into the water.

I recall all the regular families over the years at Glenvar Beach - Vaughtin, Cannock, Macintosh, Hewitt, Salter, Turner, Harper, Ashdown, Buckpitt (Lighthouse Keepers), Miller, Calvert, Watson, Griffith, Chatterton, Gellibrand (Farmers) and of course the O'May family.

We had some wonderful events during the Christmas New Year period, a huge Bon Fire Night on the beach, a Beach Girl Competition and the Gellibrand family provided a cart with 2 beautiful Clydesdale horses for kids to ride in.

I hope you have enjoyed reading this little story of many happy memories.

## South Arm Primary School

I am pleased to introduce myself as the Principal of South Arm Primary School for at least Terms One and Two.

My name is **Carla Brown**, and I bring over 26 years of experience in education across a range of roles. Most recently, I have worked in local schools including Howrah, Rokeby and Lauderdale.

My family has a long-standing connection to the Sandford/South Arm area, and I am very much looking forward to working in partnership with our students, families and wider community throughout 2026.

Alongside a strong focus on student learning and teacher growth, I am keen to strengthen relationships with our community and to further embed the Department of Education values. A key focus this year will be developing a shared sense of belonging and connection across our school community.

We would also love to see increased family participation in our *Launching into Learning* program for children from birth to four years of age. New and returning families are warmly encouraged to contact the school office for further information.

We will be hosting a welcome-back-to-school barbecue early in the year, and I look forward to meeting families then, if not before.

- Carla Brown, Principal, South Arm Primary School | [6239 9126](tel:62399126)

### Back to School Vaccinations

The National Immunisation Program (NIP) provides free vaccinations at certain stages of life. Year 7 and 10 students may receive these at school but if you miss out or prefer a more private vaccination environment WE CAN HELP.

**Ask Kim or Matt about what vaccinations are due and make an appointment.**

*Note that annual Flu vaccinations will be available from late April and COVID boosters are available by appointment.*

## St Barnabas – a community space for all

**Christmas Celebrations:** 80 people gathered for our Christmas Carol Service followed by supper, thanks to all who enjoyed this lovely evening of song and friendship. On Christmas Day a smaller congregation attended the service taken by the Rev Andrew Lake.

**A place for life's celebrations:** Our beautiful old church is available for christenings, marriages and commemorations for everyone, locals and those from farther afield. Indeed, we'll be welcoming an out of area couple to be married by our own Beverley Elliott this year.

**A great event venue:** With its historic setting, beautiful grounds and kitchen facilities. Visit the Venue Hire page of our website to learn more. Enq. Linda Roe (03) 6239 9067 / 0438 679 320 | Rachel Todd (03) 6239 9706 / 0438 399 706 or Lyn Aylett 0455 227 271.

**Sunday Services:** 10am every Sunday and special days observed through the year such as Mothering Sunday and animal service followed by morning tea (Cuppa and a Cake).

**Coming up:** Bible study Fridays at 10:30 / Market stall 1st Sunday in the month. We are always looking for people to be involved in fun events such as shrove Tuesday pancakes galore (Feb) Services for Easter: Good Friday 3 April, Easter Sunday 5th April.

**A brochure** with the Church's history, ongoing programs, price guidelines for our cemetery, church services and contact details for our ministry and board members is available locally.

## Friends of the Bays update

**Paddle-out:** In late 2024 Friends of the Bays convened a paddle-out and rally at Cremorne. Several hundred attended to show opposition to Petuna putting salmon pens in Storm Bay. Now, in 2026, the campaign goes on, and went back to Cremorne, on Sunday February 1st. We'll report on this event in the next issue.

**Breaking news:** Friends of the Bays has won a grant from the Global Salmon Farming Resistance. We hope to use this money to raise public knowledge and awareness of the east side of Storm Bay formed by Tasman Peninsula. This is a wild area - no dwellings or roads, and the coast is rugged. This stunning area, shown above, remains unknown to most people. We aim to change that. We think it should be a destination, not a place for depressing rows of salmon pens - 22 of them!!

## South Arm Volunteer Fire Brigade

Tasmania Fire Service

**Lolly Run:** It was great to see so many of our community out and having fun and enjoying Santa handing out lollies on the lolly run! It was also terrific to have lots of people enjoying themselves at the water battle and thanks very much to all those who contributed to making this happen and for making it such a fun time.

**Planning a burn?** While high temperatures are a major factor in the many fires that have been burning on the mainland, Tasmania's major fire threats are strong winds along with low humidity. So if planning a burn, please plan around a period of low wind and keep in mind that Tassie's main fire season usually doesn't begin until February so we're only just heading into it.

**Thank you** to all those who have been registering their planned burns (less than 1 cubic metre) online at [fire.tas.gov.au](http://fire.tas.gov.au) or phone 1800 000 699. This helps reduce unnecessary callouts and as these burns are shown on the [TasAlert](#) app, it lets us and the wider community know when and where these will be happening.

As we are currently in a designated permit period, any burn larger than 1 cubic metre legally requires a formal permit - please phone 1800 000 699.

## ABOUT SAPRA

*Since 1989 we have continued to build on the immense legacy of past committees and volunteers - the many people who quietly made their own contribution to our community, our surrounds, well-being and safety.*

*Our role is a real mix of advocacy, support, connecting and facilitating.*

*Running the South Arm Community Centre, and its many associated activities, is a significant part of our work along with owning and operating the South Arm Peninsula Community Bus.*

*We also follow up with community issues and projects, auspice grants, provide advice and mentoring for other groups or just lend support when needed.*

*Every single thing we achieve or service/support we provide is made possible by people generously volunteering their time and skills for a shared love of our community and this special place.*

**Please support this work by  
becoming a SAPRA member or  
joining our Committee.**
